MATCH PREVIEW

MATCH TWENTY-SIX PREVIEW – VALKYRIES VS FURY

With three matches left to go in the regular season, the Valkyries will embark on their final week starting on Sunday, when they take on the Columbus Fury for their home finale, starting at 6:00 p.m.

Orlando currently holds the season series 3-0 and the last time these two teams faced off against each other, Orlando swept Columbus on the road on April 18.

Key to the Match for Orlando:

Blocking on both sides: On Friday night the Valkyries put up a season-high 14 blocks, suffocating an Indy offense that can score points at will. That will have to be the same mentality against a Columbus team that has played much better as of late despite their record. Not only will their blocking be a point of emphasis, but the way they attack can be a huge difference maker.

Columbus was able to out block Omaha 13-10, forcing the number one seed into a five-setter. Orlando will need to be ready, as Columbus could stall the Valkyries hitting approach and get them into a slugfest, which is what Columbus will try to do.

Valkyries Players to Watch:

Kaz Brown (Middle Blocker): Brown has recorded at least one block in 20 consecutive matches, as well as recording 2 or more in the last four. Brown always looks to provide some type of energy to her teammates any way she can. Whether with a block, service ace or a kill, look for Brown to continue being a huge part in the Valkyries' success on both sides of the net.

Brittany Abercrombie (Opposite Hitter): Leading the league in points, kills, and kills per set, Abercrombie is making a great case for league MVP. In six straight matches, she has recorded more than 11 kills, filling up the stat sheet and helping her team in any way she can. The last time she played Columbus, she put up 19 kills on a .500 efficiency.

By the numbers: The Valkyries are 6-4 when they record more than five service aces in a match.

Fury Players to Watch:

Janice Leao (Middle Blocker): In the five setter against Omaha, Leao was a force to be reckoned with, posting a career-high eight blocks in the match. If Columbus is going to pull off the upset win on Sunday, Leao will be a key point in trying to slow down Orlando's offense

Kaylee Cox (Outside Hitter): Cox is coming off a 16 kill performance on a .262 efficiency against Omaha, as she played a massive part in pushing the match to five sets. Columbus will need a similar performance offensively to get in a rhythm early and often on Sunday. It was the ninth match this season where Cox put up 10 or more kills in a single match.

By the numbers: Columbus is 5-7 when they record 10 or more blocks in a match

VALKYRIES TAKE DOWN MOJO IN THREE

In their home opener, the Orlando Valkyries [1-0] swept San Diego Mojo [0-1] at Addition Financial Arena on Thursday night. Orlando charged ahead early and carried their momentum to the end of the match.

Adora Anae led both teams with 14 kills, as well as registering two blocks and nine digs in the contest.

Set 1: San Diego opened the match with the first kill by **Regan Pittman**. It was a back-and-forth affair between both squads until the Valkyries took their first lead of the match (9-8) with an impressive push to the back right corner by **Kaz Brown**. The Mojo continued to match the Valkyries aggressiveness, as the score was knotted up at 14 apiece. The Valkyries would pull ahead 19-15, with a 5-1 run. Orlando would go on to dominate the set, winning 25-18 off an **Adora Anae** kill. **Brittany Abercrombie** and **Kaz Brown** each tallied four kills in set one.

Set 2: The Valkyries started set two right where they left off, with **Courtney Schwan** getting the scoring going. As the two teams went back-and-forth most of set two, Orlando would continue to press on the gas pedal, as their lead grew to 18-12. San Diego, looking to create a spark on offense, just couldn't get anything going, as the final of set two repeated set one, with Orlando winning 25-18. **Adora Anae** led the charge with seven kills in set two.

Set 3: San Diego took advantage of an Orlando service error, jumping out to an early 4-1 lead. The Mojo showed signs of toughness and grit, eagerly determined to claw their way back in the match. However, after taking a 10-9 lead in the third set, Orlando answered quickly, jumping ahead and never looking back as they take match one against the San Diego Mojo 3-0.

VALKYRIES SUFFER FIRST LOSS TO IGNITE

The Orlando Valkyries [1-1] were unable to spoil Indy Ignite's [1-0] home opener, falling 3-1 by set scores of 25-13, 19-25, 17-25, 21-25.

Brittany Abercrombie led the Valkyries with 18 total points, registering 17 kills, one block and nine digs in the contest.

Set 1: Orlando set the tone early in the match, sparked by a powerful kill from Brittany Abercrombie to open the scoring. Indy initially matched the Valkyries' intensity, trading points and even grabbing a brief lead (5-4). However, Orlando soon found their rhythm, embarking on an impressive 17-8 run fueled by exceptional defense that forced the Ignite into committing seven errors. Brittany Abercrombie, who sparked the Valkyries' momentum, continued her dominance with five kills in the set, sealing a 25-13 victory for Orlando in the opener.

Set 2: Building on their strong start in the first set, Brittany Abercrombie once again sparked the Valkyries' offense, helping them race to an early 6-2 lead. However, after a slow start, Indy began to find their rhythm. Led by a dominant stretch from Leketor Member-Meneh, who delivered eight kills, the Ignite seized their first lead of the set at 16-14. Indy maintained their momentum through the remainder of the set, outpacing the Valkyries and closing it out with a 25-19 victory, as Orlando wasn't able to match the Ignite's response. Leketor Member-Meneh led all attackers in set two with eight kills on a .727 hitting percentage.

Set 3: Nina Cajic got set three underway for the Ignite, helping them establish an early 3-1 lead. Both teams battled fiercely in a back-and-forth exchange, with Indy leading 13-10. The Ignite would start to pull away, extending the score to as much as 20-13, fueled by strong defensive play and a key block from Leketor Member-Meneh that limited Orlando's attack to a .095 hitting percentage. Maintaining their momentum, Indy closed out the set decisively with a 25-17 victory. Azhani Tealer recorded nine kills in set three.

Set 4: Facing a 2-1 deficit, Orlando needed to neutralize Indy's outside attack to stay in the match. The Valkyries started set four strong, with Brittany Abercrombie and Courtney Schwan combining for two pivotal blocks. However, Indy answered with a surge of their own, building a 9-4 lead. With their backs against the wall, Orlando regrouped and rallied with a 7-3 run, narrowing the gap to 12-11. Despite the effort, it wasn't enough, as Indy held firm to secure a 25-21 win in set four, and handing Orlando their first loss of the season.

