Issue #46 January-March '20

Fire & Emergency Medical Services Levy on Ballot March 17

West Carrollton city council unanimously approved legislation to place a 3.9 mill Fire and Emergency Medical Services levy before residents on the March 17, 2020 ballot. The proposed Fire/EMS levy would be a five-year levy that can be renewed after that time. The funds generated will be used exclusively to support the Fire Department.

The city's Fire/EMS Department has relied on part-time employees to fully staff both Fire Stations 56 and 57 for years. Hiring and retaining both full and part-time staff has become increasingly difficult in the last several years - a common problem across the entire Miami Valley.

'While we endeavor to fully operate the stations and apparatus using the current staffing, including the use of overtime, daily emergency response levels can vary. Browning out apparatus or temporarily closing a fire station results in a reduction in our daily firefighting and emergency response force.'

The levy will allow the city to stabilize its emergency response times by hiring

four additional full-time firefighter/paramedics as well as increasing part-time salaries by 10 percent to stay competitive with surrounding municipalities. Another way to attract part-time EMTs is by offering assistance in supplementing the cost of attending paramedic school to further their education. The levy will allow for the city to provide that assistance.

"By having the ability to recruit and retain both full-time and part-time personnel we will be able to fully staff both stations

24/7/365, which is what we strive for every day," states Fire Chief, Chris Barnett.

The levy is expected to generate about \$672,000 per year. If approved, a homeowner would pay approximately 37 cents a day or \$11.10 per month for every \$100,000 of home value.

"We will remain conservative with taxpayer money while providing higher-quality emergency medical response and fire protection for all residents," said Brad Townsend, city manager.

Chief Barnett & Firefighters from both stations attend training in December.

2020 Census

The 2020 Census is coming! Completed every ten years, the census counts every person in every U.S. state and five U.S. territories beginning April 1, 2020. It is required by law and provides crucial data that helps decide how federal funding is distributed for schools, roads, fire departments and other resources that affect our day-to-day lives.

Census 2020 will be the first time you may complete the questionnaire online. Detailed information will be mailed to you so that you are able to be counted correctly.

You might wonder what you'll be asked. A few of the questions will be: your age, gender, and the number of people who live in your home, including children. The census will never ask for Social Security numbers, bank or credit card numbers, money or donations, or anything related to political parties.

You can also become a 2020 Census taker. The U.S. Census Bureau is in need of temporary employees who will serve as census takers and office workers. To get more information about employment opportunities go to www.2020census.gov/jobs.

**2020
Dog Licenses
on sale through
January 31st!**

937-225-4314
www.mcoho.org/dogs

MONTGOMERY
ANIMAL RESOURCE CENTER

Dog Tags on Sale

Did you know that you are required to purchase a dog license if you own a dog in Montgomery County? It's very easy to do either online via credit card at www.mcoho.org/dogs or by purchasing one at the West Carrollton Civic Center Lobby on Wednesday, Jan. 22, or Thursday, Jan. 30. Representatives from the Montgomery County Animal Resource Center will be at the Civic Center from 5 to 7 p.m. both days to sell dog tags. The cost is \$20 for spayed/neutered dogs and \$24 for unaltered dogs. Cash and check payment will be accepted. The deadline to avoid late fees is Jan. 31. For more information, call (937) 225-4314.

Tree Pick Up

Christmas trees will be collected Jan. 6-10; they should be free from lights, tinsel, decorations and not be placed in bags. Free large item/bulk trash pick-ups will occur the same week, Jan 6-10, on residents' regular collection day. Trash and recycling pick-up will be delayed by one day Jan. 1. (If your normal day is Wed. it will now be Thur.; if Thurs. then Fri. and if Fri. then Sat.) Call (937) 859-8280 for information.

