**Storm Safety**

**HAVE A SAFETY PLAN:**

- Have a safety plan for wherever you might be when a tornado strikes – School, work, church, home, shopping, etc.
- Think through your plan in advance, since there may not be much time to act once the tornado is approaching you.
- Practice your plan and be sure all family members know what to do.
- City offices are **LOCKED** during a **tornado warning**.

**Recycling**

Recycling dumpsters are available at Dorothy Cavener Park, in the area of NW 52nd and Hammond Avenue on the first Saturday (9-3) and Sunday (1-3) of each month. Recycling includes plastic, glass, aluminum and tin cans. Closed during inclement weather.

# HAPPY HALLOWEEN

## **SATURDAY, OCTOBER 31, IS TRICK OR TREAT NIGHT:**

1. Avoid trick-or-treating alone. Walk in groups or with a trusted adult.
2. Fasten reflective tape to costumes and bags to help drivers see the children.
3. Examine all treats for choking hazards and tampering before allowing your children to eat them.
4. Hold a flashlight while trick-or-treating to help you see and others to see you.
5. Look both ways before crossing the street. Use established crosswalks wherever possible.
6. Wear well-fitting masks, costumes, and shoes to avoid blocked vision, trips and falls.

Because there will be many of our children out in our community, all of us must be careful and watchful. Should anyone see anything suspicious, please don't hesitate to call the Warr Acres Police Department. Drivers, please drive carefully and watch out for children. Everyone can have a safe and wonderful Halloween if we're all vigilant.

**CHRISTMAS TREE LIGHTING** – Join us in the lighting of the City's Christmas tree on Tuesday December 1<sup>st</sup> at 6:00 p.m. at 4301 N MacArthur.

## **POSSIBLE SAVINGS ON HOME AND BUSSINESS INSURANCE**

Recently the City's Fire Department had a Public Protection Classification survey conducted which included an analysis of the structural fire suppression delivery system provided in our city. We are proud to say that under the leadership of Fire Chief Stephen Coy the classification rating has been raised to a 3. This is considered an excellent rating. The Public Protection Classification Program plays an important role in the underwriting process at most insurance companies. They use this information as part of their decision making when deciding what coverage to offer or prices to charge for personal or commercial property insurance. Pick up a letter from City Hall describing this information if you would like to inquire with your insurance company about the possibility of lower insurance premiums due to this rating.

**THANK YOU FOR YOUR PATIENCE** – The City of Warr Acres is undergoing a beautification project at the intersection of N.W. 50<sup>th</sup> and MacArthur. When this is complete, we will have the most beautiful intersection in the metro. Again, thank you for your patience.

**WHEN PAYING BY CASH – ALWAYS GET A RECEIPT!** This is your ONLY proof that a payment has been made and should always be saved until you receive the next billing which reflects that payment.

## **“IF YOU SEE SOMETHING, SAY SOMETHING”**

Be a good neighbor. If you see suspicious persons or activity, please don't hesitate to call 911. Your police officers need your help by being vigilant to your surroundings. Many burglaries have been solved by neighbors calling in unusual activities in their neighborhood. We can arrive at the scene within a minute or two and determine if they have legitimate business in the area. The citizens can be our eyes and ears to assist us in apprehending persons bent on stealing from you and your neighbors.

## **HELP KEEP WARR ACRES NEAT AND CLEAN**

Be a courteous neighbor by keeping your yard mowed and picked up of debris. Since the weather is getting cooler, pests such as spiders, mice, rats, and skunks are more likely to take up residence in overgrown yards and clutter.
