

DINKS & DRINKS

PICKLEBALL TOURNAMENT

Craft Beer
Live Music
Food Trucks

Join the excitement at the upcoming Dinks & Drinks Pickleball Tournament, hosted by the Parks & Recreation Department in collaboration with the Leadership Portage County 2nd Annual Craft Beer Festival. This unique event combines the thrill of pickleball competition with the enjoyment of a craft beer festival, promising a day of fun and camaraderie for participants.

Blind Draw Tournament:

The tournament follows a blind draw format, where all participants will be randomly paired into teams of four. Throughout the tournament, teams will face off against one another in a best-of-six series, with different pairings for each match. This ensures a dynamic and engaging experience for all players involved.

Match Details:

With each participant playing between 5 to 9 matches, depending on their team's progress. And the fun doesn't stop there – as an added bonus, every participant over the age of 21 will receive two drink tickets to the highly anticipated Leadership Portage County Craft Beer Festival.

Attending the Beer Festival:

To secure your spot in this exciting event, the entry fee is only \$20, which includes tournament entry and two drink tickets (attending the festival is optional). Tournament registration can be done at www.cityofstreetsboro.com or by contacting the Streetsboro Parks & Recreation Department. Additional Craft Beer Festival tickets can be purchased at www.leadershipportagecounty.org.

Don't miss out on the chance to compete, bond with fellow pickleball enthusiasts, and enjoy a variety of craft beers. Awards will be given to the members of the champion and runner-up teams, so bring your A-game.

We look forward to welcoming you to the Dinks & Drinks Pickleball Tournament – a fantastic day of friendly competition and great taste!

SATURDAY, OCTOBER 14, 2023