Services & Planning

Elm St. Bridge and Central Ave. Updates

The Elm Street Bridge reconstruction project is moving forward in March 2020. The project was rebid in the fall of 2019 and Sunesis Construction was chosen as the contractor out of three bids. A pre-construction meeting was set to be held December 19 with construction slated to begin on or about March 1, 2020. The bridge is expected to be closed for approximately four months. Gibbons Road will be open during the construction and used for the detour. Signage indicating the detour route and any road closings will be placed as needed.

The project includes realigning utilities that are currently adjacent to the bridge including water, sanitary sewer and Vectren gas; DP&L and AT&T utility lines were relocated last year.

In order to meet federal flood plain protection requirements, the bridge will be expanded from 23 feet to 78 feet. Two houses were taken down last summer to accommodate the expanded width. Heavy-load limits and a reduction in pedestrian access will continue until the bridge is completed. Funding of the project comes from state funds that include a 50 percent grant through the Ohio Public Works Commission and a 50 percent no-interest loan, according to Rich Norton, service director.

The Central Ave. project is near completion as construction, paving and paving markings have been completed between Miami Ave. and Elm St. The final component of the project will be the installation of mast arm traffic signals at the Miami Ave. and Elm St. intersections. There will also be new timing patterns that

will improve traffic flow in this area. There is an industry-wide backlog in the manufacturing of these traffic poles and they are expected to arrive and be installed around the April timeframe. Additionally, due to the positioning of the new traffic lights, the right turn lane at Miami Ave. and Central Ave. will remain closed until they are installed. "We appreciate your patience as we work on these improvements around the city," stated Rich Norton.

City Budget Approved

West Carrollton city council approved the 2020 municipal budget on December 10. The general fund breakdown of expenditures is 70 percent for city fire and police departments, 11 percent for general government operations, 10 percent for community planning and engagement, and 9 percent for parks upkeep and maintenance. The state, through legislative changes, has taken away approximately \$1.2 million per year of funding assistance. This makes the city budget process even more challenging. To put it in perspective, Tom Reilly, finance director, said the amount is equivalent to approximately 70 percent of the fire department budget alone. Of utmost importance to City Council and staff is the ability to deliver outstanding customer service and value in a financially responsible manner.

Cold Weather is Here

Time to think about freezing pipes. If the temperature is 20 degrees or below you could be subject to freezing pipes. The following suggestions will help to keep your winter water supply flowing!

▶ Leave a tiny trickle from your faucets. This protects pipes in two ways: it prevents pressure from building up inside pipes and

creates a constant flow of water through pipes and that makes freezing less likely.

- ▶ Turn up the heat in your home.
- ▶ Open vanity or cabinet doors so warm air can reach the pipes under sinks.
- ▶ If you have exposed pipes inside closets or pantries, leave doors open. Disconnect garden hoses from outdoor faucets. Even "frost proof" faucets can burst if a hose is connected.
- ▶ Keep the garage door closed to keep heat in.

If your meter and/or pipes are located in a crawl space, it may be necessary to insulate them or provide a heat source nearby. In the event you have reduced water flow, heat the most vulnerable pipes (usually in basements, crawl spaces or near exterior walls) with a hair dryer. Leave the faucet on while you apply heat. As the ice melts, the flow will increase.

Flood Insurance – Do You Need It?

The National Flood Insurance Program (NFIP) flood insurance rates do not differ from company to company or agent to agent. All policy premiums include certain fees and surcharges, so residents should ask the agent about these when discussing a price quote.

The NFIP's Preferred Risk Policy (PRP) offers lower-cost protection for homes and apartments in areas of low to moderate flood risk. These areas of moderate or minimal flood hazards are shown as B, C,

X, AR, and A99 zones on a Flood Insurance Rate Map. Residents can request a review of their flood zone designation if they believe the zone the insurer or lender has determined for the property is incorrect. There is a congressionally-mandated surcharge added to all NFIP policies. For more information, see www.floodsmart.gov. The city's planning and community development department can also assist with questions about flood maps. Call (937) 859-5783.

