

# Paint the Community with Peace Week

## February 13 -17, 2017

To assist Klein ISD in continuing to be awarded the Community of Respect recognition through The Anti-Defamation League, Mueller Elementary will be participating in *Paint the Community with Peace Week*. We live, work, and play together. Let's show unity in our diversity by sharing peace, love, and understanding as we Paint the Community with Peace through our Mueller core values.
