# TCSD BOARD OF DIRECTORS MEETING AGENDA WEDNESDAY, August 14, 2024 REGULAR SESSION AT 7:00PM TAM VALLEY COMMUNITY CENTER, 203 MARIN AVENUE, MILL VALLEY 94941

### 1. CALL TO ORDER

2. <u>ROLL CALL</u> President Steffen Bartschat Directors: Vice President Matt McMahon, Jeff Brown, Jim Jacobs, Steve Levine

#### 3. APPROVE AGENDA

### 4. PUBLIC EXPRESSION

Members of the public are invited to address the Board concerning topics which are not listed on the Agenda (If an item is agendized, interested persons may address the Board during the Board's consideration of that item). Speakers should understand that except in very limited situations, State law precludes the Board from taking action on or engaging in extended deliberations concerning items of business which are not on the Agenda. Consequently, if further consideration is required, the Board may refer the matter to its staff or direct that the subject be added to an agenda for a future meeting. The Board reserves the right to limit the time devoted to this portion of the Agenda and to limit the duration of speakers' presentations.

### 5. REGULAR BUSINESS: Board Actions

- A. Receive monthly oral report from PARC (no written staff report)
- B. Receive monthly and quarterly financial reports
- C. Receive quarterly Treasurer's report
- D. Approve agreement with Croce, Sanguinetti, & Vander Veen for annual financial audit and other financial services in an amount not-to-exceed \$37,850
- E. Adopt resolution updating the District's Conflict of Interest Code to reflect new position titles and the creation of the Parks & Recreation Commission
- F. Review and continue emergency actions authorizing the General Manager to contract for emergency repair of sewer line damaged by falling trees (approx. location: 354 Pine Hill Road)

### 6. REGULAR BUSINESS: Information Items

- A. General Manager's report for July including tentative event schedule through December
- B. Receive Sewer treatment plant update reports: SASM and SMCSD
- C. Board member and/or Subcommittee report

### 7. CONSENT CALENDAR

Special Needs: In compliance with the Americans with Disabilities Act (28 C.F.R. 35.102-35.104, ADA Title II) if you need special assistance to participate in this meeting, please contact the TCSD at (415)-388-6393, x10. Notification 48 hours prior to meeting enables TCSD to make reasonable arrangements to ensure accessibility. In compliance with Senate Bill 343 the law requires writings subject to the Public Records Act to be available for public inspection at the time the writing is distributed to the member of the legislative body In compliance with Senate Bill 343 materials or writings subject to the Public Records Act to the Public Records Act is available for public inspection at 305 Bell Lane, Mill Valley, California between the hours of 8:00 a.m.

All matters listed on the Consent Calendar are considered to be routine and will be enacted by a single action of the Board. There will be no separate discussion unless specific items are removed from the Consent Calendar during adoption of the Agenda for separate discussion and action.

- A. Approve minutes of July 10, 2024, joint meeting
- B. Approve minutes of July 10, 2024, regular meeting.
- C. Approve minutes of July 24, 2024, work session meeting.

#### 8. FUTURE AGENDA ITEMS

- A. Review of meeting
- B. Board input for future Board Meetings
  - Agreement with CMG for the Community Center Masterplan (9/11/24 mtg)

#### ADJOURNMENT

### NEXT REGULAR BOARD WORK SESSION August 28, 2024 8:30am 305 Bell Lane (Corporation Yard)

### NEXT REGULAR BOARD MEETING September 11, 2024 7:00pm Tam Valley Community Center

# TAMALPAIS COMMUNITY SERVICES DISTRICT Staff Report August 14, 2024

то:	BOARD OF DIRECTORS
FROM:	SARAH MEHTAR, FINANCE AND PROGRAMS MANAGER
SUBJECT:	RECEIVE MONTHLY AND QUARTERLY FINANCIAL REPORTS

#### RECOMMENDATION

Receive and file the July 2024 financial reports.

#### BACKGROUND

In the fall of 2021, the TCSD Financial Reporting Ad Hoc Committee provided additional recommendations regarding reports and the schedule to reflect industry standards and provide improved transparency into TCSDs finances. TCSD staff continues to provide all required financial reporting.

#### **Schedule of Reports**

Disbursements (checks & credit card register)	Monthly	
Budget year-to-date report	Monthly	
CIP project expenditure report	Quarterly	
Measure A expenditure report	Quarterly	
Treasurer's report	Quarterly	
Audited financial statements	January	
Proposed and adopted budgets	May and June	
Multi-year financial plans	As needed	
Mid-year budget report	Feb	

Please note that Fiscal Year Quarters are as follows:

Report in November
<b>Report in February</b>
Report in May
Report in August

The staff quarterly reports lag the actual quarters because the Board meets the Second Wednesday of each month. As a result, often the data cannot be compiled and analyzed by the Board meeting after the quarter ends.

#### DISCUSSION

TCSD budgets are divided into the District's three main service areas: a) Wastewater, b) Solid Waste, and c) Parks and Recreation. Wastewater and Solid Waste are proprietary funds based on service fees, whereas the Parks and Recreation fund is a governmental fund supported primarily by ad valorem property tax revenues and Measure A parks funds generated by sales tax revenues. Expenses for each of the three funds are tracked separately.

Institution	Account	30-Jun-24	31-Jul-24
Wells Fargo	General Checking	\$ 117,241.49	\$ 202,262.63
Wells Fargo	General Savings	\$ 220,686.00	\$ 200,000.00
Wells Fargo	General Merchant Services	\$ 14,939.81	\$ 10,637.34
Wells Fargo	Stagecoach Sweep	\$ 9,709,380.85	\$ 9,116,080.03
State of CA - LAIF	General Account	\$ 2,963,250.89	\$ 2,996,685.26
	Total Balances	\$ 13,025,499.04	\$ 12,525,665.26

As of July 31, 2024, TCSD had the following cash and investment balances:

#### **MONTHLY REPORTS**

The disbursement reports for July 2024 are attached to this report (Attachment A). The largest disbursement for the period was to SDRMA for the insurance premiums \$69,816.04 for worker's compensation and \$131,732.57 for property & liability.

The year-to-date annual budget report (Attachment B) is through the end of July 2024. The report gives the cumulative totals for the fiscal year with budget comparisons. YTD Parks and Recreation revenues are \$20,239.23, which is 2% of budget. YTD Wastewater revenues are \$18,524, which is less than 1% of budget. Finally, YTD Solid Waste revenues are YTD \$42,576, which is 1% of budget.

The County disburses property tax payments to public agencies in installments within a fiscal year. The District expects its first disbursement from the County of Marin in December and the second payment is expected in April.

#### QUARTERLY REPORTS

Attachment C reports that the District received Measure A disbursement of \$145,378.14 in FY23-24. Some of the major projects funded by Measure A funds last fiscal year were Community Center bathroom remodel (close to completion) and Community Center fence (Measure A funds were used for a small share of the total costs).

The Wastewater Services current Capital Improvement Projects (CIP) are being funded by the Certificates of Participation (COP) issued in October 2020. The total FY23-24 spending was \$1,655,386.89 towards various projects (see attachment D). Phase D is complete, while other projects are in the design and planning phase. Also, the new hydro-vactor truck was purchased using these funds.

#### FY2023-2024

The fiscal year 2023-2024 has been concluded. Attachment E provides a review of the fiscal operating budget. The table below compares the adopted budget and the yearend estimate (as of May 2024) to the actual yearend figures. The net operating revenues (surpluses) are transferred to capital funds for projects. Staff will provide more details at the meeting regarding the variances between yearend estimates and the actual yearend revenues and expenditures.

	Adopted Budget	Estimated	Actual Year
WASTEWATER	FY23-24	Year End	End FY23-24
Revenue	\$ 6,145,806	\$6,121,139	\$6,178,003
Expense	\$ 5,140,044	\$5,102,688	\$4,977,969

For Wastewater, actual expenditure was 2% lower than estimated year end, while revenues came in 1% higher than estimated year end.

	Ado	pted Budget	Estimated	Actual Year
SOLID WASTE	FY23-24		Year End	End FY23-24
Revenue	\$	2,828,290	\$2,970,980	\$3,041,338
Expense	\$	2,416,126	\$2,090,705	\$2,076,241

For Solid Waste, actual expenditure was 1% lower than estimated year end, while revenue came in 2% higher than estimated year end.

PARKS &	Adopted Budget	Estimated	Actual Year
RECREATION	FY23-24	Year End	End FY23-24
Revenue	\$ 1,239,585	\$1,299,136	\$1,331,255
Expense	\$ 1,155,132	\$1,131,982	\$1,141,048

For Parks & Recreation, actual expenditure was 2% higher than estimated year end, while revenue came in 2% higher than estimated year end.

TO: BOARD OF DIRECTORS

FROM: GARRETT TOY, TREASURER SARAH MEHTAR, FINANCE AND PROGRAMS MANAGER

#### SUBJECT: RECEIVE QUARTERLY TREASURER'S REPORT

#### RECOMMENDATION

Receive the Treasurer's report for the quarter ending June 30, 2024.

#### BACKGROUND

The California Government Code requires the Treasurer from all local agencies to file regular written reports to its legislative body on the status of their fund balances. Typically, agencies satisfy this requirement with a quarterly report on their investment portfolio. Ideally, the report should be submitted within 30 days following the end of the quarter covered by the report.

