# TEEN TRUTH:

It is estimated that 1 in 5 teen drivers will be in a crash during their first year of driving.

# PARENT SOLUTION:

My daughter and I attended the AAA Dare To Prepare program before she started driving, so now we're both better prepared.

## WHAT IS DARE TO PREPARE?

Dare to Prepare is a Free pre-permit workshop for parents and teens that provides information teens need to know before they take the wheel. This interactive program, geared toward pre-permit drivers (14-15 yrs of age) walks attendees through the steps necessary to obtain a permit and driver's license, and offers useful tools, tips and resources to help parents and teens during the learning-to-drive process and beyond.

## WHY SHOULD YOU COME TO DARE TO PREPARE?

- Motor vehicle crashes are the leading cause of death for teens
- 1 of 5 teen drivers will be in a crash during their first year of driving
- To receive tools and resources to help you and your teen safely navigate the learning-to-drive process

## WHAT WILL YOU LEARN ABOUT?

- State and national statistics on teen driving and information on why teens crash
- Graduated Driver Licensing (GDL) components
- State requirements for obtaining a permit and license
- Parent's and Teen's roles and responsibilities
- What to look for in a driving school

# *Drug & Alcohol Prevention Contract*

The staff and PTSA of Simi Valley High School firmly believe that we must do everything in our power to impress upon our young people the importance of being drug and alcohol free. We extend to parents the opportunity of becoming involved in our drug and alcohol prevention program by offering a contract they may sign, pledging that they will provide a drug and alcohol free home for any student attending a party in their home. The contract also states that the parents pledge to be on the premises at all times to provide supervision during such activities.

The following parents have returned the signed contract, which is valid through the year their student graduates (listed beside the parent names). Blank applications can be obtained [here on the website](#), by [emailing the editor](#), or by calling the school.

## Simi Valley High School Drug & Alcohol Prevention Contract

Dear Parents,

The staff and PTSA of Simi Valley High School firmly believes that we must do everything in our power to impress upon our young people the importance of being drug and alcohol free. We would like to extend to you the opportunity of becoming involved in our drug and alcohol prevention program by completing the contract below and returning it to the Simi Valley High School PTSA in care of the Simi Valley High main office.

The list of contracted parents will be publicized via school communications and will be a great help to other parents when their sons and daughters ask them if they can attend a party or visit another student's home. More importantly, by committing to the contract, you will be providing an invaluable service to the youth of this community.

***I/We, the undersigned parent(s) of a Simi Valley High School student, or as community members of Simi Valley, pledge to provide a drug and alcohol free home for any students who are attending a party in our home. I/We will also be on the premises at all times to provide supervision during such activities.***
