Limbs not bundled, trash and other solid waste not in a container, including furniture and appliances, shall constitute an additional charge to be established by the Public Works Director or his designee according to volume to be collected. The resident or owner of property may request such pick up service at any time and the cost shall be added to the utility bill of the resident or owner for the next billing cycle. Further, any items of furniture, appliances, trash or solid waste not in containers or bundled which are placed or remaining at curbside on trash collection day shall be deemed abandoned for pick up by the City and may be removed by the City with the charge therefor added to the utility bill of the resident or owner for the next billing cycle.

**\*\*A base flat fee of thirty-five dollars (\$35.00) shall be made for the removal of material up to and including the first cubic yard. Additional material may be included and removed at a charge of seventeen dollars (\$17.00) per cubic yard up to a maximum of forty (40) cubic yards.**

Residential customers may rent a four (4) yard dumpster for a two-week time period. (May extend for additional two-week period if other customers are not waiting.) The customer shall complete an application and pay a fifteen-dollar (\$15.00) delivery fee for said dumpster. **Customers with outstanding balances will not be allowed to rent a dumpster until their bill is paid in full.** The customer shall call the Utility Billing Clerk when the dumpster needs to be dumped and a fee of seventeen dollars and fifty cents (\$17.50) will be charged for each dump and reflected on their monthly utility bill.