The TCSD report includes all investments managed by the District. Primarily cash is invested in an interest-bearing checking account with our primary banking institution, Wells Fargo. Additional cash is invested in the State Treasurer Local Agency Investment Fund (LAIF) to meet the liquidity needs of the District.

Resolution 2023-18 amended the policy of investment of District funds. Per which two-thirds of the investments were transferred from LAIF i.e., \$5,700,000, to Wells Fargo National Bank. The funds were then invested in the newly established Stagecoach Sweep Account in January 2024. Any new revenues received have also been invested in the Stagecoach Sweep Account.

#### DISCUSSION

As of June 30, 2024, TCSD had the following cash and investment balances:

Institution	Account		31-May-24	30-Jun-24
Wells Fargo	General Checking	\$	515,688.48	\$ 117,241.49
Wells Fargo	General Savings	\$	200,000.00	\$ 220,686.00
Wells Fargo	General Merchant Services	\$	10,742.71	\$ 14,939.81
Wells Fargo	Stagecoach Sweep	\$ 3	10,317,829.85	\$ 9,709,380.85
State of CA - LAIF	General Account	\$	2,963,250.89	\$ 2,963,250.89
	Total Balances	\$:	14,007,511.93	\$ 13,025,499.04

The district received \$33,434.37 in interest earnings from LAIF for the quarter ending 06/30/24 (Apr-Jun). The State of California Local Agency Investment Fund (LAIF) earned 4.55% as the quarterly apportionment rate for the quarter ending June 30, 2024. The LAIF interest rate for June 2024 was 4.480% which is 0.148 percentage points higher from the prior month and 1.487 percentage points higher from June 2023.

The total interest returns received from LAIF in the FY23-24 is \$249,959.65, the breakdown for which is provided below:

Quarter ending 03/31/24 = \$31,270.14 Quarter ending 12/31/23 = \$73,511.83 Quarter ending 09/30/23 = \$80,138.88 Quarter ending 06/30/23 = \$64,993.80

In the month of June, the 7-day simple yield was 5.18475% from the Wells Fargo Stagecoach Sweep Account. The district received \$38,522.04 in interest earnings for the month end of June. The total interest returns received from Wells Fargo Stagecoach Sweep account in the period of Jan – June 2024 is \$171,734.13.

### **ALLOCATION AND USE OF RESERVES**

TCSD policy is to maintain an operating reserve equal to 8 months of the annual operating budget. At year end, any "net" revenues received above expenditures go first to maintain the 8 month operating reserve requirement. Once the operating reserve standard is met, any net revenues are contributed capital reserves. The capital reserves then transfer funds to other reserves such as the vehicle and facility funds. The attached pie chart "Year End Approx. Allocation of Cash and Investment" shows that approximately 46% and 47% of the total \$13,025,000 in cash & investments are for operating and capital (includes vehicle fund) reserves, respectively. The allocation is based on the estimated beginning fund balances for operating and capital reserves as shown in the adopted FY24-25 budget.

The adopted FY24-25 operating and capital improvement budget includes five year projections for the use of capital reserves for all three departments. Over the five year period, capital reserves annually transfer funds to the vehicle and facility funds as well as capital improvement projects. Other than the Certificates of Participation (COPs) revenue that Wastewater uses to finance major capital improvements, TCSD operates on a "pay-as-go" basis. In other words, TCSD plans to pay for most of its future capital project using its reserves or "cash savings" inlieu of financing. The adopted Five Year Capital Improvement Program (CIP) lays out the schedule for capital improvements over the next five years. For example, over the next five years, Wastewater is projected to spend approximately \$7 million from its capital reserves on various capital improvements.

For your reference, attached are the Five Year Capital reserve projections from the adopted FY24-25 budget (pages 28-34).

### **FISCAL IMPACT**

The adopted FY23-24 budget conservatively estimated total interest earned at \$53,400. The year end estimate (as of May 2024) was \$350,000. The year end estimate was based on the establishment of the Wells Fargo Stagecoach Sweep account and higher LAIF interest rates. However, the year-end estimate did not factor in the receipt of property tax revenue in April

2024. This revenue was added to the Wells Fargo Sweep Account, which resulted in the actual total interest revenue in FY2023-24 coming in even higher at \$421,693.78.

#### THANK YOU FOR BANKING WITH WELLS FARGO.

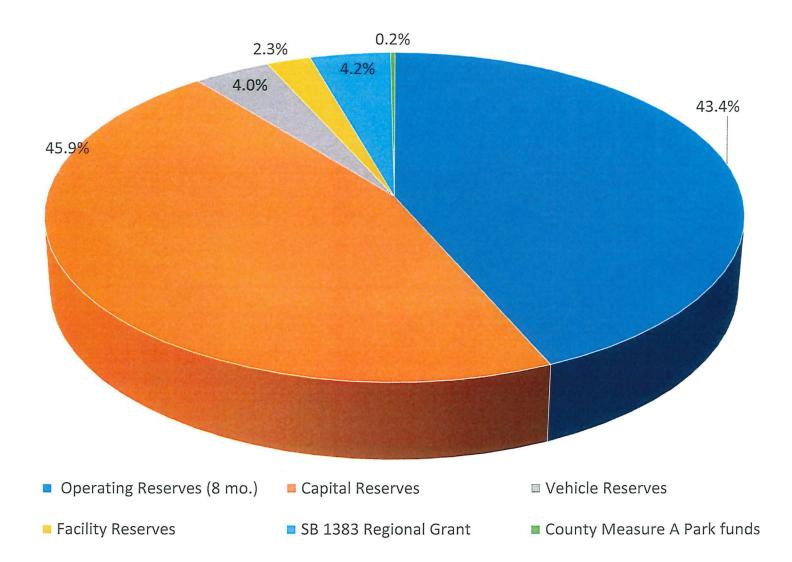

MONEY MARKET MUTUAL FUNDS (EACH, A "MAMF") ARE NOT FDIC INSURED, HAVE NO BANK GUARANTY AND MAY LOSE VALUE.

An Investment in a MMMF is not insured by the Federal Deposit Insurance Corporation or any other government agency. Although the MMMF's seek to preserve the value of customer's investment at \$1.00 per share, it is possible to lose money by investing in a MMMF.

Allspring Funds Management, LLC, a wholly owned subsidiary of Allspring Global Investments Holdings, LLC ("Allspring Global"), provides investment advisory and administrative services for the Allspring Funds?. Other subsidiaries of Allspring Global provide sub advisory and other services for the funds. The funds are distributed by Allspring Funds Distributor, LLC, Member FINRA/SIFC, a subsidiary of Allspring Global.

This material must be accompanied or preceded by a current prospectus for name of the Fund(s) selected. Please read the prospectus carefully before investing.

# **Capital Reserves**

Capital Reserves are funds designated for capital improvement projects. The Capital Reserves receive, if available, annual contributions from the Departmental Operating Budgets for projects. As a matter of financial process, the Capital Reserves transfer funds to other designated reserves for projects. These designated funds are reserved for specific capital uses by department and transfers funds to the Capital Improvement Program (CIP) as needed to fund projects. For example, the Wastewater Capital Reserve transfers \$380,000 to the CIP for projects such as emergency repair projects.

The following are the Capital Reserves by department:

#### <u>Wastewater</u>

- Capital Reserve
- Vehicle Replacement Fund
- Facility Fund

#### Solid Waste

- Capital Reserve
- Vehicle Replacement Fund
- Facility Fund

#### Parks & Recreation (P&R)

- Capital Reserve
- Vehicle Replacement Fund
- Facility Fund
- Park Facilities Fund (e.g., Kay, Eastwood)
- Park Development Fund

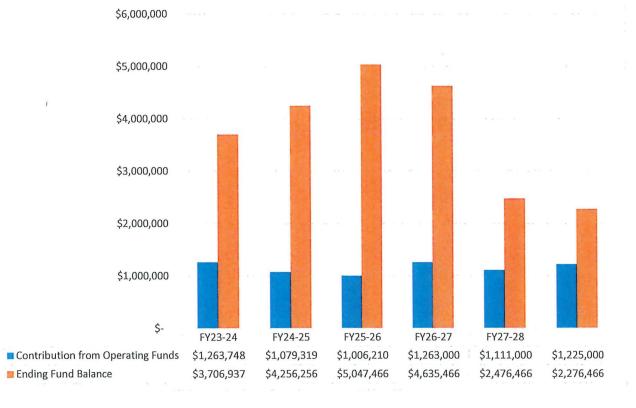

The Reserve Tables show:

- Beginning fund balance for Capital Reserves by Department
- Annual contributions (net surplus revenue) from Operating Funds by Department
- Transfers by department to other designated reserves such as the vehicle replacement and facilities funds
- Transfers to the Capital Improvement Program (CIP) budget
- Ending fund balance by Department which is reserved for new capital projects and/or for unforeseen or emergency capital expenses/projects.