VALKYRIES DEFEAT MOJO IN FOUR

The Orlando Valkyries [2-1] secured their first road win of the season over the San Diego Mojo [1-2] winning 3-1 by set scores of 25-23, 20-25, 25-17, 25-15.

Adora Anae led the Valkyries with 27 kills, setting a new career high. She also had 10 digs and one block, securing her first double-double of the season.

Set 1: Adora Anae set the tone early for Orlando, getting the scoring started and taking an early charge with a 8-5 lead. San Diego, looking to even up the season series vs. Orlando, focused their offense on Kendra Dahlke, who missed most of the first matchup. Dahlke would provide a big spark by scoring five of the Mojo's first nine points. Despite San Diego's efforts, Orlando maintained control throughout the first set, never giving up the lead. The Valkyries sealed the set with a 25-23 victory, fueled by standout performances from Courtney Schwan and Adora Anae, who each contributed four kills.

Set 2: Much like in the opening set, Adora Anae provided the spark for the Valkyries as they aimed to make it five consecutive set wins to start the year against San Diego. However, the Mojo were ready for the challenge and responded pulling ahead with a 12-9 lead, after a back-and-forth affair. Despite Orlando's efforts to keep pace, costly errors in the serving game—seven service errors alone in set two—began to take their toll. This opened the door for San Diego to seize momentum with a decisive 5-0 run, ultimately clinching the set 25-20. Maya Tabron shined for the Mojo in set two, leading her team with five kills.

Set 3: The Valkyries aimed to bounce back in set three, while the Mojo looked to build on the momentum they had gained at the end of set two. After being limited to just one kill in the previous set, Brittany Abercrombie came out firing, delivering the first two Valkyries kills and igniting a spark that powered her team to a 15-10 lead. Abercrombie's impact extended beyond her attacks—her dominance at the net, along with Natalie Foster's strong blocking, stifled San Diego's attempts to close the gap. The Valkyries sealed the set with a 10-7 run, capped off by a big block from Natalie Foster. Abercrombie finished the set as the team leader in kills with seven, boasting a stellar .462 hitting percentage.

Set 4: Trailing 2-1 in the match, San Diego faced a tough situation as they fought to force a decisive fifth set in front of their home crowd. They came out strong, jumping to an early 3-1 lead. However, Orlando remained relentless, refusing to let the match get to five sets. The Valkyries surged ahead, climbing to an impressive 18-10 lead and maintained their momentum to close out the match with a commanding 3-1 victory over the San Diego Mojo. Adora Anae led the charge for Orlando, recording seven kills in the final set.

VALKYRIES FALL TO THRILL IN FIVE

The Orlando Valkyries [2-2] fall to the Vegas Thrill [3-1] in five sets, with set scores of 25-22, 23-25, 25-14, 21-25, 12-15.

Brittany Abercrombie had a career night, leading the Valkyries with 33 total points, recording 30 kills, two blocks and eleven digs in the contest.

Set 1: After completing a reverse sweep against Omaha at home, Vegas hit the ground running off a back-row attack from **Hannah Maddux** that helped them jump to an early 6-2 lead. However, Orlando wasted no time responding as **Kaz Brown** and **Hannah Pukis** delivered defensively, each of them recording a block during a 4-0 run, tying the score at 6-6. Vegas regained momentum and built a four-point lead at 13-9, but Orlando refused to back down. They clawed their way back into the set eventually taking their first lead 23-22. Orlando would finish on a 10-3 run, winning 25-22. **Brittany Abercrombie** led the Valkyries with seven kills in set one.

Set 2: After being held to just one kill in the first set, the Valkyries looked to get **Adora Anae** going early, and she helped get things started. A completely different tone from set one saw the Valkyries get off to a much better start, as both teams went back and forth, with Orlando getting up to as much as a four-point cushion at 17-13. Vegas would give Orlando a taste of their own medicine, as they were able to get hot at the right moment, taking a late lead and winning set two 25-23. **Hannah Maddux** would lead the Thrill with six kills.

Set 3: Making her first start at setter this season, **Hannah Pukis** got things started in a big way off a service ace, as the team would build on it to a 5-2 lead. Although the Valkyries started on fire, the Thrill quickly caught up, taking a 10-9 lead. However, after taking the lead, the Thrill would struggle to get anything going. Orlando responded by retaking the lead at 15-14, and would finish on a 10-0 run, cruising to a 25-14 victory. Just like set one, **Brittany Abercrombie** led all hitters with seven kills in set three.

Set 4: Building off the momentum going up 2-1 in the match, Orlando jumped out to a 4-0 lead, thanks to a pair of rookies providing some energy, a block by **Norah Sis** and a service ace from **Natalie Foster**. With Orlando getting up early, Vegas showed incredible resilience, as their backs were against the wall the entire set. They were able to take advantage of the Valkyries missed opportunities, soaring back out in front to a 16-12 lead. From that point on it became the **Allison Mayfield** and **Hannah Maddux** show, as Vegas forced a deciding set five with a set score of 25-21. **Allison Mayfield** would finish with five kills in set four.

Set 5: Set five ended in a wild finish as the Vegas Thrill ultimately won 15-12. Both teams went neck and neck with a score of 8-8. Orlando would call a timeout after Vegas went up by two, trying to slow down the attack and really get the team to respond as it was a race to 15 points. Vegas went on to win the match, improving to 3-1 on the year.

VALKYRIES DROP TOUGH ONE AT HOME TO THRILL

The Orlando Valkyries [2-3] fall 3-1 at home to the Vegas Thrill [4-2] by set scores of 25-15, 23-25, 17-25, 22-25.

Brittany Abercrombie led the Valkyries with 23 total points, collecting 23 kills and eight digs in the contest.

Set 1: The Valkyries got off to a scorching 5-0 start, thanks to three blocks, two from **Natalie Foster** and one from **Adora Anae** to get things started. The Thrill would quickly call a timeout, trying to stop the momentum and get themselves back in the match. They would do just that, bringing the score to as close as 12-9, with **Hannah Maddux** grabbing four kills in the process. Even though Vegas fought all the way back to as much as a three-point deficit, they couldn't overcome the slow start, never obtaining the lead once and eventually losing 25-15. **Brittany Abercrombie** led the way with six kills in set one.

