City Operations Update - Coronavirus (COVID-19)

The city of West Carrollton is closely monitoring developments concerning the COVID-19 virus. All staff will continue to be available to the community by phone, email and our website.

Effective immediately, the city of West Carrollton is taking the following preventative measures:

- The Civic Center's main lobby, 300 E. Central Ave., will close to the public until further notice beginning at 4:30 p.m. Monday, March 16, 2020.
- Access to the Civic Center's finance, tax and utility departments will remain open at the East entry to the Civic Center only.
- The Dayton Metro Library has suspended operations however, outer doors to the library lobby will still be open for returns at the Automated Materials Handler.
- All facilities will maintain and enhance routine cleaning with particular attention to frequently touched surfaces.
