

## **Municipality of West Milton**

The West Milton Utility Department will tentatively be flushing fire hydrants the week of September 11<sup>th</sup>, 2023. This is an annual program and is scheduled to start each morning at 3:00 a.m. and continue until each section is complete.

The town will be split into 5 sections, and one section will be done each day.

The dates and sections are:

**SECTION ONE – MONDAY September 11<sup>th</sup>**

Donna Jane Ct. South to Hamilton St.

**SECTION TWO – TUESDAY September 12<sup>th</sup>**

Hamilton St. South to Philip Drive

**SECTION THREE – WEDNESDAY September 13<sup>th</sup>**

Philip Drive South to Woods Drive

**SECTION FOUR – THURSDAY September 14<sup>th</sup>**

Woods Drive South to Baker Rd; also St. Rt. 48 North to Ludlow Falls and the town of Ludlow Falls

**SECTION FIVE - FRIDAY September 15<sup>th</sup>**

Stone Meadows Subdivision, Milton Potsdam Rd. (new school)  
Black Oak Dr. Dogwood, West end of Wright, Wagner Roads

*Customers may notice fluctuations in pressure throughout this period, and some cloudiness in the water may be present. Customers should not do laundry in section being flushed. Any questions, please contact West Milton Utilities at 937-698-1500*