Community Cat Initiative

The Humane Society of Greater Dayton (Humane Society) is partnering with West Carrollton to help residents tackle cat overpopulation in a positive and proactive way. Stray or 'community cats' can be a challenge to neighborhoods and we want to give residents a humane option for dealing with these cat-related issues.

The 'Community Cat Initiative' is a program available to all West Carrollton residents. Through the program, residents can bring stray or un-owned cats to the Humane Society's main shelter. All cats must be brought to the shelter in a live humane trap. By having cats in traps, you are helping to protect the cats and the staff handling them. You can use your own trap or rent one from the Humane Society. There is a \$75 deposit (fully refunded upon return of the trap). Rental for the trap is just \$1 per day.

The cats are examined for identification (microchip or tattoo.) If identification is found, they work to reunite the cat with its owner. If no identification is found it is considered an 'unowned community cat.' As such, a Humane Society veterinarian will examine the cat, give it vaccines, a flea treatment, and all cats will be spayed or neutered. During this procedure the left ear will be 'tipped' - the universal sign of a spayed or neutered community cat. Once the cat has recovered from surgery, the Humane Society or the person who brought the cat in, will return the altered cat back to where it was originally trapped.

By placing the spayed or neutered cat back into the community – its home - you are not allowing any new, stray cats to come into your neighborhood. If cats were removed completely, new cats will move into those areas. The cats are likely not spayed or neutered and will continue to reproduce. This program has proven to be a very effective and humane way to manage the cat population.

For more information, visit www.hsdayton.org. To schedule a time to drop off a cat to the main shelter, 1661 Nicholas Road in Dayton, call (937) 268-7387.

West Carrollton City Schools: Planning for the Future

Since the bond passed on Nov. 5, the planning process of four new school buildings has begun. Phase one will be the design and construction of two new buildings. A pre-kindergarten through first grade building will be constructed at the current Walter Shade site and a building

housing fifth and sixth graders will be constructed at the current C. F. Holliday site.

All planned buildings will fit onto current sites without displacing students. Playgrounds, parking and traffic patterns are also components of the exterior planning process. Interior designs will provide optimal learning environments while ensuring the safety and security of students and staff.

The design process will include input from the community, parents, students and staff. We have already received input from alumni and community members who have suggested they would like to see some of the history of our current buildings reflected in the new schools. We welcome those ideas and look forward to future community forums to discuss the design phases. Phase one will take approximately two years of design and construction before buildings are open. Phase two will then begin and includes construction of a school housing second through fourth graders and a seventh through 12th grade campus.

While design begins for new schools, we remain focused on students. Two students

have recently been recognized for their hard work. Harold Schnell Elementary fifth grader Lilly Wheeler's artwork, focusing on recycling, was chosen to be part of the Montgomery County environmental calendar. Olivia Davis, a senior, was chosen as the Distinguished Young Woman of Montgomery County. She is involved in choir, cheerleading, National Honor Society and the Youth Leadership Board. Olivia was selected to represent Montgomery County at the Distinguished Young Women of Ohio scholarship competition and earned the "Be Your Best Self" scholarship.

These are just two examples of students' successes. We are extremely proud of our entire student body and staff as they work together to provide opportunities for all of our students to succeed.

Public Safety

Fire Prevention Week Winners

October 25, 2019, was a special day at the fire station. Harold Schnell Elementary students Sophia Breenhe and Daelyn Combs, and Harry Russell Elementary students Reagan Thompson and McKenna Gant, were selected to receive breakfast at Station 56 Firehouse and ride to school on a fire engine. The students were selected based on their artwork of their favorite super-hero located at a pre-determined emergency 'family meeting place' outside their home. This year, the National Fire Protection Association's (NFPA) theme was "Not every hero wears a cape. Plan and practice your escape". During Fire Prevention Week, fire department crew members spent time in the West Carrollton schools addressing some of the common causes of residential fires and how to prevent them by doing things like checking smoke and carbon monoxide detectors. Thank you to the school staff, teachers, and principals for allowing us to help educate their students in fire safety!