Set 2: **Natalie Foster** would get things going for Orlando in set two. The Thrill would have a much better start this go around, taking their first lead of the match at 7-6. Both teams would go on offensive tears, battling back and forth all the way until the final point, as the Thrill took the second set 25-23, as the Thrill's leading attacker, **Hannah Maddux**, grabbed her fourth kill of the set.

Set 3: For the first time in this match, Vegas got things going first thanks to **Morgan Stout**. As both teams battled back and forth, with the score knotted up at 6-6, the Thrill would go up 12-7, thanks to a 6-1 run, fueled by opportunistic hitting from **Hannah Maddux**, who notched three kills during the spree. Vegas continued growing its lead, as they ended up winning the set 25-17. **Hannah Maddux** led the Thrill with six kills.

Set 4: As Orlando had their backs against the wall, **Brittany Abercrombie** and **Adora Anae** were determined to force a fifth set, grabbing an 8-6 lead, with Anae and Abercrombie accounting for six of the first eight points. Vegas refused to give up, matching Orlando's intensity and leveling the score at 16-16. A race to 25, either to push the match to five sets or allowing Vegas to steal a road win, saw Vegas capture their first road win of the season by a set score of 25-22. **Hannah Maddux** achieved another impressive set, finishing with seven kills.

VALKYRIES FALL IN FIVE TO RISE

The Orlando Valkyries [2-4] drop their third loss in a row to the Grand Rapids Rise [3-3] 3-2, by set scores of 26-24, 15-25, 25-17, 18-25, 12-15.

Natalie Foster led the Valkyries with 18 total points, including 12 kills, five blocks, four digs, and one service ace in the contest.

Set 1: After coming off her most impressive match against Vegas, **Natalie Foster** got things started for Orlando, while the reigning Player of the Week **Carli Snyder** got the home crowd fired up, with a big swing of her own, and we were off and running in the first set. Both squads came out the gate on fire offensively, trading blows back-and-forth, as each team sported a .310 hitting percentage as Orlando took a 16-14 lead. In such a tight affair with Orlando up 19-18, **Courtney Schwan** served a pin point accurate ball for an ace, in what would be the momentum push the Valkyries needed, as **Brittany Abercrombie** dealt the final blow as Orlando takes set one 26-24. **Brittany Abercrombie** finished with 11 kills

Set 2: Undefeated in all five first sets this season, the Valkyries mission was to continue riding their momentum heading into the second set, getting off to a quick 3-1 start thanks to two kills by **Abercrombie** and **Foster**, as well as an ace by **Anae**. Just like set one, Grand Rapids would match Orlando's energy and would eventually grab their biggest lead of the match 15-10, taking advantage of the Valkyries miscues. After Orlando called a timeout, Grand Rapids cruised all the way to a 25-15 win. **Naya Shime**, **August Raskie**, **Erika Pritchard**, and **Carli Snyder** all led with three kills.

Set 3: Set three started off similarly to set two, with Orlando up 5-2, followed by a short run from Grand Rapids, that saw them tie the set at 9-9 off a kill by **Naya Shime**. **Natalie Foster**, who ranks second in the league in service aces, delivered yet another beautiful jump serve that resulted in a service ace, giving the Valkyries a three-point cushion at 13-10. Riding the hot streak, Orlando would get up to 18-11 and go on to win 25-17. **Courtney Schwan** led the Valkyries with six kills.

Set 4: Grand Rapids, looking to find a way to force a fifth set at home, got off to an unreal start, with a .400 hitting percentage, as the Rise led 11-10. **Carli Snyder**, with back-to-back service aces, got the home crowd back into the match, as the Rise fed off their energy, getting up to as much as a 19-11 lead. After a double substitution that saw **Hannah Pukis** and **Lydia Grote** come in, Orlando would score four straight from kills by **Kaz Brown**, **Shannon Scully**, and **Lydia Grote**. Even after the short run, the Valkyries were not able to come back from their early deficit, falling 25-18. **Erika Pritchard** topped the kills leaderboard in set four with five kills.

Set 5: With a race to 15 in set five and both teams tied at 2-2, the Rise went on a 5-1 run, fueled by two kills as well as a block by **Erika Pritchard**, who had a stellar night with 19 kills on a .348 hitting percentage. **Marin Grote** also joined in on the fun, with three straight Rise points coming off blocks. Grand Rapids finishes the match with a 15-12 fifth set win, taking the match 3-2.

VALKYRIES BLANK SUPERNOVAS 3-0

The Orlando Valkyries [3-4] sweep the defending champion Omaha Supernovas [4-3] with set scores of 25-22, 25-18, 25-20

Brittany Abercrombie led the Valkyries with 19 total points, tallying 16 kills, 12 digs, two blocks and a service ace in the contest.

Set 1: **Adora Anae** set the tone right from the start as she got things going for Orlando. Fresh off a season-high 11 kills against Grand Rapids, **Courtney Schwan** picked up right where she left off, delivering back-to-back kills for a 3-2 lead. **Schwan** wasn't the only one to make their mark early in the match, as **Brittany Abercrombie** and **Adora Anae** would take turns scoring for Orlando, asserting an elite force up front, as the Valkyries took a 14-10 lead. Omaha, who is never out of a match, contained the early Orlando momentum and turned it into their favor, tying the set 19-19, with **Brooke Nuneviller** and **Kelsie Payne** combing for seven kills. Even with the late charge, the Valkyries stayed composed and finished how they started, taking set one 25-22. **Adora Anae** recorded nine kills on a .500 hitting efficiency.

Set 2: After taking set one, the Valkyries offense exploded right out the gate, taking a 5-1 lead. The Supernovas, after a slow start, showed signs of getting back into the match, but it was all Valkyries in set two. Known as one of the top offensive teams in the league, Orlando showcased their defensive potential, holding Omaha to a .000 hitting percentage and extending their lead to 15-8. The team's use of a double libero system, **Shannon Scully** and **Nalani Iosia**, played huge dividends defensively. Orlando would crank up the offensive intensity, as **Brittany Abercrombie** recorded five of her seven kills in the last ten points, sealing a 25-18 victory.

Set 3: Coming out of halftime, Omaha responded to the challenge being down 2-0 in the match with a quick 6-2 lead. However, that lead quickly diminished with Orlando going on a 14-7 run and jumping ahead 16-13, sparked by a huge block from **Kaz Brown** and a service ace by **Brittany Abercrombie**. Up 18-14, **Kaz Brown** delivered arguably the biggest play of the game, splitting the block and powering home a massive kill, bringing every fan to their feet in excitement. Orlando finished the set 25-20, sweeping the Omaha Supernovas 3-0. **Brittany Abercrombie** tallied five kills in set three.

