ARTICLE XI. RECORDS AND REPORTS

Section 2. Access to Confidential Records

All information contained in a Town employee's personnel file, other than the information mentioned above is confidential and shall be open to inspection only in the following instances:

- 1) The employee or his/her duly authorized agent may examine all portions of his/her personnel file except letters of reference solicited prior to employment, and information concerning a medical disability, mental or physical, that a prudent physician would not divulge to the patient.
- 2) A licensed physician designated in writing by the employee may examine the employee's medical record.
- 3) A Town employee having supervisory authority over the employee may examine all material in the employee's personnel file.
- 4) By order of a court of competent jurisdiction, any person may examine all material in the employee's personnel file.
- 5) An official of an agency of the State or Federal Government, or any political subdivision of the State, may inspect any portion of a personnel file when such inspection is deemed by the Town Manager to be necessary and essential to the pursuit of a proper function of the inspecting agency, but no information shall be divulged for the purpose of assisting in a criminal prosecution of the employee, or for the purpose of assisting in an investigation of the employee's tax liability. However, the official having custody of the personnel records may release the name, address, and telephone number from a personnel file for the purpose of assisting in a criminal investigation.
- 6) An employee may sign a written release to be placed in his/her personnel file that permits the record custodian to provide, either in person, by telephone, or by mail, information specified in the release to prospective employers, educational institutions, or other persons specified in the release.

- 7) The Town Manager, with the concurrence of the Town Board of Commissioners, may inform any person of the employment, non-employment, promotion, demotion, suspension or other disciplinary action, reinstatement, transfer, or termination of a Town employee, and the reasons for that action. Before releasing that information, the Town Manager shall determine in writing that the release is essential to maintaining the level and quality of Town services. The written determination shall be retained in the Town Manager's office, is a record for public inspection, and shall become a part of the employee's personnel file.

The Town Board of Commissioners shall establish procedures for all personnel files containing information other than the public information mentioned above whereby an employee who objects to material may seek to have the material removed from the file or may place in the file a statement relating to the material.
