PARTNERSHIP WITH BOLT6

Pro Volleyball Federation began the inaugural season in partnership with Bolt6, a sports technology leader that delivers services in tracking, video replay and XR products.

Bolt6 is providing the League with video replay officiating that utilizes broadcast and 14 specialist 4K cameras placed around the court. While the video is made available to anyone with a device and internet connection, the Pro Volleyball Federation is using a centralized replay center – a world first for volleyball. Bolt6 will also provide the output of the decision to broadcast, in-stadium displays, and first referee.

CBS SPORTS AS PRO VOLLEYBALL FEDERATION'S FIRST MEDIA RIGHTS PARTNER

CBS Sports is the first partner to be announced as part of Pro Volleyball Federation’s media rights package, which is expected to include both domestic and international rights. The multi-year CBS Sports agreement includes a minimum of 10 matches to be aired in 2024, plus the semifinals and championship match of Pro Volleyball Federation’s championship weekend.

The CBS Sports matches will be aired primarily on CBS Sports Network in 2024, with opportunities for matches to also be aired on CBS throughout the term of the partnership. The League’s complete national broadcast schedule, along with additional media rights partners, will be announced at a later date.

LANDMARK AGREEMENT WITH VOLLEystation

VolleyStation will provide a centralized data management system to help the League create a database of teams, players, and matches. This information will be shared via Pro Volleyball Federation digital platforms seconds after the conclusion of a point. Data will be pushed in real-time to both teams, websites, and the media and can seamlessly integrate with television broadcast outlets to allow for in-depth analysis during a match.

VolleyStation is not limited to match statistics, as coaches can use data to scout opponents as well as evaluate players on their own rosters. In addition, the system will provide video as well as live webinars to train officials to work comprehensively with the system.

PRO VOLLEYBALL FEDERATION, USA VOLLEYBALL ANNOUNCE ALLIANCE

Pro Volleyball Federation has teamed up with USA Volleyball – the national governing body of the sport in the U.S. – to promote volleyball at its highest level.

USA Volleyball will support Pro Volleyball Federation’s professional league in America, which launches in January. The partnership reinforces the League’s commitment to work with USA Volleyball clubs, athletes and regions while USAV supports Pro Volleyball Federation’s commitment to providing top professional opportunities to America’s greatest female volleyball players.

Pro Volleyball Federation currently boasts 17 players from the United States who have spent time in the U.S. National Team gym. Overall, there are 35 domestic and international players in the League who have been part of their respective country’s Olympic or national team system.

More than 135 athletes have signed contracts to play in the inaugural season of Pro Volleyball Federation. They will be led by a group of accomplished coaches who have combined for more than 2,500 career victories.

VALKYRIES ENGAGE IN HARD-FOUGHT BATTLE, FALLS SHORT TO VIBE IN FIVE THRILLING SETS

In their first away match, the Orlando Valkyries (1-2) were defeated by the Atlanta Vibe (4-1), at Atlanta's Gas South Arena on Monday night. It was an intense battle, with Orlando taking the match's second and fourth set, and Atlanta winning sets one, two, and five.

Valkyries Adora Anae led both teams in total points and kills with a tally of 30 points, 26 of which came from kills.

Set 1

In the opening set, the Valkyries and the Vibe were in a close contest marked with frequent lead changes. Atlanta would claim the opening point of the match and from then on, the two teams would continue to trade points early in the set. The Valkyries gained their first lead at 10-9 following a pivotal block by M'Kaela White. The Vibe would reclaim the lead at a scoreline of 13-12. The teams remained neck and neck, until Atlanta would go on a 6-point run, ending the set 25-21.

Set 2

Starting the second set, Atlanta's Leah Edmond made a service error, allowing the Valkyries to secure the first point of the set. Following this, both teams traded points until the Valkyries went on a 4-point run, extending their lead to 14-9, the largest of the set. The Valkyries maintained their advantage throughout, ultimately ending the set with at 25-19, tying the match.

Set 3

In the third set, The Vibe surged ahead early on, but the Valkyries fought back, tying the score at 11-11 with a kill by Kaz Brown. Atlanta then capitalized on a 3-point run, establishing a lead they maintained until the end of the set, closing it out at 25-21.

Set 4

In the beginning of the fourth set, both the Valkyries and Vibe frequently tied the score or exchanged narrow leads. However, an attack error by Atlanta allowed Orlando to edge ahead, securing a two-point lead at 17-15. With a kill by Anae, the Valkyries extended their lead to 20-16, marking the first 4-point advantage of the set. Despite Atlanta's attempts to mount a comeback, a kill by Jill Gillen evened the match.

Set 5

The fifth set would continue the trend of the two teams tying the match back and forth, mirroring the preceding sets. The Valkyries would lose their lead at 15-14 with the Vibe scoring the last three points, winning the match 3-2.