VIBES ARE HIGH, VALKYRIES WITH BACK-TO-BACK SWEEPS

A night to remember: The Orlando Valkyries [4-4] secured their first road sweep in franchise history over the Atlanta Vibe [4-4] with set scores of 25-14, 25-18, 25-23. The Valkyries joined the Omaha Supernovas as the only two teams to secure back-to-back sweeps this season, as well as the third team in Pro Volleyball Federation history to ever secure a back-to-back sweep.

Brittany Abercrombie led the Valkyries with 20 total points, recording 15 kills, two service aces, three blocks and nine digs in the contest.

Set 1: Pro Volleyball Federation's reigning MVP **Leah Edmond** set the tone for Atlanta as she kicked off the match, but Orlando would go on fire offensively, with a dominant 5-0 run from the likes of **Brittany Abercrombie** where she had her way in all three phases in blocking, serving and attacking, jumping to a 7-2 lead. The Valkyries early offensive strategy revolved around sharp cut shots from **Adora Anae** and **Courtney Schwan**, which proved to be highly effective. Reading Atlanta's defense and understanding how they would rotate, Orlando attacked the opposite half of the court with authority, proving to play a big role in their approach. That early 7-2 advantage would go on to foreshadow the rest of the set, as Orlando rode its momentum to a commanding 25-14 victory. Known for their high-powered offense, Orlando's defense stepped up in a big way, limiting **Leah Edmond** to just one kill and holding Atlanta to a .000 hitting percentage with four blocks in the set. **Brittany Abercrombie** led both teams with seven kills.

Set 2: Building on their strong start, Orlando maintained its energy and composure, racing to a 5-2 lead in set two. A **Brittany Abercrombie** service ace and a **Kaz Brown** block forced the Vibe to call a timeout, as they searched for a way to ignite their offense. However, Orlando stayed aggressive out of the timeout, as they doubled their lead to 12-4. One of the key factors in their outstanding start was the duo in the middle in **Kaz Brown** and **Natalie Foster**, who combined for six kills on an .857 hitting percentage. Controlling the game up front allowed Orlando to operate under structure. Despite Orlando's control, Atlanta found some rhythm, trading points and narrowing the gap to 22-14. Orlando let off the gas pedal a little bit and in turn allowed the Vibe to go on a 4-0 run before calling a timeout. Orlando closed out the set with a **Courtney Schwan** kill for a 25-18 victory. **Adora Anae** led the charge with six kills.

Set 3: With their backs against the wall, Atlanta came out swinging in set three, getting out to a 5-2 lead. Orlando's slow start was due to the service errors they had committed. In the first two sets, Orlando committed one service error, whereas set three saw them commit five, playing a huge role in allowing Atlanta to stay ahead 17-15, even with Orlando finding their groove. When **Leah Edmond** was called for a double contact error, it would open the door for the Valkyries to go on a 4-0 run that was sparked by an emphatic block from **Courtney Schwan**. **Natalie Foster** followed that with a huge service ace of her own, giving the Valkyries their first lead of the set at 18-17. As the set got closer to the finish line, the match intensified. At 22-22, **Adora Anae** took over, delivering back-to-back kills for a 24-22 lead. She would deliver the finishing blow to cap off a statement victory on the road in Atlanta. **Brittany Abercrombie** finished set three with six kills.

VALKYRIES MAKE IT THREE IN A ROW IN WIN OVER IGNITE

The Orlando Valkyries [5-4] notched their third win in a row over the Indy Ignite [4-4] with set scores of 26-28, 25-19, 25-21, 25-20.

In the record books: Middle Blocker Natalie Foster tied a Pro Volleyball Federation record with six service aces in a four-set match.

Natalie Foster led the Valkyries with 20 total points recording six service aces, 12 kills and two blocks in the contest.

Set 1: Looking to continue their strong start to matches this season, Orlando battled evenly with Indy in a tightly contested first set. Neither team could really get out to a sizeable lead, until Orlando briefly pulled ahead 15-12. Just as Orlando was looking to pull away, three passing miscues led to a 4-0 Indy run. Orlando would call timeout looking to regroup and get back to playing their brand of ball. Out of the timeout, Adora Anae took over, delivering three consecutive kills to tie the score to 21-21. The teams traded points down the stretch, but Indy ultimately secured the set with a 28-26 victory. Nina Cajic led all scorers with eight kills.

Set 2: After leading the Valkyries in kills during the first set, Adora Anae set the tone early in set two. After dropping their first opening set of the season, Orlando would respond, jumping out to a 5-2 lead after a service error by Leketor Member-Meneh. Indy would trim the deficit to 11-9, but Orlando answered with 3-0 run of their own, highlighted by a service error, a smart push by Kaz Brown, and a perfectly placed ace to the back right corner by Natalie Foster as they extended their lead to 14-9, causing Indy to call timeout. Orlando continued to ride the momentum as Courtney Schwan delivered a powerful block, and Foster added another ace as Indy used their second timeout as Orlando's lead grew to seven. The Valkyries would close out set two with a 25-19 win. Kaz Brown led Orlando with four kills.

Set 3: After a second set victory, the Valkyries would go on a roll, getting up to a 6-1 lead, where the most dynamic duo of middle blockers in the league in Natalie Foster and Kaz Brown went to work, as Foster nabbed two service aces and Brown delivering a thunderous block that got the entire crowd out of its seats. Sporting a .500 hitting percentage up 10-3, the Orlando offense was hitting on all cylinders. Not only was the hitting on point, but the serving game played a massive role, as Kaz Brown delivered back-to-back aces to extend the Valkyries lead to 16-8. Orlando would go on to win set three 25-21. Kaz Brown would lead the Valkyries with five kills on a .625 hitting percentage.

Set 4: To avoid a dreaded fifth set, Orlando emphasized starting off set four strong by taking a 4-2 lead. Indy never backed down, as they relied on Azhani Tealer, who notched up to six kills with the set tied 13-13. One of the most impressive moments of the night saw Leketor Member-Meneh deliver two powerful swings, both dug by Nalani Iosia, led to a massive point, putting the Valkyries up 19-16. The Valkyries would push through, taking set three 25-20. Brittany Abercrombie led set four with four kills for Orlando.

