

Woodcock Township Supervisors
Road & Property Maintenance Tour October 25, 2022 3:00 p.m.

Supervisors Bill Winters, Jason Crawford and Randy Chess were present as well as Renee Hayes, Secretary & Code Enforcement Officer.

All four toured the township and made notes of the road issues as well as property maintenance issues. The Property Maintenance issues will be handled through the usual manner.

This was a nice opportunity to view issues together and make certain we were all on the same page about prioritizing and dealing with them.

The meeting ended approx. at 7:00 p.m.
