

TOWN OF SWANSBORO

PUBLIC WORKS POLICY #5
NOTIFICATION OF CORRECTIONS ACTIVITY

The purpose of this policy is to assure prior notification to the Town of Swansboro citizens where Corrections Facility activity is to take place.

As a show of public and community support, The Corrections Facility of North Carolina offers, by written request, the services of its minimum security inmates. These inmates are directly supervised by an unarmed Corrections officer.

As a result, The Public Works Department shall here by notify in writing citizens adjacent to any Corrections Facility activity 1) the purpose of such activity and 2) the estimated time of completion of the assigned task. Such notification shall be given 2 days in advance.

Approved by the Town Manager this the 5th day of January 2001.