VALKYRIES STAY HOT, WIN FOURTH IN A ROW

The Orlando Valkyries [6-4] secure their fourth win in a row, taking down the Columbus Fury [1-8] 3-1 with set scores of 15-25, 26-24, 25-18 and 25-20.

Brittany Abercrombie led the Valkyries with 15 total points, tallying 15 kills, two blocks and 10 digs in the contest.

Set 1: Facing her former team, **Wilma Rivera** set the tone early with a service ace. Columbus came out strong defensively, jumping out to a 10-5 lead and really giving Orlando's high flying offense fits, holding them to a .000 hitting percentage. The Fury maintained their defensive dominance, leading 17-13 while outpacing Orlando in digs, 20-12. Columbus would go on to close the set with an 8-2 run, securing a statement 25-15 victory. **Raina Terry** grabbed seven kills in the opening set.

Set 2: After falling behind 3-1 early, Orlando quickly turned it around with three consecutive points, with kills from **Pornpun Guedpard** and **Courtney Schwan**, along with a **Kaz Brown** block to take a 4-3 lead. The teams continued exchanging points, with Columbus up 16-14. The Valkyries would go on a 4-0 run, that started with a quick kill from reigning PVF Player of the Week **Natalie Foster**, followed by three consecutive Columbus errors, allowing Orlando to gain momentum late in the set. Holding a 24-21 advantage, Fury would make a late charge, coming out of a timeout and tying the score at 24-24. However, Orlando would respond, and claim set two 26-24 off an **Adora Anae** cut shot. **Natalie Foster** finished with six kills on a .714 hitting percentage.

Set 3: After a strong finish in set two, Orlando carried that momentum into the third, playing with more energy. With the score tied 6-6, the Valkyries caught fire, going on a 13-6 run, pulling ahead 19-12. During the run, **Pornpun Guedpard** would look to get everyone involved, as **Brittany Abercrombie**, **Courtney Schwan**, **Adora Anae**, and **Kaz Brown** each registering multiple kills. With their offense back to clicking on all cylinders with a .371 hitting percentage, Orlando secured its second consecutive set win, closing out the set 25-18. **Brittany Abercrombie** led the way with seven kills.

Set 4: Up two sets to one, the Valkyries climbed to a 9-6 lead. Much like the previous set, Orlando had their way, stringing together an 11-6 run to extend their lead to 20-12. Holding Columbus to a .105 hitting percentage and hitting .357 played a big part in grabbing their lead. With the Valkyries' offense firing efficiently and their defense playing much better during their recent win streak, Orlando continues to show just how difficult they are to stop once they gain momentum. The Valkyries would take set four 25-20. **Brittany Abercrombie** finished set four with six kills.

FLYIN' HIGH: VALKS WIN FIFTH IN A ROW

The Orlando Valkyries keep on cruising, winning their fifth in a row against the Grand Rapids Rise in three sets, with set scores of 25-18, 25-23, 26-24.

The victory pushed the Valkyries to a franchise-best five wins in a row, catapulting them into third place, and having the most points (23) among all teams in the league.

"I'm really proud with how we've been playing because we've had a really tough stretch of teams in February," head coach Amy Pauly stated after a fifth consecutive win. "For us to continue to take the floor and get a sweep tonight, shows how hard working this group of athletes is."

The Valkyries tied a Pro Volleyball Federation season high with seven blocks in the third set, out blocking Grand Rapids 11-9.

Late in the third set, down 14-12, Orlando looked for some fresh legs off the bench, turning to Norah Sis and Lydia Grote, who were key contributors that provided a lot of energy, helping the Valkyries more than what the stat-sheet shows and eventually taking set three 26-24.

"It's fun," Valkyries outside hitter Norah Sis said. "We talked about an identity in our team being really strong off the bench. We know we have people who can come in and contribute and I know that every single person trusts in each other."

After starting the season 2-4, the Valkyries have been rolling, and a huge part has been the play of Brittany Abercrombie. She has moved into first in kills with 180, rattling off 10 straight matches with 12+ kills.

"We have great players all-around at every position," Abercrombie stated. "Defense is becoming part of our identity, and offense is something we are naturally good at. I think it's a special team."

ORLANDO HITS THE JACKPOT; SWEEPS VEGAS FOR SIXTH STRAIGHT VICTORY

The hottest team in Pro Volleyball Federation, the Orlando Valkyries, make it six in a row after sweeping the Vegas Thrill, with set scores of 25-15, 25-21, 25-17.

After dropping the first two contests against Vegas earlier this season, the Valkyries were determined to continue their winning ways, showing just how special they can be when all facets work together.

“We’re a different team than the last time we played,” head coach Amy Pauly stated. “We continue to diversify our offense; we’ve seen our block and defense improve every time we take the floor. They have really taken ownership of who they are as a team, and it’s really been a mentality shift that the team has taken.”

For the Valkyries sixth straight win, they recorded their best hitting efficiency of the season at .347. It marks the second longest win streak in league history, with the Atlanta Vibe winning seven in a row last year.

“We have really high expectations for ourselves,” Kaz Brown said. “We kind of want to be the pacesetters of this league, not run our race on someone else’s pace. The way we do that is to continue to improve in practices, score points from the service line, and then our passing tonight was tremendous. When we do that, we’re able to do a lot offensively.”

MAJOR LEAGUE W AS VALKYRIES WIN SEVENTH IN A ROW

The Orlando Valkyries have tied the all-time PVF record with seven consecutive victories, sweeping Omaha on the road by set scores of 26-24, 25-18, 26-24. It marks the second time this season that Orlando swept Omaha.

After tonight's sweep, Orlando now sits at the top of the PVF in first place with a 9-4 record, with Omaha now in second at 8-4. The last time Orlando lost was back on January 30, going the entire month without a single loss.

Despite this impressive win streak, Amy Pauly has constantly reminded her team that there's still plenty left in the tank. "Keep going. Don't get comfortable. Don't start thinking things will get easier, it's only going to get harder for us. I think they have been laser focused and really determined to make a statement as a whole."

Tonight marks the first time in history Omaha has been swept at home and a big reason why was due to a career night from Valkyries opposite Brittany Abercrombie.

"I think it's huge for us," Brittany Abercrombie stated. "I think it's a big statement and that we're here to stay and we're here to fight. People are going to have to earn their matches and fight for every point against us."

