

TOWN OF SWANSBORO
PUBLIC UTILITIES POLICY--NO. 5
PLANT SECURITY

It is recognized by the Board of Commissioners of the Town of Swansboro that hazardous conditions exist at the Town's water and sewer department facilities. Therefore, it shall be the policy of all employees that the outside gate to the Waste Treatment Plant and the outside gate to the Water Department Compound shall be locked at all times when there are no employees on the premises.

APPROVED BY THE TOWN MANAGER THIS 10TH DAY OF JANUARY 1990.

William E. Price, Town Manager
