The Prison Rape Elimination act requires that the Williams County Corrections Center (WCCC) prepare an annual report on the effectiveness of its efforts to reduce sexual abuse while being housed at the WCCC. The following information details WCCC's compliance with the standards proscribed by the PREA Act. These standards are outlined in the U.S. Code of Federal Regulations— 28 C.F.R. Part 115.

In 2003, the Federal Government signed into law the Prison Rape Elimination Act (PREA). This law established a set of standards designed to eliminate sexual abuse and sexual harassment experienced by individuals incarcerated in correctional facilities in our nation.

As a grade 1 correctional facility in North Dakota, The WCCC has adopted these standards in preventing, detecting, responding to, and eliminating acts of sexual abuse & sexual harassment in our facility. The WCCC has zero-tolerance for any form of sexual abuse & sexual harassment.

The WCCC and the Williams County Sheriff's Office (WCSO) investigate all allegations of sexual abuse and sexual harassment and provide inmates with numerous methods of reporting to include, but not limited to:

- Verbally tell any staff member/contractor/volunteer
- Write any staff member/volunteer/contractor
- Have a third party make the report by contacting any WCCC or WCSO staff member in writing or verbally
- Contact a third party by writing or calling (inmates are provided this contact information)
- Call the Rape Crisis line which is accessible by any inmate phone

Any allegations of sexual abuse will be referred to law enforcement for investigative purposes. Any person found to engage in a criminal act will be prosecuted to the fullest extent of the law. Any staff member found to violate WCCC's policy regarding PREA will be subject to disciplinary sanctions up to and including termination from employment.

The WCCC has taken several proactive steps to help ensure compliance with PREA standards.

Summary of Actions or Achievements:

In early 2019, the Williams County Correction Center completed its first PREA Audit gaining compliance. WCCC has a total capacity to hold up to 246 inmates. WCCC finished their second PREA Audit in 2021 with full compliance under the PREA standards.
