

TOWN OF SWANSBORO

PLANNING AND ZONING POLICY-NO. 3  
ADMINISTRATIVE FEES

The Town Manager and the Swansboro Board of Commissioners understand that it is necessary to charge applicants a fee for variances, special use applications and re-zoning requests. These fees are used to cover the costs of the administrative process and advertising. Increasingly it becomes very necessary for the Town Attorney to be involved in the decision making process.

Realizing this necessity and the increasing costs connected with the applications, the Board of Commissioners set the filing fee for a variance or a special use at \$125.00. A re-zoning application is set at \$150.00.

ADOPTED BY THE BOARD OF COMMISSIONERS 21 JULY 1994.