Abercrombie set a new PVF record with 24 kills in a three-set match, surpassing Leah Edmond's 22 kill performance she set against San Diego on March 2, 2024.

VALKS KEEP ON VIBIN WITH THEIR 8TH WIN IN A ROW

After a nail-biting win over the Atlanta Vibe (6-8) in five sets, the Orlando Valkyries (10-4) push their win streak to eight, setting the record for consecutive wins in Pro Volleyball Federation history. It also marks the Valkyries as the first team to win 10 matches, a testament to how special the season has been.

Orlando jumped out to an early 2-0 lead, looking to grab their seventh sweep of the season. Atlanta would crawl themselves back into it, winning the next two and forcing a deciding fifth set. Down 4-0 in the fifth set, Orlando turned to Lindsey Vander Weide and Abby Hansen off the bench, as they provided a jolt of energy that saw the Valkyries storm back, eventually taking the fifth set 15-13.

“The people that you guys aren’t seeing on the floor every night are the people that are making the team better,” head coach Amy Pauly stated, proud of the depth her team provides and how everyone stays focused. “If it wasn’t for them challenging us in practice every single day, we wouldn’t be improving.”

Not only have the Valkyries been red hot as of late, but the fans showed up and showed out for a big night, as the whole team really fed off the energy the crowd gave. In one of the best crowds of the season, it made all the difference in a match like this one.

“When we were on the sideline in the beginning of it and looking toward the crowd, they’re getting us excited and that gets us ready to go. There’s no better feeling than that,” Abby Hansen said.

VALKS TOP FURY IN FOUR SETS FOR THEIR NINTH STRAIGHT WIN

Winners of nine in a row, the Orlando Valkyries (11-4) took down the Columbus Fury (4-11) at home in four sets with set scores of 25-27, 25-21, 25-18, 25-21. This marked the second time this season Orlando beat Columbus in four sets.

In both matches this season against Columbus, we saw Orlando get off to slow starts. In tonight's match, Columbus held Orlando to a low .120 hitting percentage in the first set. However, Orlando quickly regrouped offensively, finishing with a .250 hitting percentage as a team in the rest of the sets as they went on to win the next three sets, pushing their historic win streak to nine matches.

"I love playing with this team," Lindsey Vander Weide stated after stepping in and delivering a double-double performance with 15 kills and 11 digs on the night. "It's something that just feels natural. I didn't feel uncomfortable at all. I love hitting off Chompoo, it's a dream to hit off her and I was happy to get the opportunity to start."

One of the biggest storylines on the night was the rookie Natalie Foster, who came into the match with 31 service aces, needed just two more to break Bethania De La Cruz's single season aces record she set last season at 32. With Foster recording three service aces tonight, she now owns the single season service aces record with 13 matches left to go.

"Honestly, it's been great. Just getting into the rhythm of it, it's been pretty awesome having the team and coaching staff believe in me as much as they've done, it's been great," Natalie Foster explained.

Foster wasn't the only one to make some headlines, for her middle blocker partner Kaz Brown, tallied two blocks tonight and raised her number to 100 blocks in her Pro Volleyball Federation career.

SAN DIEGO HOLDS OFF ORLANDO AS THE VALKYRIES WIN STREAK ENDS AT NINE

The Valkyries record of nine consecutive wins comes to an end on Thursday night, as the San Diego Mojo (6-10) defeat the Valkyries (11-5) in five sets, with set scores of 25-17, 16-25, 15-25, 25-15, 15-17. This marks the Valkyries' first loss since January 30, when they lost in five to Grand Rapids.

After the Valkyries had a strong start, winning the first set 25-17, the Mojo regrouped and won the next two handedly before Orlando forced a fifth set. Ultimately, after a back-and-forth affair, the Mojo ended the historic streak. With a Saturday match fast approaching against the rival Omaha Supernovas, Orlando will need to learn from it and move on quickly.

"In this quick turnaround to Saturday, you got to flush it tomorrow," coach Pauly stated to her group. "I think the biggest lesson that we can change and learn from for Saturday is that serving pressure. In order to do that you have to get your mind back in a spot to be ready to play and being ready to compete a little bit harder."

San Diego, who came into this matchup 4-10, held Orlando's high-flying offense to its lowest total of the season, at a .170 hitting efficiency. Recording 11 blocks and 78 digs on the night, San Diego's defense stepped up when they needed it most, with back-to-back blocks by Ronika Stone for the win.

"We have to give San Diego a lot of credit, I think they were really prepared for us," Kaz Brown said. "We weren't doing some of the things that we pride ourselves in as a team, and so taking that and learning from it will be a key emphasis."

OMAHA WINS IN FOUR; HOLDS ORLANDO TO LOWEST HITTING PERCENTAGE OF THE SEASON

Orlando (11-6) hosted the defending champion Omaha Supernovas (12-4) with an opportunity to retake first place and restart their own win streak. Omaha came into this matchup riding a momentum high, reverse sweeping the Indy Ignite on the road on Thursday with timely blocks and big help off the bench. That same theme continued tonight, as the Supernovas won their fourth in a row by set scores of 25-23, 18-25, 25-22, 26-24.

Orlando, who holds the league's top offense at a .257 hitting efficiency, struggled to really get anything going. Omaha held Orlando to a combined .167 efficiency, their worst performance of the season, making it the second match in a row hitting under a .180 clip. For reference, during Orlando's nine match win streak, they finished each match no lower than a .205.

One bright spot for the Valkyries tonight was their serving, as they racked up nine service aces, tying a season high. Natalie Foster added four more service aces to her impressive rookie campaign, with Kaz Brown and Lindsey Vander Weide notching two and Adora Anae tallying one.

With 11 matches to go in the regular season, Orlando still has everything that they want in front of them. With only four teams making the playoffs, Orlando currently sits in second place at 11-6, with the Atlanta Vibe (10-8) and Indy Ignite (9-8) rounding out the top four.

WEST COAST WINNERS: VALKYRIES GET BACK IN THE WIN COLUMN

The Orlando Valkyries (12-6) started their two-match road trip off right with a four-set win over the San Diego Mojo (6-12), with set scores of 25-23, 25-23, 23-25, 25-12. The Valkyries snapped their two-match losing skid, moving to 12-6 on the year.

After hitting .180 or less in the previous two matches, the Valkyries high flying offense returned to its usual self, finishing with a .260 percentage, with five players recording 10+ kills. Brittany Abercrombie finished with 15 kills, Courtney Schwan and Natalie Foster both with 13, Lindsey Vander Weide grabbed 11 kills and Kaz Brown finished with 10.