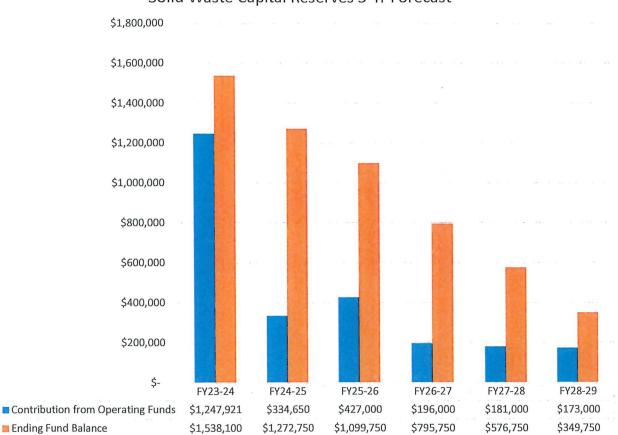

The creation of designated capital reserves, transfers to CIP projects, and 5-Yr CIP were all new budget features in FY23-24. The Proposed FY24-25 CIP budget continues to make significant transfers to fund projects. The Vehicle Replacement funds, Facility funds, and Park Facility fund for all departments are shown together on one page. Please note only the Vehicle Replacement Fund shows actual expenditures in the fund. The other funds such as the Facility Fund show "expenses" as transfers to the CIP. The Solid Waste Vehicle Fund reflects the payment of the 2 satellite refuse trucks approved by the Board in FY23-24, but will be paid for in FY24-25. In FY24-25, we are budgeting to purchase a new EV forklift to replace the current folk lift which is over 20 years old.

Agenda Item #5D

# TAMALPAIS COMMUNITY SERVICES DISTRICT Staff Report August 14, 2024

TO: BOARD OF DIRECTORS

FROM: SARAH MEHTAR, FINANCE AND PROGRAMS MANAGER

SUBJECT: APPROVE AGREEMENT WITH CROCE, SANGUINETTI, & VANDER VEEN FOR ANNUAL FINANCIAL AUDIT AND OTHER FINANCIAL SERVICES IN AN AMOUNT NOT-TO-EXCEED \$37,850

#### RECOMMENDATION

Authorize the General Manager to enter into an agreement with Croce, Sanguinetti, & Vander Veen for annual financial audit and other financial services in an amount not-to-exceed \$37,850.

#### DISCUSSION

TCSD, like all public agencies, is required to have an independent audit of its financial statements annually, and like all special districts, TCSD is required to file a special districts financial transactions report with the State Controller.

Each Year, TCSD financial staff works with a qualified auditor to review TCSD's financial documents and produce audited financial statements as required by the State of California, and in compliance with generally accepted accounting practices in the United States. TCSD's current auditor, Croce, Sanguinetti, & Vander Veen Inc. (CSV) has an excellent working knowledge of TCSD's financial statements, and the financial statements of Sausalito Marin City Sanitary District (SMCSD) based on having previously audited both districts.

The proposed \$37,850 amount includes \$36,750 for annual financial audit services and \$1,100 for the financial transactions report required by the State of California for each special district. No additional consulting services are needed this year. Last year, TCSD paid CSV approximately \$35,375 for TCSD's annual audit and financial transactions report. Pauline Saguinetti will continue to be the CSV audit partner. This is her fourth year as the partner in charge, which complies with the requirement to change audit partners after six continuous years.

#### **FISCAL IMPACT**

Up to \$37,850 to CSV for annual audit and related services. The FY24-25 operating budget has sufficient funds for the audit and related services.

#### ATTACHMENTS

CERTIFIED PUBLIC ACCOUNTANTS

July 31, 2024

Board of Directors and Ms. Sarah Mehtar, Finance Manager **Tamalpais Community Services District** 305 Bell Lane Mill Valley, California 94941

We are pleased to confirm our understanding of the services we are to provide the **Tamalpais Community Services District** for the year ended June 30, 2024.

#### Audit Scope and Objectives

We will audit the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information, and the disclosures, which collectively comprise the basic financial statements of the Tamalpais Community Services District as of and for the year ended June 30, 2024. Accounting standards generally accepted in the United States of America (GAAP) provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement Tamalpais **Community Services District's** basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to Tamalpais Community Services District's RSI in accordance with auditing standards generally accepted in the United States of America (GAAS). These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us the sufficient evidence to express an opinion or provide any assurance. The following RSI is required by GAAP and will be subjected to certain limited procedures, but will not be audited:

- 1. Management's Discussion and Analysis.
- 2. Budgetary Comparison Schedule Major Special Revenue Fund.
- 3. Schedule of the District's Proportionate Share of the Net Pension Liability.
- 4. Schedule of Contributions Pension Plan.
- 5. Schedule of Changes in the Total OPEB Liability and Related Ratios.

The objectives of our audit are to obtain reasonable assurance as to whether the financial statements as a whole are free from material misstatement, whether due to fraud or error; issue an auditor's report that includes our opinion about whether your financial statements are fairly presented, in all material respects, in conformity with GAAP. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted

in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements.

The objectives also include reporting on internal control over financial reporting and compliance with provisions of laws, regulations, contracts, and award agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.

#### Auditor's Responsibilities for the Audit of the Financial Statements

We will conduct our audit in accordance with GAAS and the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and will include tests of your accounting records of the **Tamalpais Community Services District** and other procedures we consider necessary to enable us to express such opinions. As part of an audit in accordance with GAAS and *Government Auditing Standards*, we exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the government or to acts by management or employees acting on behalf of the government. Because the determination of waste and abuse is subjective, *Government Auditing Standards* do not expect auditors to perform specific procedures to detect waste or abuse in financial audits nor do they expect auditors to provide reasonable assurance of detecting waste and abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements, or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting or misappropriation of assets that comes to our attention. We will also inform the appropriate level of management of laws or governmental regulations that come to our attention, unless clearly inconsequential. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the government's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include direct confirmation of cash and certain other assets and liabilities by correspondence with selected customers, creditors, and financial institutions. We may request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry.

Our audit of financial statements does not relieve you of your responsibilities.

#### Audit Procedures - Internal Control

We will obtain an understanding of the government and its environment, including the system of internal control, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinions. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to Government Auditing Standards. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. An audit is not designed to provide assurance on internal control or to identify deficiencies or material weaknesses. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards and Government Auditing Standards.

#### Audit Procedures - Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of **Tamalpais Community Services District's** compliance with the provisions of applicable laws, regulations, contracts, agreements, and grants. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

#### **Other Services**

We will also prepare standard, adjusting, or correcting journal entries and assist in preparing the financial statements of **Tamalpais Community Services District** in conformity with U.S. generally accepted accounting principles based on information provided by you. We will also prepare the Special Districts Financial Transactions Report of **Tamalpais Community Services District**. These nonaudit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. We will perform the services in accordance with applicable professional standards. The other services are limited to the services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

You agree to assume all management responsibilities relating to the financial statements and related notes and any other nonaudit services we provide. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements and related notes and that you have reviewed and approved the financial statements and related notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the nonaudit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

### **Responsibilities of Management for the Financial Statements**

Our audit will be conducted on the basis that you acknowledge and understand your responsibility for designing, implementing and maintaining effective internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, and for evaluating and monitoring ongoing activities to help ensure that appropriate goals and objectives are met; following laws and regulations; and ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles, for the preparation and fair presentation of the financial statements and all accompanying information in conformity with accounting principles generally accepted in the United States of America, and for compliance with applicable laws and regulations and the provisions of contracts and grant agreements.

Management is responsible for making drafts of financial statements, all financial records and related information available to us and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers). You are also responsible for providing us with access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; additional information that we may request for the purpose of the audit; and unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence. At the conclusion of our audit, we will require certain written representations from you about your responsibilities for the financial statements; compliance with laws, regulations, contracts, and grant agreements; and other responsibilities required by GAAS and *Government Auditing Standards*.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements of each opinion unit taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the government involving management, employees who have significant roles in internal control, and others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the

government received in communications from employees, former employees, regulators, or others. In addition, you are responsible for identifying and ensuring that the government complies with applicable laws, regulations, contracts, agreements, and grants and for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, or contracts or grant agreements that we report.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits or other studies related to the objectives discussed in the Audit Scope and Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or other studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions, for the report, and for the timing and format for providing that information.

With regard to using the auditor's report, you understand that you must obtain our prior written consent to reproduce or use our report in bond offering official statements or other documents.

With regard to publishing the financial statements on your website, you understand that websites are a means to distribute information and, therefore, we are not required to read the information contained in those sites or to consider the consistency of other information on the website with the original document.

#### **Engagement Administration, Fees, and Other**

Pauline Sanguinetti is the engagement partner and is responsible for supervising the engagement and signing the report or authorizing another individual to sign it. Our audit engagement ends on delivery of our audit report. Any follow-up services that might be required will be a separate, new engagement. The terms and conditions of that new engagement will be governed by a new, specific engagement letter for that service.

It is our policy to keep records related to this engagement for seven years. However, Croce, Sanguinetti, & Vander Veen, Inc. does not keep any original client records, so we will return those to you at the completion of the services rendered under this engagement. When records are returned to you, it is your responsibility to retain and protect your records for possible future use, including potential examination by government or regulatory agencies. By your signature below, you acknowledge and agree that upon the expiration of the seven-year period, Croce, Sanguinetti, & Vander Veen, Inc. shall be free to destroy our records related to this engagement.

We expect our fees for the audit services set forth in this letter for the fiscal year ended June 30, 2024 not to exceed \$36,750. Our invoices for the services outlined in this letter are payable on presentation. The fee estimate is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs.