Fire Safety Tips for the Winter Months

Space Heater Safety

- ▶ Make sure your space heater has a working safety light, alarm, automatic shut-off switch, and a shut-off device to prevent overheating.
- ▶ Keep all objects, combustible material, people and pets at least three feet away from the space heater.
- ▶ Never use a space heater in your bathroom. Water and electric appliances don't mix.
- ▶ Plug the space heater directly into a wall outlet. Do not use an extension cord or surge protector when using a space heater.

Fireplace Safety

- ▶ Have your firebox and chimney inspected at least once per year for cracks and obstructions.
- ▶ Never burn paper documents, trash or charcoal in your fireplace. It gives off deadly carbon monoxide and will increase the soot buildup in the flue. Place a carbon monoxide detector in the hallway of the sleeping areas.
- ▶ Make sure the damper is open during the use of the fireplace even if there are hot ashes remaining for at least 24 hours after using. Closing the damper could enable hot ashes to heat up and cause a fire.
- ▶ When you clean or remove the ashes, place them in a metal container and place outside on solid ground for at least 24 hours. Douse the ashes with water if possible. Do not place the container on a wood or combustible deck.

New Officers Take Oath

On October 8, 2019, after completing a four-month field training process, Officers Paige Callahan and Eion Hogston took the Oath of Office at the city council meeting. Chief Woodard instituted a new tradition at this ceremony. Both officers received a brand-new badge, rather than a former officer's badge. Prior to the badge being pinned on the officers' family and friends were able to first touch the badge, signifying the family connection to the career ahead of Ofcs. Callahan and Hogston. Congratulations!

Police Sergeants Participate in Training Programs

Sgt. Jeremy Branham graduated from Police Executive Leadership College (PELC) on November 15, 2019. PELC is a leadership training program administered by the Ohio Law Enforcement Foundation. PELC is training for law enforcement executives focused on leadership skills and showing executives how to practically apply these concepts in their everyday careers. The program is an intensive one, providing skills vital to long term success both personally and within the organization and community.

Sgt. Jeremy Branham

Sgt. Nate Biggs

Sgt. Nate Biggs attended the Commission on Accreditation for Law Enforcement Agency (CALEA) conference in November. Sgt. Biggs was recently assigned the position of Accreditation Manager for the Police Department. The conference provided Sgt. Biggs the required training needed for the Accreditation Manager role in addition to providing information on the changes needed for the new CALEA accreditation process.

Citizen's Police Academy Graduates

The West Carrollton Police Department held the graduation ceremony for the most recent Citizen's Police Academy on October 12, 2019. Fourteen students graduated from the 10-week course which included topics on criminal law, traffic stops, criminal investigation, taser usage and traffic accident investigation.

Thank You to all Board & Commission Volunteers

West Carrollton has several charter-required boards and commissions which the city relies on volunteers to fulfill. A number of local residents also volunteer at some of our community events or in the civic center offices. The city appreciates all who are able to commit their valuable time serving and assisting the city all year long. Thank you.

Another Year of Excellence

We could not do what we do without our dedicated employees; many of whom have been here for years. Below you'll find some of those employees celebrating a 'milestone' anniversary as part of the city of West Carrollton staff. Thank you for your service to the city of West Carrollton.

45 Years

Janet Logan, Finance Department

John Garwood, Police Department

30 Years

Carie Cottongim, Secretary to City Manager

10 Years
Josh Whitehead, Fire Department

Adam Blake, Fire Department

25 Years

Andy Shepherd, Fire Department

5 Years
John Perry, Police Department

20 Years

Ron Ferriell, Parks Department

Bobbie Selmon, Police Department

Curt Reigelsperger, Service Department

Bill Tackett, Service Department

15 Years

Nathan Biggs, Police Department

Matthew Harper, Police Department

Carie Cottongim celebrated her 30th anniversary working for the city of West Carrollton in October 2019. Carie began her career in the service department in 1989 where she had a myriad of responsibilities until she was promoted to be the city manager's secretary in 2006. Carie says, "she loves helping people; helping with community events and has enjoyed gaining more responsibility over time." When Carie isn't helping us all she enjoys spending time with her husband, Rick, and three grown sons.

