The City of Streetsboro invites artists to compete to display an original design on a traffic signal box within the city. The traffic boxes that will be wrapped are located throughout Streetsboro enhancing and beautifying the City’s landscape. This project also allows local artists to display their work in a public space.

Each year, the city will select artist proposals to cover 5 designated traffic signal boxes. This will be an annual contest, with 4-5 new proposals chosen each year.

Artists should submit a digital design that can be converted to a digitally-printed wrap. Only digital submissions will be accepted. The winners will receive a certificate, in addition to being featured on the City’s social media channels and in local newspapers.

The chosen artwork will be displayed on the traffic signal box for a period of at least 3 years. When the wrap needs to be replaced, new artwork will be chosen.