You may request that we perform additional services not addressed in this engagement letter. If this occurs, we will communicate with you regarding the scope of the additional services and the estimated fees. We also may issue a separate engagement letter covering the additional services. In the absence of any other written communication from us documenting such additional services, our services will continue to be governed by the terms of this engagement letter. Our standard hourly rates vary according to the degree of responsibility involved and the experience level of the personnel assigned to perform the additional services. Our standard hourly rates range from \$230/hour for management to \$370/hour for partners.

In the event that the District requires a single audit due to the expenditure of federal funds, we will perform such an audit in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards* issued by the Comptroller General of the United States, the Single Audit Act Amendments of 1996, and the provisions of the Uniform Guidance. Services rendered in order to meet the aforementioned requirements will be billed to you separately.

Should any litigation or adverse action (such as audits by outside organizations and/or threatened litigation, etc.) by third parties arise against **Tamalpais Community Services District** or its officers subsequent to this engagement, which results in the subpoena of documents from Croce, Sanguinetti, & Vander Veen, Inc. and/or requires additional assistance from us to provide information, depositions, or testimony, **Tamalpais Community Services District** hereby agrees to compensate Croce, Sanguinetti, & Vander Veen, Inc. (at our standard hourly rates then in effect) for additional time charges and other costs (copies, travel, etc.) and to indemnify us for any attorney's fees to represent Croce, Sanguinetti, & Vander Veen, Inc.

If any dispute arises among the parties hereto, the parties agree to first try in good faith to settle the dispute by mediation administered by the American Arbitration Association or other organization under its applicable rules for resolving professional accounting and related services disputes before resorting to litigation. The costs of any mediation proceeding shall be shared equally by all parties.

### Reporting

We will issue a written report upon completion of our audit of **Tamalpais Community Services District's** financial statements. Our report will be addressed to those charged with governance of **Tamalpais Community Services District.** Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or withdraw from this engagement.

If circumstances occur related to the condition of your records, the availability of sufficient, appropriate audit evidence, or the existence of a significant risk of material misstatement of the financial statements caused by error, fraudulent financial reporting, or misappropriation of assets, which in our professional judgment prevent us from completing the audit or forming an opinion

on the financial statements, we retain the right to take any course of action permitted by professional standards, including declining to express an opinion or issue a report, or withdrawing from the engagement.

We will also provide a report (that does not include an opinion) on internal control related to the financial statements and compliance with the provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a material effect on the financial statements as required by *Government Auditing Standards*. The report on internal control and on compliance and other matters will state (1) that the purpose of the report is solely to describe the scope of testing of internal control and compliance, and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control on compliance, and (2) that the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The report will also state that the report is not suitable for any other purpose. If, during our audit, we become aware that **Tamalpais Community Services District** is subject to an audit requirement that is not encompassed in the terms of this engagement, we will communicate to management and those charged with governance that an audit in accordance with U.S. generally accepted auditing standards and the standards for financial audits contained in *Government Auditing Standards* may not satisfy the relevant legal, regulatory, or contractual requirements.

We appreciate the opportunity to be of service to **Tamalpais Community Services District** and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign where indicated and return it to us. A copy of this engagement letter is enclosed for your files.

Very truly yours,

Croce, Sarguinetti, & Vander Veen, Inc.

CROCE, SANGUINETTI, & VANDER VEEN, INC. Certified Public Accountants

July 31, 2024

Board of Directors and Ms. Sarah Mehtar, Finance Manager **Tamalpais Community Services District** 305 Bell Lane Mill Valley, California 94941

We are pleased to confirm our acceptance and understanding of the services we are to provide for **Tamalpais Community Services District** for the year ended June 30, 2024.

You have requested that we prepare the Special Districts Financial Transactions Report of **Tamalpais Community Services District** for the year ended June 30, 2024.

#### **Our Responsibilities**

The objective of our engagement is to prepare the Special Districts Financial Transactions Report in accordance with the requirements of the Controller of the State of California, which differ from accounting principles generally accepted in the United States of America. We will conduct our engagement in accordance with Statement on Standards for Accounting and Review Services (SSARS) promulgated by the Accounting and Review Services Committee of the AICPA and comply with the AICPA's Code of Professional Conduct, including the ethical principles of integrity, objectivity, professional competence, and due care.

We are not required to, and will not, verify the accuracy or completeness of the information you will provide to us for the engagement or otherwise gather evidence for the purpose of expressing an opinion or a conclusion. Accordingly, we will not express an opinion, a conclusion, nor provide any assurance on the Special Districts Financial Transactions Report.

Our engagement cannot be relied upon to identify or disclose any misstatements, including those caused by fraud or error, or to identify or disclose any wrongdoing within the entity or noncompliance with laws and regulations.

#### **Management Responsibilities**

The engagement to be performed is conducted on the basis that management acknowledges and understands that our role is to prepare the Special Districts Financial Transactions Report in accordance with the requirements of the Controller of the State of California. Management has the following overall responsibilities that are fundamental to our undertaking the engagement to prepare your Special Districts Financial Transactions Report in accordance with SSARS:

- a. The prevention and detection of fraud.
- b. To ensure that the entity complies with the laws and regulations applicable to its activities.

- c. The accuracy and completeness of the records, documents, explanations, and other information, including significant judgments, you provide to us for the engagement to prepare the Special Districts Financial Transactions Report.
- d. To provide us with:
  - i. Documentation, and other related information that is relevant to the preparation and presentation of the Special Districts Financial Transactions Report,
  - ii. Additional information that may be requested for the purpose of the preparation of the Special Districts Financial Transactions Report; and
  - iii. Unrestricted access to persons within **Tamalpais Community Services District** of whom we determine necessary to communicate.

As part of our engagement, we will issue a disclaimer that will state that the Special Districts Financial Transactions Report was not subjected to an audit, review, or compilation engagement by us and, accordingly, we do not express an opinion, conclusion, nor provide any assurance on them.

#### Other Relevant Information

Pauline Sanguinetti is responsible for supervising the engagement.

We expect our fees for the services set forth in this letter for the fiscal year ended June 30, 2024 not to exceed \$1,100. Our invoices for the services outlined in this letter are payable on presentation. The fee estimate is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the engagement. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs.

It is our policy to keep records related to this engagement for seven years. However, Croce, Sanguinetti, & Vander Veen, Inc. does not keep any original client records, so we will return those to you at the completion of the services rendered under this engagement. When records are returned to you, it is your responsibility to retain and protect your records for possible future use, including potential examination by government or regulatory agencies. By your signature below, you acknowledge and agree that upon the expiration of the seven-year period, Croce, Sanguinetti, & Vander Veen, Inc. shall be free to destroy our records related to this engagement.

Should any litigation or adverse action (such as audits by outside organizations and/or threatened litigation, etc.) by third parties arise against **Tamalpais Community Services District** or its officers subsequent to this engagement, which results in the subpoena of documents from Croce, Sanguinetti, & Vander Veen, Inc. and/or requires additional assistance from us to provide information, depositions, or testimony, **Tamalpais Community Services District** hereby agrees to compensate Croce, Sanguinetti, & Vander Veen, Inc. (at our standard hourly rates then in effect) for additional time charges and other costs (copies, travel, etc.) and to indemnify us for any attorney's fees to represent Croce, Sanguinetti, & Vander Veen, Inc.

If any dispute arises among the parties hereto, the parties agree to first try in good faith to settle the dispute by mediation administered by the American Arbitration Association or other organization under its applicable rules for professional accounting and related services disputes before resorting to litigation. The costs of any mediation proceeding shall be shared equally by all parties.

You agree to hold us harmless and to release, indemnify, and defend us from any liability or costs, including attorney's fees, resulting from management's knowing misrepresentations to us.

We appreciate the opportunity to be of service to **Tamalpais Community Services District** and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign where indicated and return it to us. A copy of this engagement letter is enclosed for your files.

Very truly yours,

Croce, Sarguinetti, & Vander Veen, Inc.

Agenda Item #5E

# TAMALPAIS COMMUNITY SERVICES DISTRICT Staff Report August 14, 2024

TO: BOARD OF DIRECTORS

FROM: GARRETT TOY, GENERAL MANAGER

SUBJECT: ADOPT RESOLUTION UPDATING THE DISTRICT'S CONFLICT OF INTEREST CODE TO REFLECT NEW POSITION TITLES AND THE CREATION OF THE PARKS & RECREATION COMMISSION

### RECOMMENDATION

Adopt Resolution 2024-19 updating the District's Conflict of Interest Code.

### BACKGROUND

The Political Reform Act of 1974 (the "Act") requires every state and local government agency to adopt a Conflict-of-Interest Code, which compels most state and local public officials and employees to disclose certain personal financial holdings so as to prevent public decision makers from participating in government decisions in which they have a personal financial stake.

Designated officials and employees are required to file "Statements of Economic Interests" (i.e. "Form 700"), which is a public document intended to alert public officials, employees and members of the public to the types of financial interests that may create conflicts of interest. The Act requires agencies to amend their Conflict-of-Interest Codes when a revision is necessary to address changed circumstances, such as the creation of new positions and changes in the duties assigned to existing positions.

