

Time Payment Plans

Pre-need grave sales:

- ◆ Down payment of 25%.
- ◆ Non-refundable account administration fee of \$40.00.
- ◆ Equal installments for no more than 12 (twelve months)

Pre-need opening and closing costs:

- ◆ Down payment of 25%
- ◆ Non-refundable account administration fee of \$15.00
- ◆ Equal installments for no more than 12 (twelve months)

If the time payment plan is not satisfied within the twelve (12) month period, the purchaser forfeits all moneys paid to the cemetery, and the cemetery may reclaim the sites for resale without recourse.

Grave sites must be paid in full before any adornments (foundations, monuments, etc.) may be placed on the gravesite. No interment can occur until grave sites are paid in full and opening and closing costs are paid to the cemetery.

In order to request a time payment plan for opening and closing a grave, a grave site must already be purchased.

Perpetual Care

Perpetual care is included in the price when a grave is purchased at Sugar Grove Cemetery. Perpetual care shall include the mowing of lots and filling of depressed graves.

The City of Wilmington is not responsible for damages to headstones, vases, monuments, vaults, foundations or mausoleums resulting from the ordinary hazards of cemetery work, vandalism or natural causes. Such items are personal property.

Deeds and Resale of Lots

Deeds shall be issued on all graves. The deed of a lot conveys only the right of burial therein. Any person wishing to sell lots must first offer the lots to the Director of Public Service at the original purchase price, minus a five percent (5%) administration charge. No sale, transfer or conveyance of any cemetery lot or interest therein shall be valid without the consent of the Director of Public Service.

Stone and Monument Policy and Restrictions

- ◆ Each monument shall be placed on an approved foundation.
- ◆ All foundations shall be poured by the City of Wilmington and are paid for by the purchaser. A 2-inch border is required. (See the Foundation and Markers Fee Schedule for pricing.)
- ◆ Foundations shall be poured periodically throughout the year, depending on the number of orders and are guaranteed for twelve (12) months from the date of inspection.
- ◆ The Director of Public Service shall have the right to limit the size, design, and type of material of monuments to prevent possible settling or injury to the stonework.

Memorial Benches Policy

Memorial benches must be approved by the cemetery. Benches must be of wrought iron or concrete and must be set on a permanent foundation of ample size to sustain the weight of the bench through the years. A land use fee may be assessed by the cemetery.
