NEWS FOR THE CITIZENS OF WARR ACRES

MAY, 2018

**NEW YEARLY SEWER AVERAGES FOR RESIDENTIAL SEWER BEGIN ON THIS BILL**

This is the first month that your new sewer average is reflected on your bill. Your sewer rates are calculated from your water usage we receive from Oklahoma City and Bethany Water Departments. Every year the Oklahoma City and the Bethany Water Departments forwards to the City of Warr Acres a three (3) months average consumption of water usage for each residential property for the winter months of December, January and February. These three months are used because they are the months with the least amount of water being used during the year. The City of Warr Acres then takes this three (3) months winter average and figures the next year's sewer rates. This means that your sewer bill starting this month through April 2019 may have an increase, decrease, or your rate may remain the same depending on how much water consumption you had during December 2017 and January and February 2018.

**SCHOOL WILL BE OUT SOON & KIDS WILL BE PLAYING**

School will be out for the summer soon. Our kids will be playing all around our city neighborhoods. They will be playing in the yards and using the streets to go to and come back from the city parks. When driving around our neighborhoods and near our parks, please be mindful and watch out for our youth.

**CITY OF WARR ACRES OFFICES LOCKED DURING SEVERE WEATHER**

In the event of a tornado warning being issued, the City Hall office buildings will be **LOCKED**. City Hall, Fire Department, and Police Department buildings were never meant to serve as public shelters and are **NOT** compliant with FEMA standards for a tornado shelter.

**THERE ARE NO PUBLIC STORM SHELTERS IN WARR ACRES!**

**ASK TO SEE ID WHEN SOMEONE COMES TO YOUR DOOR**

claiming to be a representative of a utility company or repair service:

- 1) **DO NOT** volunteer any information about how many people are in the house. If they are there to burglarize, they will want to find out if you are the only one at home.
- 2) **ALWAYS** ask to see a badge. **ALL** OG&E employees have one. Contractors will not, but **ALWAYS CALL** OG&E at (405) 272-9741 to verify if they were sent by the utility company.
- 3) If you're truly uncomfortable, call the police at (405) 789-3329.

**HAVE A SAFETY PLAN:**

- Think through your plan in advance, since there may not be much time to act.
- Practice your plan and be sure all family members know what to do.