### DISCUSSION

The District's last update to the Conflict of Interest Code was in 2022. in 2022, the District adopted Resolution No. 2022-04 which amended Resolution 2012-05 and adopted and incorporated by reference the provisions of Section 18730 of Title 2 of the California Code of Regulations and any amendments to it duly adopted by the Fair Political Practices Commission and, along with Appendix A designating positions and Appendix B establishing disclosure categories, shall constitute the Conflict of Interest Code of the District.

As you may recall, the State Political Reform Act requires every local government agency to review its Conflict of Interest Code every two years. The Marin County Board of Supervisors (County), as the Code reviewing body for the District, is charged with the responsibility of approving any changes to TCSD's Conflict of Interest Code.

In the attached 2024 Biennial Letter, the County requests TCSD to submit to the County Board of Supervisors the 2024 Local Agency Biennial Notice indicating whether an amendment to our Conflict of Interest Code is necessary or no revisions are needed.

Staff has determined it is necessary to amend the current list of designated positions. The updates are needed to reflect the change in titles for the Events and Communication Coordinator and Operations Superintendent. We also added members of the Parks & Recreation Commission because they do make budgetary/expenditure recommendations to the Board. The resolution also substitutes the General Manager for the Board President to determine if a consultant is required to meet the disclosure requirements.

All the above revisions are reflected in "Appendix A" to the resolution. There are no revisions to Appendix B "Disclosure Categories."

### **RESOLUTION NO. 2024-19**

### RESOLUTION OF THE BOARD OF DIRECTORS OF THE TAMALPAIS COMMUNITY SERVICES DISTRICT UPDATING THE CONFLICT OF INTEREST CODE PURSUANT TO THE POLITICAL REFORM ACT OF 1974.

WHEREAS, the Political Reform Act of 1974, Government Code Sections 81000, *et seq.*, requires every state and local government agency to adopt a Conflict of Interest Code applicable to employees or consultants holding designated positions and public officials within the jurisdiction of the local agency; and

WHEREAS, the Fair Political Practices Commission has adopted a regulation; Title 2, Division 6 of the California Code of Regulations, Section 18730; which contains the terms of a standard model Conflict of Interest Code, which may be amended by the Fair Political Practices Commission after public notice and hearings to conform to the amendments to the Political Reform Act, which can be incorporated by reference by local agencies as their own Conflict of Interest Code; and

**WHEREAS**, the Tamalpais Community Services District ("District") adopted Resolution 2002-07 which adopted a Conflict of Interest Code; and

WHEREAS, the District repealed Resolution 2002-07 and adopted Resolution 2008-07 adopting the Conflict of Interest Code which was subsequently amended by Resolution 2012-05; and

WHEREAS, in 2022, the District adopted Resolution No. 2022-04 which amended Resolution 2012-05 and adopted and incorporated by reference the provisions of Section 18730 of Title 2 of the California Code of Regulations and any amendments to it duly adopted by the Fair Political Practices Commission and, along with Appendix A designating positions and Appendix B establishing disclosure categories, shall constitute the Conflict of Interest Code of the District; and

WHEREAS, the Act requires most state and local public officials and employees to disclose certain personal financial holdings so as to prevent public decision makers from participating in government decisions in which they have a personal, financial stake; and WHEREAS, the Act requires that each state and local government agency designate the employee positions within that agency "which involve the making or participation in the making of decisions which may foreseeably have a material effect on any financial interest" of the employee. (California Government Code, Section 87302(a).); and

WHEREAS, Appendix A of Resolution No. 2022-04 amended the listed designated employees subject to the Conflict of Interest code (listed as "designated filers") and Appendix B of Resolution No. 2022-04 (attached as Exhibit "B" for reference) identified the specific financial interests that would be reportable; and

**WHEREAS**, the Act requires agencies to amend their Conflict of Interest Codes when a revision is necessary to address changed circumstances, such as the creation of new positions and changes in the duties assigned to existing positions; and

WHEREAS, the Act also requires the submission of a revised Conflict of Interest Code for approval by the code-reviewing body (County of Marin) and requires biennial code review and notification to said body, even if no changes are necessary, pursuant to Government Code Section 87306.5; and

**WHEREAS**, it is currently necessary to amend the current list of designated positions of the District's Code to reflect new titles for existing positions and the creation of the Parks and Recreation Commission.

### NOW, THEREFORE, BE IT RESOLVED, THAT:

1) Appendix A of the District's Conflict of Interest Code, as adopted by Resolution 2022-04, is hereby amended and replaced in its entirety by the attached "Exhibit A: Appendix A" and incorporated into the District's Conflict of Interest by reference.

2) The General Manager is authorized to do everything necessary and appropriate to comply with Marin County's Biennial Notice requirements.

### APPENDIX A

Designated Positions	Disclosure Category
Members of the Board	1
General Manager	1
Assistant General Manager	1
Programs and Finance Manager	1
Events and Communications Coordinator	1
Operations Superintendent	1
Members of the Parks and Recreation Commission	1
Consultant*	1

\*Consultants for the purposes of the Conflict of Interest Code are defined as individuals that provide, under contract, information or advice to the District that may entail participation in the making of decisions, recommendations or counsel to District, and which may foreseeably have a material effect on any financial interest of the consultant. Consultants, as defined above, shall be included on the list of designated employees and shall disclose pursuant to the broadest disclosure category in the code subject to the following:

The General Manager or his/her designee may determine in writing that a particular consultant, although in a "designated position" is hired to perform a range of duties that is limited in scope and thus not required to fully comply with the disclosure requirements described in this code. Such written determination shall include a description of the consultant's duties and based upon that description, a statement of the extent of the disclosure requirements. The General Manager's determination is a public record and shall be retained for public inspection in the same manner and location as this conflict of interest code.

### APPENDIX B

### **Disclosure Categories**

Individuals holding designated positions must report their interests according to the following corresponding disclosure category(ies) to which their position has been assigned.

### **Disclosure Category 1**

Interests in real property located within the District or within two miles of the boundaries of the District or within two miles of any land owned or used by the District; and investments and business positions in business entities, and income, including loans, gifts, and travel payments.

### **Disclosure Category 2**

Interest in real property located within the District or within two miles of the boundaries of the District or within two miles of any land owned or used by the District.

### **Disclosure Category 3**

Investments and business positions in business entities, and income, including loans, gifts, and travel payments, from sources that provide services, supplies, materials, machinery, or equipment of the type utilized by the District.

### **Disclosure Category 4**

Investments and business positions in business entities, and income, including loans, gifts, and travel payments, from sources that provide services, supplies, materials, machinery, or equipment of the type utilized by the department or division to which the designated employee is assigned duties.

### **Disclosure Category 5**

Investments and business positions in business entities, and income, including loans, gift, and travel payments, from sources that filed a claim against the District during the previous two years, or have a claim pending.

### **Disclosure Category 6**

Investments and business positions in business entities, and income, including loans, gifts, and travel payments, from sources that are of the type to request an entitlement to use District property or facilities.

Re: REMINDER: 2024 Biennial Notice – Conflict of Interest Code

As you may recall, the State Political Reform Act requires all public agencies to adopt a Conflict of Interest Code. The Code designates positions required to file Statement of Economic Interests (Form 700) and assigns disclosure categories specifying the types of interests to be reported Every local government agency is required to review its Conflict of Interest Code every two years. The County Board of Supervisors, as the Code reviewing body for your agency, is charged with the responsibility of approving any changes to your Conflict of Interest Code.

No later than **October 1, 2024,** your agency must submit to the County Board of Supervisors the <u>2024 Local Agency Biennial Notice</u> indicating whether an amendment to your Conflict of Interest Code is necessary. Even if your Code needs no changes State law requires that you submit the enclosed notice stating that no changes to your Code are necessary.

If you need any assistance with reviewing your Code or completing the Notice, please call the Fair Political Practices Commission (FPPC) toll-free at 1-866-275-3772. (Forms and other information may be obtained from <a href="https://www.fppc.ca.gov">www.fppc.ca.gov</a> including the links below.)

Thank you in advance for your immediate attention to this matter.

Kindest regards,

/S/ Marie Banas

Marie Banas Deputy Clerk of the Board

Agenda Item #5F

# TAMALPAIS COMMUNITY SERVICES DISTRICT Staff Report August 14, 2024

TO: BOARD OF DIRECTORS

FROM: GARRETT TOY, GENERAL MANAGER

SUBJECT: REVIEW AND CONTINUE EMERGENCY ACTIONS AUTHORIZING THE GENERAL MANAGER TO CONTRACT FOR EMERGENCY REPAIR OF SEWER LINE DAMAGED BY FALLING TREES (APPROX. LOCATION: 354 PINE HILL ROAD)

### RECOMMENDATION

Continue emergency actions and authority to repair the damaged sewer line located at 354 Pine Hill Rd (approx. location).

### DISCUSSION

At its April 10<sup>,</sup> 2024, the Board adopted a resolution declaring an emergency pursuant to TCSD purchasing policies and Public Contract Code §20806 for emergency repairs to sewer main at approximately 1235 Lattie Lane and 354 Pine Hill Road. The declaration of an emergency authorizes the General Manager to contract for emergency repairs without giving notice to bid contracts. However, the Board is required to review the action at each subsequent regular meeting to determine if the emergency action should continue or be terminated.

