Hi Amy

Would you be able to forward this to the group/attendees? See below.

I want to express my gratitude for your time and presence at the event. It was a pleasure to present the Phase One photographic solution and to have the opportunity to work one-on-one with many of you. I'm aware that, for some, this event might have marked your first encounter with Phase One.

As I am local to New York, I am easily accessible for any follow-up inquiries or if you'd like to delve deeper into exploring our equipment and conducting further tests. Please don't hesitate to contact me using the contact information provided below.

Again, thank you so much for your participation and allowing Phase One to be a part of your chapter.

Best regards,

Wayne Sandmeyer
