Date: \_\_\_\_\_

Building Permit #: P\_\_\_\_\_

Plumber:

\_\_\_\_\_

Owner:

\_\_\_\_\_

Location: \_\_\_\_\_, Westhampton Beach

I certify that the solder used in the water supply system contains less than 0.2% lead as per §P2906.14 of the International Residential Code of New York State and/or §605.13.3 of the International Plumbing Code of New York State;

And I also certify that I installed an anti-scald and/or thermal shock preventing device at all bathing and/or showering fixtures in conformance with §P2708.4 of the International Residential Code of New York State to mitigate the potential hazards due to shower valves that allowed surges of high temperature water to flow from the shower head;

And (Please Check One):

\_\_\_\_\_ I certify that I am the licensed plumber (License # \_\_\_\_\_) that installed all plumbing, in conformance with the provisions of the applicable Plumbing Code of New York State, at the above-referenced premises.

\_\_\_\_\_ I certify that I am the homeowner and I personally installed all of the plumbing at my above referenced premises.
