SPECIAL MEETING
JULY 28, 2022
5:00 p.m.

Present: Chairman William Winters, Jason Crawford, Randall Chess, Secretary Renee Hayes.
Guests: Scott & Laura Wright

Chairman Winters limited public comments to five (5) minutes.

This meeting was advertised and called to discuss the development of a solar ordinance for the township.

After reviewing several ordinances and discussion with the Wright's about their concerns, Randy moved to request the Solicitor to draft an ordinance, as soon as possible, using the East Fairfield and Venango Township ordinances as guides and incorporating the best features of both along with the suggestions the Wright's submitted, seconded by Jason. All voted in favor, none opposed, motion carried. Renee will get clarification on moratoriums.

Zoning was discussed as it pertains to more than one dwelling per parcel. Renee will work with the solicitor to come up with language to amend the zoning ordinance in the best interest of all residents in the township.

The meeting adjourned at 6:01 p.m.