Not only was the offense firing on all cylinders, but the defense stepped up when it needed to the most. Finishing with nine total blocks and keeping the Mojo to a .209 efficiency percentage, Orlando made it difficult for San Diego to gain any type of ground all night. In the fourth set, Orlando snagged five blocks and held San Diego to a .023 efficiency percentage.

In a collective team effort, Orlando weathered the storm early, battled through adversity, and came away with the win. This was their eighth four-set match of the season, as they recorded a season-high 65 kills in such matches. The formula has been simple for the Valkyries; a 9-2 record when the hitting efficiency is above .250, a 3-4 record when it gets below .250.

ORLANDO'S OFFENSE STIFLED IN ROAD LOSS TO ATLANTA

In their nineteenth match of the season, the Orlando Valkyries (12-7) lost to the Atlanta Vibe (11-8) in four sets, with set scores of 25-21, 17-25, 23-25, 16-25, marking it the first time Atlanta beat Orlando this season.

Orlando began the match on a scorching start, getting all five starters in the front row involved early, as the offense finished hitting at a .262 clip in a 25-21 set win. However, things did not go well for the Valkyries after that, committing nine service errors, 14 attack errors, and combining for a .135 hitting efficiency over the last three sets.

One of the biggest turning points of the match came in the third set, with Orlando up 17-12. Facing a five-point deficit, the Vibe caught fire by capitalizing on the Valkyries' mistakes. A Pia Timmer kill, an Aiko Jones block, two attacking errors by the Valkyries and then another Pia Timmer kill helped even the score at 17-17. Even though Orlando briefly regained the lead at 18-17, the Vibe had complete control of the momentum, not only winning set three 25-23, but also winning the fourth set 25-16.

This now marks the third loss in the last four matches for the Valkyries. In their seven losses this season, five of them have come from when the offense has an efficiency percentage under .200. Even with the rough stretch as of late, the Valkyries still hold the league's top offense, ranking first in efficiency (.252) and kills (1,041).

ORLANDO DROPS THIRD CONSECUTIVE HOME MATCH TO INDY

The Orlando Valkyries dropped to 12-8 on the season, as they came up short in a five-set match versus the Indy Ignite. This loss marks the Valkyries dropping two in a row, including dropping three straight at home.

After falling behind early losing the first set 25-21, the Valkyries were able to get back to their normal selves in sets two and three offensively, hitting .273 and .308. With an opportunity to win the match, the Valkyries failed to capitalize as Indy raised their intensity on defense, holding Orlando to a whopping .024 hitting percentage, to push the match to a deciding fifth set, where Indy ultimately won 15-11.

Despite what felt like a missed opportunity, head coach Amy Pauly continued to look at the positives and how the team can grow moving forward. “I use a lot of positives. That’s probably one of our best side-out efficiencies that we’ve had in a couple of matches. We do need to figure out how to operate in the medium pass opportunities more, to get the offense back in rhythm,” Amy Pauly stated.

With eight matches left in the regular season, Orlando is currently in fourth place with a 12-8 record, with Vegas eyeing the last playoff spot at 8-10. With so few matches left to play, coach Pauly was asked if there is any urgency with things heading down to the wire. “This is a very competitive team, and they attack every moment that they get. I don’t think the sense of urgency changes because they go out to win every game, just like they have from the beginning.”

OMAHA'S 14 BLOCKS TOO MUCH TO OVERCOME AS ORLANDO DROPS TO 12-9

On Saturday night, the Orlando Valkyries (12-9) fell to the Omaha Supernovas (15-5) in four sets in the series finale by set scores of 25-14, 17-25, 23-25, 15-25. Both teams went 2-2 against each other, including 1-1 at home and on the road.

The Valkyries got off to a scorching start, hitting .316 as a team and holding Omaha to their worst hitting efficiency in a single set this season at -.026. It was a start that the team needed after going through a rough stretch as of late. However, the Supernovas were able to adjust quickly and immediately responded, winning the second set 25-17, off of improved blocking up front and speeding up their pace of play.

As Omaha continued ramping up the intensity, Orlando did a much better job in the passing game, forcing Omaha to a .216 hitting efficiency despite recording zero blocks to Omaha's six. Orlando ultimately didn't have enough offensively, hitting .182 and .171 in sets three and four.

After the match, Shannon Scully talked about the success the team had in the first set and how that can be a building block moving forward. "When things are really good for us and things are flowing, it's a lot of fun. If we can find a way to do that more often and consistently, I definitely think we'll have a shot to win the championship."

With seven matches left in the regular season and a three-match lead for the final playoff spot, the Valkyries still control their own destiny despite the recent struggles. With a huge week coming up against Grand Rapids on Thursday and Atlanta on Saturday, Orlando not only has a chance to gain some momentum, but play their best at the right time.

STRONG BLOCKING PROPELS VALKYRIES TO WIN OVER RISE

Strong blocking up front paves the way for the Valkyries to a four-set win over Grand Rapids on Thursday night, with set scores of 25-18, 18-25, 25-18, 25-15.

For the second match in a row the Valkyries got off to a scorching first-set start hitting .295 and playing exceptional defense all around, as they held Grand Rapids to a mere .186 efficiency. A big part was the block touches at the net, which allowed the offense to flow and operate at a higher level. As a team, the Valkyries finished with 12 total blocks, out blocking the number one blocking team in the league 12-9.

Despite not recording a single block in the first-set, Kaz Brown would go on to have one of her best blocking games of her career, tying her career-high with six blocks. Not only did she have a career night defensively, but she also finished with a career high in points (20) and hitting efficiency (.600) with 12 kills. Her counterpart, Brittany Abercrombie, also had a great game finishing right behind her with 18 points, 17 kills and 11 digs, marking it her eleventh double-double of the season.

As Grand Rapids was looking to get back in the match in the second set, their ability to speed up their tempo and communicate more effectively allowed them to completely flip the script. These adjustments helped pave big dividends, as they went from hitting .186 in the first set to .378 in the second, thanks to Carli Snyder, who notched five kills on a .417 efficiency.

Coming out of halftime, the Valkyries' point of emphasis was to play loose and play for each other. The mindset allowed them to get back to their strong offensive ways, getting out to a 16-11 lead in the third and never looking back the rest of the way. From that point on, the Valkyries carried all the momentum, snapping their three-match losing streak in the process.

