Storm Safety

HAVE A SAFETY PLAN:

- Have a safety plan for wherever you might be when a tornado strikes – School, work, church, home, shopping, etc.
- Think through your plan in advance, since there may not be much time to act once the tornado is approaching you.
- Practice your plan and be sure all family members know what to do.
- City offices are **LOCKED** during a **tornado warning**.

Recycling

Recycling dumpsters are available at Dorothy Cavener Park, in the area of NW 52nd and Hammond Avenue on the first Saturday (9-3) and Sunday (1-3) of each month. Recycling includes plastic, glass, aluminum and tin cans. Closed during inclement weather.

THE WARR ACRES POLICE DEPARTMENT WISHES EVERYONE A HAPPY AND SAFE HOLIDAY SEASON! Please keep these safety tips in mind:

- When shopping, try to **park in a well-lit area**.
- **NEVER** leave valuables visible inside your vehicle. Place all items out of sight, inside your trunk.
- **REMAIN AWARE** of your surroundings when walking to and from your car.
- **NEVER** leave your car unoccupied with the motor running or with children inside – regardless of how close you are.
- Whenever possible, **shop during daylight hours**. If you must shop at night, go with a friend or family member.
- **AVOID** carrying large amounts of cash.
- Criminals commonly take advantage of the generosity of people during the holiday season by soliciting donations. Thoroughly investigate a charity before giving any donation.
- If you are having packages delivered while you are at work or away, have a trusted neighbor or friend retrieve the packages for you soon after they are delivered.
- Be extra vigilant about locking doors and windows when you leave the house.
- **REPORT** suspicious people or activities to Warr Acres police immediately. Call 911 for all emergencies or 789-3329.

SANITATION DEPARTMENT – ICE AND SNOW

The sanitation department has always attempted to provide garbage service throughout the city regardless of the weather. When the city experiences ice storms, we must alter the way we gather the garbage for the safety of our workers. For the safety of our citizens, it is suggested that they hold their trash until the next scheduled pick up day. When there is **ICE on the ground**, garbage will **NOT** be picked up. When there is **SNOW on the ground**, garbage **will be picked up curbside only**.
