

How to Play in the Coppell North Cougar Band

- 1. Choose Band as one of your Elective choices on your Schedule Selection Sheet. It doesn't matter which instrument you play yet—just sign up for band!**
- 2. Contact the front office at MS North 214-496-7100 and ask to sign up your incoming 6th grade child for a band instrument fitting appointment.**
- 3. REMEMBER your instrument fitting appointment time!**

The appointment takes about 20-30 minutes. Your child will play on many of the instruments to see if they like, or are well suited for success on a particular one.

This does not commit you to the band program, but will reserve a spot for you.
