

Jie Fischer: GMPSA, BPSA, EFIAP/b, FAPU, and FPSNY

Jie Fischer is a nature and wildlife photographer. She is a member of many prestigious organizations, including the Photographic Society of America (PSA), the Federation of International Art Photography (FIAP), the Professional Photographers of America (PPA), and the Photographic Society of New York. Ms. Fischer is also a PSA-certified salon judge.

For the past 5 years, Ms. Fischer has won many major international nature photography awards. Her accolades include:

- 2020: Highly Recommended Award in the Landscape Category of the Nature Photographer of the Year in the Netherlands.
- 2021: First place in the Landscape and Plants Section at the 50th Nature Wildlife Federation (NWF) contest in the USA.
- 2021: Winner of the Adventure Section at the Travel Photographer of the Year Contest in the United Kingdom.
- 2021: Best Honor Award in the African Wildlife Landscape Category at the Nature's Best Photography Benjamin Makpa Contest in the USA.
- 2023: Excellence Award at the CEWE Photography Contest in Germany.
- 2024: Excellence Award at the Glanzlichter Nature Photography Contest in Germany.
- 2024: Honor Award at the OASIS Nature Contest in Italy.
- 2024: Grand Champion and Diamond Award in the Wildlife Category at the Professional Photographers of America (PPA) GIA International Competition.

Many of Ms. Fischer's works have been featured on the Birds Photographer of the Year website. She has won the gold medal in the Nature category of the Austrian Super Circuit two times and was named the most outstanding photographer at the 127th Toronto International Salon of Photography by FIAP. Ms. Fischer has also been listed among the top 10 photographers in the PSA Nature category for two consecutive years. Her work has been published in The Times in London and Shades of Color Magazine UK.
