

Freshman Summer Academy

High School is an exciting new beginning for students. However, the size of the campus and the workload expectation can be daunting. The Freshman Summer Academy will help students transition to high school and them off to a strong start to the school year.

*You are invited to attend this **FREE** week long program at Marana High School.*

Highlights that students of the Academy can expect:

- ◆ Establish a familiarity with the campus, as well as the expectations associated with an increase and rigorous work load at the high school.
- ◆ Work with vibrant and dedicated teachers.
- ◆ Enrichment preparation for students registered in honors / Pre-AP / AP classes.
- ◆ Attendees will get to register for the 2018 school year.
- ◆ A BBQ and showcase for students and families on the last day of the academy.
