The last time these teams met was in the very first match in Pro Volleyball Federation history, when Atlanta defeated the Supernovas in Omaha in five sets on January 24. The Vibe went up 2-0 in the match but lost the third and fourth sets to send it to a fifth deciding set - which Atlanta won just 15-13.

Alli Linnehan tallied 13 kills and 16 digs on her way to the first ever Pro Volleyball Federation Player of the Week honor.

LEAH EDMOND CLAIMS WEEK 2 PVF PLAYER OF THE WEEK

Linnehan's college teammate Edmond helped the Vibe clean up the first two weeks of the Pro Volleyball Federation's Player of the Week awards, after Edmond led the Vibe to a 3-0 sweep over San Diego in the team's home opener on Thursday, February 1.

She tallied 16 kills in only three sets (5.3 per set), hitting at a .407 clip. A native of Lexington, Ky., she was dominant in the match, recording 20 points (aces + kills + blocks) while adding season-highs with two aces and two blocks.

The Atlanta Vibe stayed perfect on Thursday, Feb. 1 to sweep the San Diego Mojo in front of a crowd of 6,100 at Gas South Arena.

Outside hitter Leah Edmond led the Vibe with 16 kills on a .407 hitting percentage, while middle blocker Shelly Fanning led the team with 6 blocks. Setter Tori Stringer put up 37 assists in the three-set match, while libero Morgan Hentz and outside hitter Lektor Member-Meneh teamed up on defense for 13 and 10 digs, respectively.

ALLI LINNEHAN IS FIRST EVER PRO VOLLEYBALL FEDERATION PLAYER OF THE WEEK

After scoring the first two points in Pro Volleyball Federation history, Vibe outside hitter Alli Linnehan claimed the league's first weekly award as she was named the Player of the Week on Tuesday, January 30.

Linnehan helped Atlanta to a league-leading two wins in opening week, starting in every set of both five-set matches. She led the team with 23 digs in the team's win over Orlando (1/26), bringing her to an average of 3.9 digs per set on the week. She also averaged 2.0 kills per set in both wins and tallied five total blocks.

VIBE WIN INAUGURAL PRO VOLLEYBALL FEDERATION MATCH

Wednesday night's matchup between the Atlanta Vibe and the Omaha Supernovas marked the first ever match in Pro Volleyball Federation history. Both teams were tabbed to finish second and first in the league's preseason poll, respectively.

After the Vibe went up 2-0 in the match, Omaha rallied back to tie it up and send it to a deciding fifth set. Leah Edmond's 27th kill of the night finished off the game to give the Vibe the first win in Pro Volleyball history.

Alli Linnehan had the first kill of the match, giving her the first point in PVF history. The last time Linnehan played at the CHI Health Center was in the 2020 NCAA Championship, when she knocked down the final kill in the match to give Kentucky their first and only National Championship.

The Vibe were tabbed to finish second in the inaugural season of the league, receiving two first-place votes to finish just one point behind the Omaha Supernovas.

Two Atlanta players were selected for the Preseason All-League team – outside hitter Leah Edmond was a unanimous selection, and the addition of libero Morgan Hentz makes Atlanta the only team in the league to place more than one player on the Preseason team.

The multi-year CBS Sports agreement includes a minimum of 10 matches to be aired in 2024, plus the semifinals and championship match of Pro Volleyball Federation's championship weekend.

The CBS Sports matches will be aired primarily on CBS Sports Network in 2024, with opportunities for matches to also be aired on CBS throughout the term of the partnership. The League's complete national broadcast schedule, along with additional media rights partners, will be announced at a later date.

PRO VOLLEYBALL FEDERATION, USA VOLLEYBALL ANNOUNCE NEW ALLIANCE

Pro Volleyball Federation has teamed up with USA Volleyball – the national governing body of the sport in the U.S. – to promote volleyball at its highest level.

USA Volleyball will support Pro Volleyball Federation's professional league in America, which launches in January. The partnership reinforces the League's commitment to work with USA Volleyball clubs,

athletes and regions while USAV supports Pro Volleyball Federation's commitment to providing top professional opportunities to America's greatest female volleyball players.

Pro Volleyball Federation currently boasts 17 players from the United States who have spent time in the U.S. National Team gym. Overall, there are 35 domestic and international players in the League who have been part of their respective country's Olympic or national team system.

More than 135 athletes have signed contracts to play in the inaugural season of Pro Volleyball Federation. They will be led by a group of accomplished coaches who have combined for more than 2,500 career victories.

PVF'S LANDMARK AGREEMENT WITH VOLLEystation

Pro Volleyball Federation – the premier women's volleyball league in North America – continues to establish itself as a sports technology leader with the announcement of its agreement with Volleystation as the official data management partner for the League.

Volleystation will provide a centralized data management system to help the League create a database of teams, players and matches. This information will be shared via Pro Volleyball Federation digital platforms seconds after the conclusion of a point. Data will be pushed in real time to both teams, websites and the media and can seamlessly integrate with television broadcast outlets to allow for in-depth analysis during a match.

Volleystation is not limited to match statistics, as coaches can use data to scout opponents as well as evaluate players on their own rosters. In addition, the system will provide video as well as live webinars to train officials to work comprehensively with the system.
