**Code of the Village of Westhampton Beach**

§197-1 Definitions

**Residential Storage Shed:** A structure used to store household equipment (including garden equipment, lawn furniture, and bicycles) and having a maximum gross floor area of 100 square feet and a height not greater than 10 feet. A residential storage shed shall have no illumination.

§197-35 Location and height of accessory structures and buildings

- C. (1) Notwithstanding the aforementioned, a residential storage shed as defined by Chapter 197-1 of the Village Code, may have a setback of 10 feet from the rear and side lot line of the rear yard, except for on the South side of Dune Road where all structures shall be set back a minimum of 75 feet from the Crest of the Dune. This relief shall be granted for one residential storage shed per lot.
- (2) A residential storage shed, as defined in the Village Code, Chapter 197-1, shall not require a building permit but shall require an owner’s affidavit attesting to compliance with the current Village Zoning Code regulations.
