## News, Notes & Numbers

- ⇒ Atlanta extended its PVF-record winning streak to 11 matches with a 3-0 road sweep of first-place Omaha on April 19. The sweep was the first for the Vibe against the Supernovas in franchise history and marked just the fourth time Omaha has been swept in its history. The Vibe's streak, which began on March 7, gives Atlanta three of the four longest winning streaks in PVF history, as it posted runs of seven and five matches in 2024. The Vibe are 6-0 at home and 5-0 on the road during their run and have been extended to five sets just three times in 11 matches.
- ⇒ Atlanta's Leah Edmond broke her own PVF single-season points record with her six-point performance in the Vibe's road sweep of Omaha on April 19. Edmond now has 443 points in 2025, breaking her mark of 438 from a year ago.
- ⇒ Grand Rapids blocked a four-set PVF season-high 21 shots in their 3-1 win at Indy on April 19. The total upped their league season blocks record to 293 this season and was the second 20+ block match in seven days. The Rise set a PVF five-set match record with 24 against Indy on April 12.
- ⇒ Ali Bastianelli of Grand Rapids broke the PVF single-set record for blocks with six in the third set of the Rise's 3-1 win at Indy on April 19. Bastianelli finished with a league four-set season-high nine blocks in the win to extend her PVF career and season blocks records to 143 and 81, respectively.

## Vibe Extend PVF-Record Win Streak To 11 Straight

Atlanta extended its PVF-record winning streak to 11 matches with a 3-0 road sweep of first-place Omaha on April 19. The sweep was the first for the Vibe versus the Supernovas in franchise history and marked just the fourth time Omaha has been swept in its team history. The Vibe's streak, which began on March 7, gives Atlanta three of the four longest winning streaks in PVF history, as it posted runs of seven and five matches in 2024. The Vibe are 6-0 at home and 5-0 on the road during their run and have been extended to five sets just three times in 11 matches.

# PVF Championship Seeding Policies & Procedures

If, following the completion of regular season play, there are ties among the teams in the standings, the following tiebreakers shall be used to determine playoff seeding and/or postseason participation.

The teams with the highest winning percentages will be seeded one through four. If there are any ties among the teams with the four highest winning percentages, the following tiebreakers should be utilized to break all ties:

1. Match points totals. Teams will be assigned point totals during the regular season based on the scores of each match. Points are assigned as follows:
  - a. 3 points for winning a match by the score of 3-0 or 3-1
  - b. 2 points for winning a match by the score of 3-2
  - c. 1 point for losing a match by the score of 2-3
2. Head-to-head results for all matches played amongst the tied teams
3. Sets ratio (Sets won divided by sets lost) for regular season matches only
4. Points ratio (Points won divided by points lost) for regular season matches only
5. Coin toss

In the event the tiebreakers are reduced to a coin toss, each team involved would be permitted to have a representative as part of the coin toss process, which will be held in person with league representatives or via video meeting in a timely manner the same day as the last regular season match is final.

If more than two teams have the same exact winning percentage after the regular season, the tiebreakers shall be used until one team is eliminated, at which point the tiebreaker between the remaining teams reverts to the first tiebreaker and the process continues until one team remains. If one team wins a multiple-team tiebreaker and is seeded, the remaining teams with an identical winning percentage go through the tiebreakers in a similar fashion until there is a single winner among the tied teams.

## Viva Las Vegas! PVF Championship Set For Entertainment Capital

Pro Volleyball Federation (PVF), the leading professional volleyball league in the United States, will cap off its 2025 season with the PVF Championship in Las Vegas. The three postseason matches will take place at Lee's Family Forum in Henderson, Nev., home of the Vegas Thrill, with semifinal matches on Friday, May 9 and the Championship "Match for a Million" on Sunday, May 11.

The "Match for A Million" offers the most lucrative prize in American volleyball. The winning team earns a one million dollar bonus to be distributed among its roster players. Two semifinal matches will precede the title match on Friday evening. All three matches will be broadcast nationally on CBS Sports Network, continuing PVF's mission to bring unmatched visibility to its athletes and fans.

"Las Vegas is a destination city and the destination each PVF team fights to reach at the end of our extremely competitive season," touted Jen Spicher, Pro Volleyball Federation CEO. "We've built the most competitive league in the sport, and this championship is the culmination of an incredible season. We are thrilled to give our fans and followers a great reason to travel there to watch our top teams in person as they compete for a million dollars.