Staff reported at the Board's June 12, 2024 meeting that the Lattie Lane sewer line no longer requires emergency action. We are monitoring the pipeline to ensure that the pipe remains stable. We have been reporting at each regular Board meeting that the Pine Hill Rd. location does require the continuation of emergency action and authority.

### Pine Hill Rd.

On April 2<sup>nd</sup>, staff discovered trees had fallen on the sewer main line at approximately 354 Pine Hill Rd. (see pictures below) The Pine Hill Rd. sewer line spans a drainage channel. The trees have been removed along with vegetation that had grown over/on top of the pipe. The engineer believes this situation is much more precarious than Lattie Lane because of its current condition. The inspection revealed that: a) the pipe currently spans the full 60+ feet without any mid-pipe support which far exceeds what a crossing of this type should span. The pipe is over 25 years old and most likely the bank erosion over that time has increased the span width, b) the protective coating material on the bottom of the pipe has eroded and the pipe displays significant signs of corrosion, and c) the existing upstream manhole has a significant crack in the bottom due to pipe stress and is tilting. Again, bank erosion over time has exposed the manhole The repair work will be complicated because there are three existing utility pipes (e.g., gas, water) immediately next to and under the sewer pipe.

The Pine Hill repair will also be very difficult and complex due to the steepness of the topography. Nute Engineering has prepared the topographical survey needed for developing a plan for repair. Nute Engineering continues to reach out to contactors to discuss their availability and interest in this project. The pipeline's condition requires the continuation of this emergency action and authority.

### FISCAL IMPACT

The adopted FY24-25 CIP budget has a new on-going project called "Sewer Pipeline Emergency Repair Project." The emergency repair for Pine Hill is included in this budget. The preliminary estimate is \$200,000 for construction.

Agenda Item # 6A

# TAMALPAIS COMMUNITY SERVICES DISTRICT Staff Report Board Meeting August 14, 2024

TO:

BOARD OF DIRECTORS

FROM: GARRETT TOY, GENERAL MANAGER

SUBJECT: GENERAL MANAGER'S REPORT FOR JULY INCLUDING TENTATIVE EVENT SCHEDULE THROUGH DECEMBER

### RECOMMENDATION

Receive and discuss the July 2024 General Manager's report.

### DISCUSSION

### Wastewater Statistics and Work

- June flow through Bell Lane Pump Station: 7,444,900 gallons
- June flow through Bob Bunce Pump Station: 117,635 gallons
- Rain: 0 total inches
- Sewer Spill(s): 0
- Lateral Inspections 2024 ytd: 77 (incl. 19 CIP CCTVs in Phase D)

### Solid Waste Statistics and Work

- The new solid waste driver starts work in August.
- Staff held the "kick-off" meeting for the SB1383 Regional Grant with the other six special districts.

### SOLID WASTE CALLS FOR SERVICE 2024

	Month						
TYPE OF SERVICE	Jan	Feb	March	April	May	June	July

### Parks & Recreation

- July 12<sup>th</sup> and 26<sup>th</sup> were Creekside Friday events. We'll have the all the expense and revenue data compiled for the September Board meeting.
- July 24 was the second event of the Speaker Series at the Community Center.
- PARC met on July 19<sup>th</sup>. The next PARC meeting was August 8<sup>th</sup>.
- The vacant PARC commissioner position has been posted on the website and noticed in the newsletter. Applications are due August 30<sup>th</sup>.
- A new irrigation controller was installed in Kay Park as well as a new entry fence at the Ross Drive entrance.
- Staff did start making repairs to picnic tables. As a pilot program, we are replacing the dilapidated wood on the existing metal frames of picnic tables with new sealed, redwood planks. See examples of before and after photos.

- Attached is the revised schedule of events for 2024 prepared at the request of PARC.

### **Administration**

- Staff signed a CSDA (California Special District Association) letter supporting federal legislation to recognize special districts as local government agencies for the purpose of applying for Federal grants.
- Attached is the follow-up email from Marin County Flood Control District staff responding to questions raised during the Flood Zone 3 update presentation at the July 10<sup>th</sup> Board meeting.

### ATTACHMENT

- A. Event Schedule
- B. Email from County Flood Control District w/letter

# Emailed received on 7/24/24

# Hi Garrett,

This email is to follow up on items brought up at the 7/10/24 Tamalpais CSD meeting, where I presented a Flood Zone 3 update. Below are the issues that were brought up followed by the District's response.

- 1. Debris issues at Crest Marin Pump Station
  - The intake at Crest Marin Pump Station is maintained for debris clogging in the following ways:
    - Winter Preparedness every summer District Staff walk Crest Marin Creek to determine if there is any debris that could clog flow or illegal dumping. The Conservation Corps North Bay addresses these issues before the rainy season starts.
    - Before, during, and/or after major storms the Conservation Corps North Bay visits hundreds of "Storm Patrol Sites" around the County, including the trash rack at the end of Crest Marin Creek. Provided the situation is safe, they remove any debris that accumulates on the trash rack.
    - There is an additional trash rack at the entry to the pump station across Flamingo Road. This trash rack is checked multiple times during storms by the County Facilities maintenance staff. They clean it if there is debris accumulated.
  - We will work with maintenance staff to increase the frequency that the trash rack at the end of Crest Marin Creek is checked in on to the extent possible, however resources can be spread very thin during storms.
- 2. Consider duckbills or flap valves for tidal storm drain outfalls. Not all have this.
  - Stormdrain outfalls in Kay Park to tidal creeks typically need to have flap gates or some other type of valve to minimize tidal flooding. These flap gates are inspected annually in September. They all had tide gates going into last winter. If any have fallen off or need to be fixed, we will replace it. It can sometimes *appear* from the landside that pipelines don't have tide gates for one of two reasons:

1) they may get something stuck in them or otherwise have an issue that causes them not to close all the way,

2) or the water level at the outfall may be too high for stormwater to drain so it accumulates in the pipe. Differential settlement along the pipeline may also cause stormwater to accumulate in portions of pipes.

- 3. Marin Avenue experiences flooding from Bay. Marin Avenue sandbags should be made permanent. Include in Crest Marin PS RFP?
  - As part of the Crest Marin Pump Station design, the District will consider a permanent floodwall to replace the temporary sandbags at the inlet of the Marin Ave culvert on Nyhan Creek. Consideration will be made for proper conveyance of street runoff, as we do not want a permanent floodwall/curb to act as a barrier and exacerbate flooding during storms.
- 4. Concerned about placing powerpole on CSD parking entrance due to aesthetics. Better across the street. Suggest looking at powerpole location as part of Crest Marin PS Rehab design contract and include in RFP.
  - The District has thoroughly evaluated placing the PG&E tower on the flood district property at Crest Marin Pump Station. It has been determined that this is not feasible,

per evaluations performed over the last 2 years. A summary of this evaluation is attached.

- 5. Enterprise bridge has sediment buildup.
  - Sediment was removed from this segment of channel as recently as 2022, and 2019 prior to that. The tributary watershed naturally produces sediment and so the channel requires periodic maintenance. This work is regulated by environmental protection agencies which limit the District to working in 6,000 linear feet of creek (of 40 miles of creek) Countywide. Nyhan Creek is evaluated every April to determine if it is a high priority for sediment removal each summer given the limited amount of work allowed each year. Typically, it rises to the highest priority every three years, so tentatively 2025.
- 6. Send Manzanita study
  - This study has been provided via email.

Best Regards,

Judd Goodman | Marin County Flood Control & Water Conservation District | (415) 473-6680

Brandon Liddell, Principal Land Planner

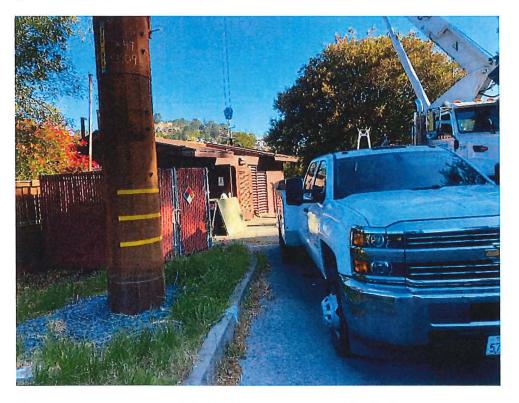

Pacific Gas & Electric Company 300 Lakeside Dr, Oakland, CA 94612

SUBJECT: PG&E IAS 13/94 Project- Request for MCFC&WCD input on permanent structure location

Dear Mr. Liddell,

May 30, 2024

On May 20, 2024 you requested a letter from the Marin County Flood Control & Water Conservation District (MDFC&WCD) explaining why a permanent transmission tower is infeasible where the current temporary pole is located (pictured below) due to future plans for this area.

It's important to understand that MCFC&WCD owns this site for operation of a stormwater pump station which is the only way to drain Crest Marin Creek out of the community and prevent what would otherwise be regular flooding. This station was built in 1978 and is at the end of its expected 30-50-year useful life. As a result, parts fail frequently, and replacements are increasingly difficult to find. In 2023 a condition assessment for this pump station was completed and the Flood Zone 3 Advisory Board decided to proceed with design of a pump station rehabilitation and upgrade project to be constructed in the next few years.

