Sanitation Department: Ice and Snow Information

The sanitation department has always attempted to provide garbage service throughout the city regardless of the weather. When the city experiences ice storms, we must alter the way we gather the garbage for the safety of our workers. For the safety of our citizens, it is suggested that they hold their trash until the next scheduled pick up day.

When there is **ICE on the ground**, garbage **will not be picked up**.

When there is **SNOW on the ground**, garbage **will be picked up curbside only**.

If you have a pet living in your home, please come to City Hall and pick up a window sticker to place on your storm door or window. In case of a fire, this will alert firefighters to the presence of your pet(s).

Recycling

Recycling dumpsters are available at Dorothy Cavener Park, in the area of NW 52nd and Hammond Avenue on the first FULL Saturday 8-12 and Sunday 1-3 of each month. Recycling includes plastic, glass, aluminum.

BUSINESS SAFETY INSPECTIONS

The Warr Acres Fire Department will be conducting Business Safety Inspections in an effort to eliminate, correct, and reduce hazards. These inspections/pre-fire plans are designed to help prevent fires while protecting life and property. Some common code violations we have seen in previous years which require correction include: out of date/untagged extinguishers, blocked exits, blocked electrical panels, malfunctioning emergency lighting, no exit signage, and untagged sprinkler systems.

SAMARITAN
EMERGENCY MEDICAL SERVICES

Message from Samaritan EMS

Samaritan EMS CareNet is an ambulance membership program. That provides two distinctive benefits for our members:

1. **For the medically insured:**

CareNet provides for the prepayment of co-payments for all qualified medically necessary emergency ambulance services for which the patient has financial responsibility.

-OR-

2. **For the medically uninsured:**

CareNet provides a reduced billable rate to those members who are not medically insured and have requested emergency ambulance service. The service will be billed at the lowest legal rate which is set by the Centers for Medicare/Medicaid.

-AND-

3. CareNet can also provide a reduced fee for non-emergency transports that are not covered by private insurance or Medicare/Medicaid.

CareNet is not an insurance supplement or policy.

CareNet Membership Fee

Cost of an annual membership is 43.80 per year for a single-family household. One membership will cover an entire household up to five individuals. Households with more than 5 individuals will require additional membership(s).

How are Benefits Applied

Samaritan EMS CareNet benefits are applied to qualifying emergency and non-emergency transports in the Samaritan EMS response area.

Emergency transports are fully covered if Medicare or insurance provides benefits for the transport, and the transport qualifies under their guidelines.

If Medicare, health insurance or any other third-party denies benefits for a non-emergency transport, the CareNet member will receive a 40% discount off the standard non-emergency fee. A physician must sign a Medical Necessity Certificate for non-emergency transport to be considered.
