SANITATION DEPARTMENT – ICE AND SNOW

The sanitation department has always attempted to provide garbage service throughout the city regardless of the weather. When the city experiences ice storms, we must alter the way we gather the garbage for the safety of our workers. For the safety of our citizens, it is suggested that they hold their trash until the next scheduled pick up day.

When there is **ICE on the ground**, garbage **“will not be picked up.”** When there is **SNOW on the ground**, garbage **“will be picked up Curbside only.”**

Recycling

Recycling dumpsters are available at Dorothy Cavener Park, in the area of NW 52nd and Hammond Avenue. **The Recycle center will be open first Saturday of the month only from 8:30am until 11:30am.** The Recycle Center is not open in January or July due to the weather. Recycling includes plastic, glass, aluminum and tin cans. Closed during inclement weather. Warr Acres Recycle Committee 405-720-2949.

DON'T FORGET TO SET YOUR CLOCKS BACK NOV 7th

On Sunday, November 7th, the time will move back 1 hour.

HALLOWEEN: SAFETY TIPS AND TRICKS

1. Avoid trick-or-treating alone. Walk in groups or with a trusted adult.
2. Fasten reflective tape to costumes and bags to help drivers see the children.
3. Examine all treats for choking hazards and tampering before allowing your children to eat them.
4. Hold a flashlight while trick-or-treating to help you see and others to see you.
5. Look both ways before crossing the street. Use established crosswalks wherever possible.
6. Wear well-fitting masks, costumes, and shoes to avoid blocked vision, trips and falls.

If you see anything suspicious, please don't hesitate to call the Warr Acres Police Department.

IMPORTANT MESSAGE FROM THE WARR ACRES FIRE DEPARTMENT

Portable generators are themselves life-saving emergency safety tools; however, because of improper use, year-after-year, people suffer carbon monoxide poisoning. This was particularly true in October 2020 and February 2021. During the ice storm and the extreme cold, carbon monoxide poisonings increased, and portable generators were the primary culprit. We want to remind you to follow the manufactures' recommendations for generator placement. Operate portable generators outside only and keep them at least 20 feet away from the home, facing away from all structures. We also urge everyone to install battery-operated carbon monoxide alarms near sleeping areas and test them frequently.

FIRE PREVENTION TIPS: FROM THE WARR ACRES FIRE DEPARTMENT

- **LOOK**
Look for places fire could start. Take a good look around your home. Identify potential fire hazards and take care of them.
- **LISTEN**
Listen for the sound of the smoke alarm. You could have only minutes to escape safely once the smoke alarm sounds. Go to your outside meeting place, which should be a safe distance from the home and where everyone should know to meet.
- **LEARN**
Learn two ways out of every room and make sure all doors and windows leading outside open easily and are free of clutter

LIBRARY BY MAIL: LITERARY ADVENTURE DELIVERED TO YOUR DOOR

For those living in Oklahoma County, if you are 65 years of age or older or completely homebound, please call 405-606-3295 or 405-606-3297 to sign up for Libraries-by-Mail service and to place your order. You may keep the books for up to four weeks, and no postage will be required on your part. This program is bought to you by the Metropolitan Library System.

HELP KEEP WARR ACRES NEAT AND CLEAN

Be a courteous neighbor by keeping your yard mowed and by picking up debris. Since the weather is getting cooler, pests such as spiders, mice, rats, and skunks are more likely to take up residence in overgrown yards and clutter.
