## **2016 Gift of Giving**

### **Food Drive and Parade**

**Las Lomas Elementary has challenged Wilderness Oak Elementary to our annual FOOD FIGHT! We have won this fight twice, but did lose last year. This year, the losing school's principal has to wear the Spirit Shirt of the Winning School on the morning announcements.**

**Each school will donate all the non-perishable food collected to the NEISD McKinney Homeless Project. A list of accepted food items is also attached. Due to the number of Ramen noodle packages that have been already donated, this specific food item will not be collected or counted towards our school total.**

**We will have two class winners. The top class for the most overall number of items and the top class for the highest percentage of items per students. These classes will lead the parade on Wednesday, December 21st at 1:15 PM.**
