Sanitation Department: Ice and Snow Information

The sanitation department has always attempted to provide garbage service throughout the city regardless of the weather. When the city experiences ice storms, we must alter the way we gather the garbage for the safety of our workers. For the safety of our citizens, it is suggested that they hold their trash until the next scheduled pick up day.

When there is **ICE on the ground**, garbage **will not be picked up**.
 When there is **SNOW on the ground**, garbage **will be picked up curbside only**.

Recycling

Recycling dumpsters are available at Dorothy Cavener Park, in the area of NW 52nd and Hammond Avenue on the first FULL Saturday 8-12 and Sunday 1-3 of each month. Recycling includes plastic, glass, aluminum.

BUSINESS SAFETY INSPECTIONS

The Warr Acres Fire Department will be conducting Business Safety Inspections in an effort to eliminate, correct, and reduce hazards. These inspections/pre-fire plans are designed to help prevent fires while protecting life and property. Some common code violations we have seen in previous years which require correction include: out of date/untagged extinguishers, blocked exits, blocked electrical panels, malfunctioning emergency lighting, no exit signage, and untagged sprinkler systems.

WHAT'S UP @ WARR ACRES LIBRARY

Hello, Warr Acres residents! A new decade is upon us; it's difficult to believe it's already 2020. Whatever your New Year's Resolution is, I'm sure we have something to help you achieve your goals. Come in and ask one of our librarians for help locating the perfect book or resources. If you're looking for help with job hunting, homework, or veterans' benefits, check out one of our newest resources, Brainfuse, conveniently linked on our homepage right now at www.metrolibrary.org. If reading more books this year is on your list, join our Winter Reading Challenge for a chance to win cool prizes. Stop in and we'll show you how to get started.

What is going on at the library this month?

Do you have a teen who is a Lego aficionado? Well, we've got a Lego Teen Challenge going on January 16th at 6PM. Our mayor, Jim Mickley, will be here Thursday, January 23rd from 6:30-8:00PM for a Meet & Greet to answer any questions you may have about the recent bond issue and its progress. Or are you looking for an ESL class? We have them here on Monday and Wednesday evenings. We also have regularly scheduled story times and programs for people of all ages as well as special programs; come grab our Calendar of Events to stay tuned in or find one that interests you at www.metrolibrary.org under the Attend tab at the top of the page.

What else can I do at the library?

Don't forget about our other services. We offer free faxing (local and long distance), free scanning of documents to an email or flash drive, and free access to public computers. We charge 10 cents for black and white copies and 50 cents for color copies.

Happy New Year!
