Dear Senior Parent,

A copy of your student's high school transcript through seventh semester of the senior year was made available to students for pick-up on Friday, January 15th through the counseling office. Please review the transcript with your student for accuracy. You will notice that the student's cumulative grade average and the sixth semester class are recorded on the left of the transcript. The seventh semester average and class rank will be recorded on the right of the transcript. All early graduates will only have one cumulative grade average, the seventh semester; rank and grade average will be recorded on the left side of the transcript. If your child did not pick-up his/her rank, it is still available from the counseling office.

MAVERICK CLASS OF 2016

Your 7th semester cumulative rank and grade point average have been calculated. This information will appear on your transcript and will be used by colleges in the admission process. Please see the explanatory information below.
