

CITY HALL WILL BE CLOSED THE FOLLOWING DATE:

MEMORIAL DAY Monday, May 29, 2023

Remember, NO trash will be picked up on the day City Hall will be closed. For those whose normal trash day is Monday - there will be a **CURBSIDE ONLY** pickup on Wednesday, May 31, 2023. They come by early, so you may want to have it out the night before.

ANNUAL THREE-MONTH AVERAGE WATER USAGE

Every year the City of Warr Acres recalculates the next year's sewer rates. This is based on a report from the Oklahoma City or Bethany Water Departments listing, a three-month average consumption of water usage for each residential property. This means your sewer bill from May 2023 to April 2024 could have an increase, decrease, or your rate could remain the same depending on how much water consumption you had during December 2022, January 2023 and February 2023. These new rates will be reflected on your May 2023 bill, which will be sent out around the 20th of May.

If your May 2023 bill reflects a substantial increase, it may be because you had a water leak, a toilet or faucet that continually ran during those three (3) winter months. If you had a plumber repair one of these problems during these months, then you can bring in the plumbing repair bill to Warr Acres City Hall. Our utility billing clerk can recalculate your average water usage for a lower sewer rate. But you **MUST** have a plumbing repair invoice indicating the problem occurred during the months stated above in order for your sewer rate to be recalculated.
