

# PSALM 1

**Happy is the person  
who doesn't listen to bad people,  
or make friends with those who do wrong,  
or sit down with those who make fun of God.  
Instead, he loves to read God's Word  
and whispers it to himself all the time.**

# PSALM 18

**The LORD is my hiding place, my castle, and my hero;  
he is my God, my safe place in times of trouble,  
my protector, my strong rescuer, and my fortress.  
I shout for help to the LORD, who deserves all my  
praises, and he saves me from my enemies.**