"Even with the rough stretch, I felt like tonight we started to get back to playing together and playing loose," outside hitter Courtney Schwan said. "We've gone through some adversity, but it's exciting to see how we'll use it to make us better moving forward."

VALKYRIES SWEEPED FOR FIRST TIME THIS SEASON, DROP TO 13-10

The Orlando Valkyries fell to 13-10 on the year, suffering their first sweep of the season to the Atlanta Vibe (16-8), by set scores of 25-27, 23-25, 14-25. With tonight's win, Atlanta joins Omaha as the only two teams to punch their ticket to the playoffs.

For the sixth time this season, the Valkyries were held to under a .200 hitting efficiency, finishing at .171. The stats don't tell the whole story however, as the Valkyries took Atlanta down to the wire in the first two sets.

During the first set, both teams hit exceptionally well, with Orlando hitting .282 and Atlanta hitting .412. Both went back and forth for majority of the set, with Atlanta starting to pull away up 24-22. Orlando would respond, as Courtney Schwan would deliver an electrifying kill after a long rally, followed by a beautiful Kaz Brown slide that caused Atlanta to call a timeout with the set tied 24-24. The Vibe found just enough as Micaya White recorded back-to-back kills to win the set 27-25.

The second set was much like the first, with both teams battling it out for most of the set until Atlanta pulled ahead 24-20, until a Courtney Schwan kill, a Natalie Foster ace, and a Kaz Brown block quickly turned the set on its heels, forcing coach Banwarth to call a timeout. The Vibe ultimately won the set 25-23, due to a service error by Natalie Foster.

VALKS TO VEGAS: ORLANDO PUNCHES ITS TICKET TO THE PLAYOFFS

COLUMBUS, OH. – After career nights from Natalie Foster, Kaz Brown and Brittany Abercrombie the Orlando Valkyries (14-10) are headed to the playoffs, completing a road sweep over the Columbus Fury (8-16) by set scores of 25-17, 25-18, 25-17. The Valkyries join the Atlanta Vibe and the Omaha Supernovas as the only three teams that have clinched a playoff bid. With only one more spot up for grabs, Orlando will have their chance to compete for a championship in Vegas from May 9-11.

In what was a good night to get the offense back into a rhythm, the Valkyries hit to the tune of an incredible .333 efficiency, the first time they've hit over .300 since February 27, when they swept the Omaha Supernovas on the road. In each set, the Valkyries were able to get out to early leads that made it difficult for Columbus to challenge.

In the first set, Orlando set the tone from the jump, getting out to a 12-7 lead, where Kaz Brown recorded three-straight blocks, foreshadowing things to come for Orlando later. Even with Columbus fighting hard and cutting down the lead to as much as two at 17-15, Brittany Abercrombie and Kaz Brown would combine for nine kills in the first, as Orlando took set one 25-17.

The second set was completely different for Columbus, as the offense finally opened up, trading blows early and often with Orlando. As Orlando led 11-8, the Valkyries would gradually light it up offensively, growing their lead up to 20-14, en route to a 25-18 win. The Valkyries finished the set with an outstanding .457 efficiency, led by Brittany Abercrombie who had eight kills on a .727 efficiency, tying her highest efficiency percentage in a single set this season.

Riding with all of the momentum, the Valkyries continued to keep their foot on the gas, as they climbed to a 9-2 lead in the third set. Just like the first set, Columbus would fight all the way back to a 10-7 deficit. With a chance to clinch so close to them, Orlando would go off, getting out to a 9-2 run and marking the score up to 19-9. Orlando would start and finish just like they did in set one, completing the road sweep 25-17.

In what was a huge win all around for the Valkyries, they also came away with some hardware. Opposite Hitter Brittany Abercrombie finished with 19 kills on the night and increasing her season total to **397, which is now the most kills in a single season in league history.**

Middle Blocker Natalie Foster, the league's leader in Service Aces with 57, tied a **league record with six service aces in a three-set match.** This is the second time she has tied a league record, where she recorded six service aces in a four-set match back on February 8 vs. the Indy Ignite.

SEASON HIGH 14 BLOCKS POWERS VALKYRIES PAST IGNITE

In a match led by their pristine blocking, the Orlando Valkyries (15-10) were able to hold the Indy Ignite (12-13) to a .171 hitting efficiency, ultimately stealing a win on the road in four sets by set scores of 22-25, 25-16, 26-24, 28-26. With tonight's win, Orlando forced Indy its fifth straight loss. With just three matches left to go in the season, the fourth and final playoff spot is still up for grabs between the Indy Ignite and the Grand Rapids Rise.

Coming into tonight's match, the Valkyries were dead last in the league in blocks (195). It has been one of the few areas that Orlando has lacked in this season and despite those numbers being low, the Valkyries blocking tandem came to play tonight, showcasing yet another way that they can beat you. Natalie Foster led the way with flour blocks, followed by Kaz Brown, Brittany Abercrombie, and Norah Sis each accounting for two blocks.

After a slow start in the first set that saw the Valkyries fall behind 16-10, and eventually dropping 25-22, head coach Amy Pauly emphasized after the match how the team came together to move on and adjust from it, "We talked in the locker room about how we were able to adjust quickly tonight. The first set didn't go the way we wanted it to, but we were able to pick ourselves up fast. A big reason for that was due to the type of teammates these girls are to each other, and it's really special from my view to see all that take place."

Those adjustments proved to play a huge role in the Valkyries swinging the momentum and winning the next three sets. After recording just one block in the first set and allowing Indy to hit at a .308 efficiency, the Valkyries would tighten up and deliver 13 blocks over the next three sets, suffocating an Ignite offense that wasn't able to hit over .300 the rest of the way. Orlando committed just eight attacking errors to Indy's 16, allowing the Valkyries to get themselves into advantageous situations that Indy wasn't able to overcome.

Not only was the blocking sensational, but rookie outside hitter Norah Sis had herself a match. Despite not playing much this season, the former first-round pick out of Creighton has continued to stay ready when her number is called and she delivered on Friday night, posting a team-high and career-high 19 points and 17 kills, proving to be yet another weapon that Amy Pauly can look to go to. "One thing I'm super proud of is the way she attacks coming into the gym every single day with an attitude of being ready to go at any moment. She can be a lethal attacker, and the mentality that I saw on her attacks tonight were awesome."