Page 2 of 2

This rehabilitation and upgrade project is recommended to include, among many other things, a large generator to power the whole station should the power go out as frequently happens in major storms. This generator will substantially increase the footprint of the station on this already constrained site. As shown in the photo provided, approximately annually, a crane has to come to the site to remove the roof temporarily and pull out a pump for servicing. There would not be room for the vehicles needed for this maintenance, and a generator, and a transmission tower with a 12-foot-wide foundation.

Additionally, the necessary foundation for a permanent pole, which includes 65-footdeep piles, would affect underground utilities in the immediate vicinity, such as storm drains. It could also cause a dangerous situation with construction equipment with large turning radii coming through such a narrow area, as well as potential for arc flash due to steel pipes and reinforcement needed for the pump station rehabilitation and upgrade project.

We understand this transmission tower is critically important to the local community as well as much of Southern Marin and want to ensure the permanent tower is located as safely as possible.

Respectfully submitted,

Hannah Lee

Hannah F. Lee, PE, Senior Civil Engineer Marin County Flood Control & Water Conservation District Date: July 18, 2024

To: Steffen and Garrett,

RE: July 18, 2024 SASM Meeting

I attended the SASM Meeting on July 18, 2024, at the SASM conference room.

### ATTENDANCE

SASM Commissioners were present: Lew Kious, president of the SASM board (Almonte Sanitary District), Jim Jacobs (Tamalpais Community Services District), Stephen Burke, (City of Mill Valley), Todd Gates (Alto Sanitary District), and Al Leibof (Homestead Valley Sanitary District) attended the meeting. Peter McIntosh (Richardson Bay Sanitary District) was absent. A quorum was present.

SASM Staff: Mark Grushayev, Director of the Wastewater Treatment Plant was present. Brian Exberger, SASM Chief Treatment Plant Operator, Andrew Poster, P.E., City Engineer and Director of Public Works and Todd Cusimano, City Manager for the City of Mill Valley were not present.

Bonner Buehler, Manager for Homestead Valley, was in the audience for the public meeting, starting at 6 pm.

### CLOSED SESSION

Prior to the regular public meeting, the SASM commissioners met with counsel via a Zoom call regarding ongoing litigation. We listened to the updates. There is nothing to report.

### **BUSINESS SESSION**

The minutes and manager notes were reviewed and approved.

The case of the missing trash can: Lew Kious noted that the trash can on Hawk Hill Park was missing and asked me if TCSD knew anything about it. I said Garret or Alan would get back to him on the missing can.

### NEXT SASM MEETING

The next SASM meeting is August 15, 2024, at 6:00 pm in the SASM conference room at the SASM plant. I will not be able to attend the meeting. Please find another TCSD board member to attend the meeting, if possible.

Sincerely,

Jim Jacobs TCSD Representative

### SMCSD Board of Directors Meeting August 6, 2024

I attended the SMCSD Board of Directors Meeting on August 6, 2024 at noon.

### The Board:

1.Conducted a closed session with labor negotiators re: operating engineers union local 3.

2. Adopted resolution approving base salary schedules for Unrepresented Employees effective July 1. COLA increase of 3.3%.

3. Authorized purchase of new electric Ford F150 for \$75,000. Meets new Advanced Clean Fleet regulations.

### GM Report:

- 1. No high flows, overflows or blending events.
- 2. Installed new ATS at Princess Pump Station.
- 3. Completed maintenance on sedimentation tanks.
- 4. Completed annual diesel fuel testing,
- 5. Projects:

a. Beach Force Main bid. TCSD flow meter included in this bid. Timing up to approvals by City of Sausalito.

b. Primary digester heating system: to be replaced entirely.

Steve Levine 8/6/24

### 4. REGULAR BUSINESS: Board Actions

A. The Board held a joint meeting with the Parks & Recreation Commission (PARC) to discuss mission, goals & priorities, workplans, parks and facilities, policies/regulations, projects, programs/events/activities, and other issues of mutual interest.

The Board shared their observations of PARC's work to date, and affirmed PARC's current

direction. The Board is very pleased with PARC's progress and results.

The Board sees PARC's role to work self-sufficiently and functions as an initiator rather than simply responding to the Board. The Board would like to see PARC focus on the parks allowing the Board to focus on sanitation and refuse responsibilities. The Board appreciates PARC's willingness to develop and present new ideas, and sees PARC as one of several conduits of communication with the community.

The Board appreciated PARC's desire for more frequent communication between the two bodies, and recommended that PARC make a monthly in-person report to the Board. There appeared to be agreement that calendaring an annual joint session would be valuable, and that additional, joint special meetings can be arranged should the need arise.

The Board was enthusiastic about the potential for PARC to develop recommendations for programs as well as hybrid program/operational items such as a Firewise demonstration garden, a gray-water system demonstration, and other uses of the TCSD "campus" for sustainability demonstrations.

There was a discussion of the master planning process of the Tam Valley Community Center. The Board would like PARC to be involved with the Community Center master planning process to provide ideas and shared vision.

The Board talked about the predictability of the Commission's meeting schedule is important. Meeting should take place on the same day of the month and not be dependent on the availability of all five Commissioners.

Public comments:

- Tam Valley resident had a question about the survey and methodology, and how to get the results.
- There were also comments about sustainability-oriented opportunities as part of master planning, as well as the importance of engaging all stakeholders at the beginning of the master planning process and not later down the road.

### 5. ADJOURNMENT

THE MEETING WAS ADJOURNED AT 6:57 PM

Approved by Board on: \_\_\_\_\_

Agenda Item #7B

# TAMALPAIS COMMUNITY SERVICES DISTRICT

305 Bell Lane, Mill Valley, CA 94941 § 415.388.6393 § Fax: 415.388.4168 info@tamcsd.org § www.tamcsd.org

### **TCSD BOARD OF DIRECTORS REGULAR MEETING**

**MINUTES** 

### WEDNESDAY, JULY 10, 2024, AT 7:00 P.M.

### 1. CALL TO ORDER

The Tamalpais Community Services District Board of Directors meeting was called to order by President Bartschat at 7:05 pm on Wednesday, July 10, 2024.

### 2. ROLL CALL

President Steffen Bartschat

Vice president Matt McMahon, Directors Jeff Brown, Jim Jacobs, Steve Levine Staff Present: General Manager (GM), Garrett Toy; Assistant General Manager (AGM), Alan Shear; TCSD Clerk, Natalie Callahan

Others present: Judd Goodman, PE Senior Civil Engineer, Marin County Flood Control; Jennifer Imbimbo, District Aide to Marin County Supervisor.

### 3. APPROVE AGENDA

MOTION TO APPROVE AGENDA M/S: S. LEVINE/ J. BROWN AYES: 5 (S. BARTSCHAT, M. McMAHON, J. BROWN, J. JACOBS, S. LEVINE) NAYS: 0 ABSENT: 0

### 4. PUBLIC EXPRESSION

President Bartschat invited public expression on non-agenda items, in response to which there was the following:

Tam Valley resident expressed his positive thoughts on continuing to allow dogs at Eastwood Park.

### 5. REGULAR BUSINESS: Board Actions

A. Judd Goodman, Senior Civil Engineer with Marin County Flood Control, gave a presentation on upcoming projects and maintenance activities affecting Tam Valley (Zone 3).

Mr. Goodman shared with the Board the Flood Control District Mission:

- Reduce flood risk to life and property
- Enhance creeks, wetlands and bays
- Plan, design, construct, operate, and maintain the district's flood infrastructure
- Work with citizen groups and other County teams, municipalities, and local/regional agencies

Mr. Goodman also shared how residents can help:

- Inspect and clear your driveway culvert and drainage
- Reduce debris that reaches the street
- Place green waste in the compost

Mr. Goodman went over the three different project types below:

### Maintenance:

- Pump Station Maintenance: Regular maintenance for all pump stations occurs annually.
- Major maintenance on 6-year interval: Crest Maring Pump Station and Seminary Dr Pump Station
- Creek and Levee Maintenance: vegetation, levees, tide gates, Coyote Creek inspection, sediment removal

### Capital Improvement Plan (Zone 3):

- Crest Marin Pump Station Rehabilitation: Design & Permitting will start in late 2024 and construction will be in 2027. The estimated cost is \$4.6 million
- Cardinal Levee Seepage Mititgation: Replacing 1,100 ft of levee on Coyote Creek mainly due to seepage issues due to rodents. Design and Permitting will be late 2024 and construction in 2026. The estimated cost is \$3.3 Million.
- Coyote Creek to Bothin Marsh Dredge: Limited creek dredging to increase freeboard, raise marsh for sea level rise. On hold pending funding.

### Studies and Master Plans:

• Tamalpais Valley Interior Drainage Study: Reduce risk in low lying neighborhoods, improve delivery of runoff to 3 pump stations, evaluate pump station sizing and operations. Schedule – summer 2024. Cost – Flood control staff time.

Mr. Goodman also discussed climate change and seal level rise.

Mr. Goodman discussed the power pole at Crest Marin Pump Station. He shared with the

Board the following:

- Current temporary pole is infeasible
- Large generator will increase footprint
- No room for service truck
- Permanent pole would interfere with utilities
- Seeking safe permanent tower location with PG&E

The Board asked Flood Control District to please research more options to accommodate the power pole at Crest Marin Pump Station.

There was no public comment.

B. Discussed / consider additional contingency reserve of \$15,000 for the Corporation Yard Shop Improvements (restroom & shower improvements) Project.

