

## Bush Bulldogs and Parents,

Welcome to the 2016-2017 school year! We hope that you are ready for a wonderful middle school experience. The middle school years are filled with much excitement and changes. You will meet many new friends and develop friendships with students and adults. Your academic preparation at Barbara Bush Middle School will provide for you the opportunity to grow your skills and knowledge in order to be the very best you can be. That is our challenge and our pledge to you and your family. In addition to academic study, the middle school years are also filled with many opportunities for you to join a club, an activity, or a sport. Please consider participating in a variety of activities at our school.

Making the most of your middle school experience is very important. We want to support you in every way possible. Your challenge is to accept the responsibility for your own learning and development. Making good choices is also critical. We are here for you, today and tomorrow. Best wishes for a successful school year!
