Interim Mayor Hernandez Sworn In

ODOT ADA Accessibilty Ramps

The City would like to formally thank Ila Skyberg for her many years of committed service to our community, she will be deeply missed. Ila Skyberg's last day as the Mayor of Willamina was September 10th.

At the council meeting on September 10th. Councilor Hernandez was appointed to interim Mayor to finish Mayor Skyberg's term through December 2024. Interim Mayor Hernandez was sworn in by Rita Baller after her acceptance.

For any inquiries directed to the interim Mayor, you may contact Vickie Hernandez at hernandezv@ci.willamina.or.us or leave a message at City Hall.

For general inquires please contact Bridget Meneley at meneleyb@ci.willamina.or.us.

“Whether you drive, ride, walk or roll, ODOT is committed to providing the best accessibility possible to all people using the transportation system. One of the ways they are doing this is by making curb ramps along the highways meet current American with Disabilities Act (ADA) accessibility standards. Some corners only need minor work or signs but some corners require a full rebuild or installation. ODOT inventoried all existing curb ramps and intersections still needing curb ramps on the highways and are addressing them through projects like this one in our town where they'll be working on roughly 70 ramps.”

(Brennan Burbank – ODOT)
