

WEST MEAD TOWNSHIP
NOTICE OF DETERMINATION OF LOCAL TRAFFIC

(For use subject to the below listed provisions)

Determination

The Township has reviewed the anticipated heavy hauling request of the individual or company listed below. As a result of this review, the Township has determined the hauler is taking the only available route to or from the stated destination and will not cause significant damage to the highway and therefore should be considered "Local Traffic" in accordance with the provisions listed below.

IT IS AGREED

This determination may be terminated at any time by the Township if it has been determined that fraud or abuse of the "Local Traffic" privilege exists. This designation does not authorize the bearer to exceed any maximum vehicle size or weight limits or Township Regulations other than exceeding said posted weight limit.

In order for this Notice of Determination of Local Traffic to be valid a copy of this document shall be carried in the vehicle while traveling upon the highway specified. In the absence of this document the user may be subject to fines and penalties.

If deterioration occurs due to said heavy hauling, the bearer will be notified and required to enter into an Excess Maintenance Agreement.

Maximum Number of Loads

A maximum of ____ load(s) per day with a total not to exceed ____ load(s) total, regardless of the number of vehicles utilized. Beginning at _____ on _____ and ending at _____ on _____.