"Carie is vital to the operation of the city. Her dedication to customer service, knowledge of city operations and sunny disposition make her an invaluable member of the management team. She is my right hand and I would be lost without her! Congratulations on 30 years of service, Carie!" – Brad Townsend, City Manager.

"Carie embodies the true spirit of public service. She provides outstanding service to both her internal and external customers. She is always willing to go the extra mile. Congratulations on 30 years of service to the city of West Carrollton, Carie!" – Mike Lucking, Economic Development Director.

Parks & Recreation

For information on events or items below, contact the Parks and Recreation Department at (937) 859-8152 or check us out at westcarrollton.org under Parks & Recreation.

Painting Party

Our yearly painting party lets you 'brush up' on your painting skills. A few winter themed painting examples provided. Artists of all abilities ages 10 and up (with an adult) are welcome. Registration is required.

Date: Saturday, Jan. 25

Time: 1-3 p.m.

Location: Civic Center
Community Room

Cost: \$10 per person (includes
canvas, paint and brushes)

Team Trivia Night

Trivia Night returns with a new announcer! El Rancho Grande mexican restaurant will be sponsoring the adult trivia night (18 and over.) There will be PRIZES. Bring all your random knowledge and your appetite!

Date: Tuesday, Feb. 4

Time: 6:30 p.m.

Location: El Rancho Grande

2008 S Alex Rd, West Carrollton, Oh 45449

Cost: Trivia is Free. Food and beverages for purchase.

TRIVIA BUFF

Memorial Park Benches Available

This program, courtesy of the parks and recreation department, gives you an opportunity to purchase a Memorial Park Bench to pay tribute to a loved one(s.) Benches can be placed in several areas around the city parks. Prices range between \$700 to \$1100 depending on the style. For information, contact the parks and recreation department at (937) 859-5182.

Shelter Reservations Begin

Wilson Park offers a pavilion and three shelters for rental – all have picnic tables. The park includes two playgrounds, basketball court, volleyball net, tennis courts and restrooms. Weidner, Hintermeister and Leiwig Parks also have picnic shelters you may reserve. All parks observe the leash law for your dogs.

Reservations begin March 1 for West Carrollton residents and April 1 for non-residents. To make a reservation: call (937) 859-5182; in person at the Civic Center (8 a.m. to 4:30 p.m. Mon.-Fri.), or online at westcarrollton.org under Parks & Recreation.

Winter Walks

Bundle up and explore two of West Carrollton's parks this winter on a guided walk with our Parks staff.

Dates: Saturdays

Jan. 18: Wilson Park

Feb. 22: Hintermeister Park

Time: 10 – 11 a.m.

Cost: Free

Aerobics

Classes held Monday and Wednesday evenings from 6:30–7:45 p.m. at the West Carrollton Senior Citizens Center. (Class is for ALL ages.)

Session 1: 6 Weeks

Starting Jan. 6 to Feb. 10

\$18 per session

Session 2:

Starting Feb. 17 to Mar. 25

\$18 per session

Library Programs

Technology at your Library — Did you know?

You can set up an appointment for one-on-one help with your technology needs at your West Carrollton Branch Library. Email, MS Office software, internet, social media, resumes, and job applications are things we can help with regardless of your skill level. We are always available to help with quick computer questions, but a scheduled session gives you a full hour of uninterrupted tech help from one of our experts!

We also offer computer classes; many of which are specifically designed for seniors and beginner computer users. Other classes are designed for job seekers in our community.

