SANITATION DEPARTMENT – ICE AND SNOW

The sanitation department has always attempted to provide garbage service throughout the city regardless of the weather. When the city experiences ice storms, we must alter the way we gather the garbage for the safety of our workers. For the safety of our citizens, it is suggested that they hold their trash until the next scheduled pick up day.

When there is **ICE on the ground**, garbage “will not be picked up.” When there is **SNOW on the ground**, garbage “**will be picked up Curbside only.**”
