Dear MHS Parents & Guardians,

This week has a different bell schedule on Thursday and Friday for end-of-quarter exams. We have included the schedule below for your convenience. Please remind your student to prepare for any tests or projects. Time management is often a struggle during these high stress times, and planning ahead can be essential to achieving success.

In addition, there will be no After School Activity Buses on Thursday, Oct. 6th and Friday, Oct. 7th.

I look forward to our next quarter of school together after Fall Break.

Prizes can include dance tickets, movie tickets, and gift cards just to name a few. It’s really just our way to say thanks for doing something great around our campus like so many students do.

ATHLETIC News

Volleyball: Coach Ball says, “Mele Hala’uffia is our senior middle blocker. She is a very dedicated athlete and has shown great mental toughness. This is her first year in the program and is doing an amazing job for us! She is leading the Sonoran conference in solo blocks and stuff blocks. She is a great athlete and has been a wonderful addition to our team this year.”

Football: Coach Litten says, “Manny Miranda has been huge for us the last two weeks. He’s accumulated 5 touchdowns and has been our leading tackler on defense.”

Girls Golf: Coach Corona says, “Lauren Scott is the most improved golfer on the team. She consistently works hard on her game and is a steady and reliable player. Her scores consistently reflect her desire to improve as a golfer. I appreciate her work ethic and sense of team.”

XC: Coach Bartz says, “Jordan Toone has worked really hard to come back from injury this season. Given the fact he has only had 3 weeks worth of workouts and mileage, he had an outstanding race this past Friday, running in the low 18s. Friday night at Desert Twilight was a great representation of his dedication, motivation and overall work ethic he has had throughout this Cross Country season.”

There will be Special End Zone Seating for home football games. Watch the game from the comfort of an adirondak chair in the south end zone. Each seat is $20 and must be purchased prior to the game from our bookstore. There will only be 20 seats per game so act fast. Games remaining: October 7 vs. Cholla, October 14 vs. Poston Butte, and October 28 vs. TBD. See attached flyer.
CTE SPOTLIGHT

MHS Culinary Arts

At MHS we are very proud to offer a diverse array of CTE/JTED programs. The integration of these programs throughout our curriculum is just one of the many opportunities for students that our comprehensive high school provides. Throughout the year we will be sharing glimpses into the programs with you.

Take a look at our Culinary Arts program…

CTE Culinary Arts is serving up something special this school year! Our program is full of fun, feasting and hard work. When you’re part of Culinary Arts you learn about teamwork, catering, safety, sanitation, cooking, baking and pastry. The students get hands on experiences and have class in an industry facility right here at MHS. The students spend 50% of their time in Culinary labs to prepare them for industry jobs right from high school. The students also operate their own business here on campus called LE Tigre Cafe’. It is operated by our advanced and intermediate students and opens three days a week during lunch. During the course of the year we participate in community service, caterings and other special events that is run by our FCCLA. When you stay in in the program you are also able to receive your Servsafe certification, which is required by industry professionals to have. Also, we offer Pima dual enrollment classes. When students leave from the culinary program that have the opportunity to complete 12 college credits.

The Club

The Marana High Auto Club is proud to present the return of our annual student car show. This year it will be held on Friday, October 20th. Along with the car show, the Auto Club members would like to remind everyone that we are always hosting new events and activities which everyone is invited to join. All activities by the club are created by donations from the Marana/Tucson community. Any donations are appreciated.

Technician’s Tips

For everyone out there, whether you can drive yet or not, the Auto Club reminds you to avoid tailgating another vehicle. It may make you feel “cool” but instead it risks your safety and the safety of other drivers around you.

Our technical tip for this month is to remind everyone to keep your tires inflated to the correct pressure. If you are not sure what PSI your tires should be check the sticker inside the driver’s side door, or the owner’s manual.

Vehicle of the Month

1967 Chevrolet Impala

Ranging in choices from a hard top or soft top, v-8 or 6 cylinder, 4-door or 2, the ‘67 Chevy Impala was, and still is, a car that people want to get their hands on.

Extras

As members of the auto industry goes, most people believe it to be a mostly male environment. While that is true now, it doesn’t have to be. In fact, many shops are looking specifically for women workers because of their attention to detail.

As some of you may know, Mr. Citro and Mr. Williams of the auto program are putting their time in after school for us students to create a demolition derby car. Anyone who is interested can join. For more information talk to Mr. Citro in C-18.

A word from the officers:

“Use the right tool for the job.”