Technology Programs

- **Fighting Fake News Online** — Jan. 27 at 6 p.m.
- **Introduction to Consumer Reports Online** — Feb. 24 at 6 p.m.
- **Mouse Basics** — Mar. 23 at 6 p.m. Jan. 27 at 6 p.m.
- **Computer Keyboard Basics** — Mar. 30 at 6 p.m.
- **Internet Basics and Cyber Safety** — Apr. 6 at 6 p.m.
- **Email Basics** — Apr. 20 at 6 p.m.
- **Job Search Basics** — Apr. 27 at 6 p.m.

Children's Collection — Did you know?

The library has audio books for the youngest of readers (or pre-readers)! Research shows that audiobooks help launch independent reading and can teach new vocabulary. Read-Along books are picture books with an audio CD attached to the back and are great for long car rides.

We also offer early literacy kits for check out. Sprout Bags (for one, two and three to eight year olds) include books, games, toys, and activities focusing on a theme, all together in a single backpack.

Children's Programs —

2020

- **Toddler and Preschool Dance Party** – Mon., Jan. 6, 13, 27, Feb. 3 - March 30 at 10-10:30 a.m.
- **Preschool Storytime** – Mon., Jan. 6, 13, 27, Feb. 3 - March 30 at 11-11:30 a.m.
- **Baby and Toddler Storytime** – Tues., Jan. 7-March 31 at 10:30-11 a.m.
- **Folktales for Wee Ones** – Jan. 16 at 10:30-11 a.m.
- **The Great Book Battle Trivia for Grades 4-6** – Feb. 4 at 3:30-5:30 p.m.
- **Stories through Art** - Jan. 10 at 3:30-4:30 p.m.

Adult Programs — 2020

- **Book Club** – Mon., Jan. 13, Feb. 10, Mar. 9, Apr. 13 at 7 p.m.
- **Researching Family History through Military Records** – Jan. 9 at 6 p.m.
- **Dayton Art Institute's 1st Century** – Feb. 11 at 7 p.m.
- **Seed Starting Basics** – Mar. 21 at 10 a.m.
- **Planning Your Garden** – Mar. 24 at 7 p.m.
- **Kitchen Organization and Meal Planning** – Apr. 9 at 7 p.m.

Teen Programs — 2020

Teen programs every Wed. at 3-4:30p.m.

- **Gamers' Guild** – Thur. at 3-4:30 p.m.: 1/16, 1/30, 2/13, 2/27, 3/26, 4/9, 4/23
- **Red Pen Society** – Thur. 3-4:30 p.m.: 1/23, 2/20, 3/19, 4/16
- **Roll to Regret: Hogwarts** - Wed. 3-5 p.m., 1/8
- **Your Family Crest** – Wed. 4-5 p.m.: 1/22
- **Teen Dance Party** – Fri. 3-4:30 p.m.: 1/10, 2/7, 3/6, 4/17

YMCA

Winter Youth Sports

- **Sports begin the week of Jan. 20, 2020**
- **Early Bird Registration Ends: Jan. 7, 2020**
- **Late Registration Ends: Jan. 31, 2020**

Parent Meetings are Jan. 6

- **Basketball** (Ages 3-14); Parent meeting at 6 p.m. 4U, 6U, 8U, 10U, 12U, and Jr. High (14U)
- **Indoor Soccer** (Ages 3-10); Parent meeting at 6:45 p.m. 4U, 6U, 8U, and 10U
- **Volleyball** (Ages 9-14); Parent meeting at 7:30pm U10 and Middle School (14U)

Adult Volleyball

We are now registering for our Winter 2020 Co-ed, 6v6, leagues!

Wednesday and Thursday Nights from 6-10 p.m.

Leagues Begin: Jan. 22 and 23 (Jan. 19 is the last day to register.)

Questions? Contact Tyson Skidmore, sports director, at tskidmore@daytonymca.org, or (937) 866-9622.

Swim Lessons

The West Carrollton YMCA offers swimming lessons year-round. Swim lessons begin at six months old through adults! New sessions start every four weeks. Contact the YMCA at (937) 866-9622 or register online at www.daytonymca.org.