Assistant GM Shear gave a brief update on the project. He shared with the Board that during demolition of the previous shower and bathroom to build the kitchenette, it was discovered the rear wall had significant termite and water damage requiring removal and replacement of the entire wall. The cost of this change order has caused the project to exceed (by approx. \$2,000) the pervious contingency reserve of \$20,000. Staff believes it would be prudent to increase the contingency for other unforeseen field conditions. Asst. GM Shear indicated that a change order is forthcoming to level the uneven flooring in the kitchenette area. There is another pending project cost to replace rotted wood beams under the eaves. Staff believes that this additional \$15,000 will be more than sufficient to cover these costs.

Asst. GM Shear stated he expects the contractor to complete the remodel project by the end of July 2024.

The Board discussed and asked questions of staff. Public comment: A Tam Valley resident commented on his concern with the cost to remove and replace the damaged exterior wall.

MOTION TO ADOPT RESOLUTION APPROVING AN ADDITIONAL CONTINGENCY RESERVE OF \$15,000 FOR THE CORPORATION YARD SHOP IMPROVEMENTS (RESTROOM & SHOWER IMPROVEMENTS) PROJECT. M/S: J. JACOBS / J. BROWN AYES: 5 (S. BARTSCHAT, M. McMAHON, J. BROWN, J. JACOBS, S. LEVINE) NAYS: 0 ABSENT: 0

C. Discussed / consider a new TCSD instructor cost sharing policy of 70/30 for TCSD facilities and 75/25 for tennis & pickleball lessons.

GM Toy shared with the Board that the current TCSD instructor revenue sharing policy is 65/35. Pickleball of Marin has recently undergone some operational changes and one of their pervious instructors would like to contract directly with the District. She has indicated that that the current 65/35 split would be difficult for her to make any profit. She has requested an 80/20 split. The staff contacted other communities in Marin to find out what their cost-sharing policy was. Their findings were the average instructor split is 70/30. Staff believes a 70/30 split is reasonable and it would apply to all instructors and programs at the TCSD buildings such as the Cabin and Community Center. However, staff recommended a 75/25 split for tennis and pickleball lessons.

GM Toy shared the 10% difference (between 35% and 25%) ranges from \$1,435-\$2,450/yr. He shared that while it is significant in terms of lesson revenue; it is possible that the reduced rate could encourage more compliance with lessons on the courts which would offset a portion of the revenue.

The Board discussed and asked questions of the staff. There was no public comment.

MOTION TO APROVE A NEW TCSD COST SHARING POLICY OF 70/30 FOR TCSD FACILITIES AND 75/25 FOR TENNIS & PICKLEBALL LESSONS. M/S: S. LEVINE / J. BROWN AYES: 5 (S. BARTSCHAT, M. McMAHON, J. BROWN, J. JACOBS, S. LEVINE) NAYS: 0 ABSENT: 0

D. Received /discussed status update on adopted TCSD goals/priorities for 2024.

GM Toy gave the Board an updated report on the ten adopted TCSD goals for 2024 (see below).

- 1. Community Survey: Survey was completed in April 2024. The survey went well, and the Board indicated no follow-up actions were needed.
- 2. Develop masterplan for the Tam Valley Community Center: Staff is speaking with a local landscape architect to obtain his input on the process. Staff anticipates having a recommended process for Board approval by August 2024.
- 3. Evaluate the feasibility of acquiring the Cabin property from the County of Marin: Staff is in discussion with Marin County Parks. Staff has requested a proposal from an architect to prepare a conceptual design and cost estimate for improvements needed to make the Cabin accessible. The cos estimate is needed for the County and TCSD to better understand the total cost of rehabilitation.

- 4. Adopt Emergency Operations Plan: Staff have reached out to other agencies for copies of their plans. Staff anticipate having a draft plan for the Board to review by the end of the year.
- Provide clear mission/priorities to the Parks & Recreation Commission (PARC): The Board and Parks & Recreation Commission had a joint special meeting on July 10, 2024 (prior to this meeting) to discuss goals and priorities and working relationships between the two bodies. Goal is completed.
- 6. Explore feasibility of solar panels for the TCSD corporation yard: Staff met with American Solar Corporation, referred by Nute engineering to discuss the feasibility of solar panels. The firm is analyzing TCSD's energy usage to develop a proposal.
- Develop measures of success (performance) for wastewater projects: Nute Engineering is in the process of researching and compiling data. Nute Engineering said they should have preliminary measures for the Board to review in September.
- Explore opportunities for shared services with other special districts: CalRecycle recently approved the \$535,781 SB 1383 local assistance regional grant. TCSD applied for and received the grant on behalf of seven special districts. Staff will continue to explore the shared services concept.
- 9. Enhance communication efforts with the goal of expanding the database of contacts and potential use of creative incentives for people to sign-up for the enewsletter: Staff added QR codes for newsletter sign-ups to the postcards for events and added QR codes on the tables at Creekside Fridays. The staff is in the process of developing a contest for new sign-ups to the newsletter and plan on including QR codes for educational materials for SB 1383.
- 10. Develop creative/innovative outreach programs to educate the community regarding TCSD refuse programs and other sustainability efforts: Staff has invited other agencies such as SMFD to have booths at Creekside. The staff is in the process of exploring additional options.

The Board agreed that the staff is doing good work and is on track with their goals. There was no public comment.

E. Discussed / consider upcoming regular board meetings and work sessions schedule and discussed future work session topics.

The Board and staff decided on the following work session topics:

- 7/24/24 meeting topic wastewater operations and projects
- 8/28/24 meeting topic solid waste operations and projects
- 9/25/24 meeting topic measure of success with Pippin Cavagnaro

• 10/23/24 meeting topic Community Center

The Board shared who will not be at the following meetings: 7/24/24 Regular Work Session (Steffen- absent) 8/14/24 Regular Board meeting (Jim and Jeff – absent) 8/28/24 Regular Work Session (Jeff – absent and Jim – maybe) 9/11/24 Regular Board meeting (Steffen – absent) 9/25/24 Regular Work Session (Steve – absent)

There was no public comment.

F. Voted for one candidate for the California Special District (CSDA) Board of Directors for Seat A- Bay Area Network for the term 2023-2025.

The two candidates are Renee Fernandez-Lipp, Director, Contra Costa Resource Conservation District and Kathryn Slater-Carter, Director, San Mateo County Harbor District. The Board discussed the two candidates and voted for Renee Fernandez-Lipp.

MOTION TO NOMINATE RENEE FERNANDEZ-LIPP FOR THE CALIFORNIA SPECIAL DISTRICTS ASSOCIATION (CSDA) BOARD OF DIRECTORS FOR SEAT A-BAY AREA NETWORK FOR THE TERM 2023-2025. M/S: S. BARTSCHAT / J. BROWN AYES: 5 (S. BARTSCHAT, M. McMAHON, J. BROWN, J. JACOBS, S. LEVINE) NAYS: 0 ABSENT: 0

6. REGULAR BUSINESS: Information Items

A. General Manager Report

GM Toy reported on the following:

- Hydro flush truck sold for \$4,600. TCSD netted \$3,340.
- The staff and Board discussed ideas for an ad-hoc subcommittee to explore ideas for the Community Center masterplan, cabin improvements and parks. The Board would like two board members and one PARC Commissioner to be on the subcommittee. Matt McMahon and Jim Jacobs volunteered to be on the subcommittee. The board would like to discuss the ideas at the February Board retreat.
- Lagunitas donated 3 kegs for Creekside Friday. The Board discussed new ideas for food at Creekside Fridays. There was no public comment.
- B. Received sewer treatment plant update reports: SASM and SMCSD SASM's June meeting was cancelled.

SMCSD changed their July 2 meeting to July 9. Director Levine was not able to attend

the July 9 meeting. There was no public comment.

- C. Board member and/or Subcommittee report No Board member or Subcommittee report, There was no public comment.
- 7A. MOTION TO PULL MONTHLY FINANCIAL REPORTS FROM THE CONSENT CALENDAR.
  M/S: S. LEVINE/ M. MCMAHON AYES: 5 (S. BARTSCHAT, M. MCMAHON, J. BROWN, J. JACOBS, S. LEVINE) NAYS: 0 ABSENT: 0

The Board asked questions of staff regarding the financial reports.

### 7. CONSENT CALENDAR

- B. Continue emergency actions authorizing the General Manager to contract for emergency repair of sewer line damaged by falling trees (approx. location: 354 Pine Hill Rd)
- C. Approve minutes of June 12, 2024, regular meeting
- D. Approve minutes of June 26, 2024, work session meeting in Kay Park
- E. Approve minutes of June 26, 2024, work session meeting in Eastwood Park

### MOTION TO APPROVE THE CONSENT CALENDAR

M/S: J. BROWN / J. JACOBS AYES: 5 (S. BARTSCHAT, M. MCMAHON, J. BROWN, J. JACOBS, S. LEVINE) NAYS: 0 ABSENT: 0

### 8. <u>FUTURE AGENDA ITEMS</u>

- A. Review of meeting
  - The Board would like to leave the financial reports out of the consent calendar.
  - One Board member questioned if the public that attended the joint meeting got what they were looking for.

### 9. ADJOURNMENT

MOTION TO ADJOURN

### THE MEETING WAS ADJOURNED AT 8:57 PM
