Bring it on!

Chances are you have leftover paint, stripper, drain cleaners, old batteries and other hazardous waste you need to get rid of.

Don't pour toxic products down storm drains or your sink where they can eventually find their way into groundwater. Let our specialists get rid of your household hazardous waste the safe, correct way.

Load it up and bring it to the Household Hazardous Waste Collection Facility at 1621 South Portland. Drive right in and we'll unload it for you. You don't even have to leave your car.

The Center is free to Oklahoma City residents. Bring your water bill as proof of residency.

We accept:

- Propane
- Gasoline
- Degreasers
- Lubricants
- Computers, monitors & keyboards
- Pool chemicals

- Weed killers
- Fertilizer
- CFL & fluorescent lightbulbs
- Pesticides
- Furniture polish
- Cooking oil
- Cleaning products
- Drain cleaner
- Mercury
- Paint & solvent
- Batteries/car batteries
- Used oil & filters
- Brake & transmission fluid

- Don't mix items into a single container.

(Mixing products may produce harmful gases or chemical reactions.)

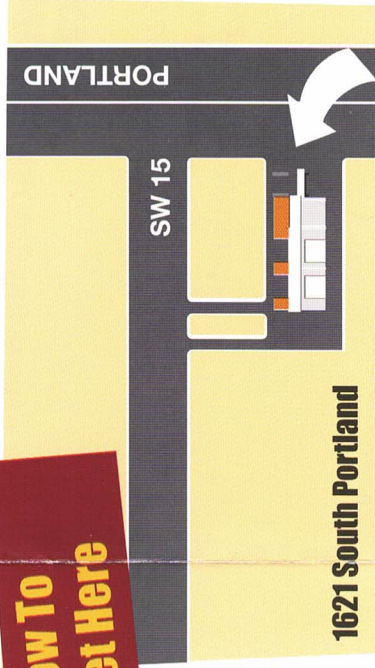

- Bring products in their original container when possible.
- Place damaged containers in boxes lined with plastic.

- We can't accept tires, biomedical waste, radioactive waste, appliances, compressed gas containers, business waste, ordinary trash and refrigerant containers.

Collection Hours

**Tuesday - Friday
9:30 a.m. - 6 p.m.
Saturday
8:30 - 11:30 a.m.**
