**ANNUAL THREE MONTH AVERAGE WATER USAGE AND HOW IT AFFECTS YOUR NEXT MONTH'S SEWER BILL (MAY 2017)**

It's that time of year again!!! Your sewer rates will be re-calculated using a report of water usage we receive from the Oklahoma City or Bethany Water Departments. Every year the Oklahoma City Water Department forwards to the City of Warr Acres a three (3) month average consumption of water usage for each residential property for the winter months of December, January and February. These three months are used because they are the months with the least amount of water being used during the year. The City of Warr Acres then takes this three (3) month winter average and figures the next year's sewer rates. This means that your sewer bill from May 2017 to April 2018 could have an increase, decrease, or your rate could remain the same depending on how much water consumption you had during December 2016, January and February 2017. These new rates will be reflected on your May 2017 bill, which will be sent out around the 20th of May.

If your May 2017 bill reflects a substantial increase, it may be because you had a water leak, a toilet or faucet that continually ran during those three (3) winter months. If you had a plumber repair one of these problems during these months, then you can bring in the plumbing repair bill to Warr Acres City Hall. Our utility billing clerk can recalculate your average water usage for a lower sewer rate. But you **MUST** have a plumbing repair invoice indicating the problem occurred during the months stated above in order for your sewer rate to be recalculated.

**REPORTING PROBLEMS OR COMPLAINTS**

To report a violation or complaint, you may go to the city's web site; <https://www.warracres-ok.gov> home page. Then you click "Contact" top right of home page. The next screen will be titled "Contact Your City". Listed are the different departments within the city, or if you would like to use our online reporting system [CLICK HERE](#) just under title "Contact Your City". You will then be directed to fill out a form with your problems, complaints, or concerns: which will be directed to the proper department.

**HAVE A SAFETY PLAN:**

- Have a safety plan for wherever you might be when a tornado strikes, school, work etc.
- Think through your plan in advance, since there may not be much time to act.
- Practice your plan and be sure all family members know what to do.
- City offices are **LOCKED** during a **tornado warning**.

**Recycling**

Recycling dumpsters are available at Dorothy Cavener Park, in the area of NW 52nd and Hammond Avenue on the first Saturday 8-12 and Sunday 1-3 of each month. Recycling includes plastic, glass, aluminum and tin cans. Closed during inclement weather. Warr Acres Recycle Committee 720-2949.
