Financial Aid Night
Dr. Corner will be hosting a Financial Aid night for parents and students on September 12, 2016 in the Marana High School Library from 6:00 – 8:00pm. This is an excellent opportunity to learn more about scholarships, federal financial aid, critical forms, and next steps in paying for college.

Scholarships
The Marana High School Scholarship page is actively updated each week with scholarship opportunities for our students. Parents and students on text alerts will be notified when the scholarship page is updated and Twitter followers will be the first to know when a new scholarship is available. Please bookmark the scholarship page so that you can check it each week. There are currently five scholarships listed ranging from $1000 - $50,000 for college with deadlines ranging from September 15 to November 30.

College & Career Calendar
There is a master calendar of scheduled college and career events for Marana High School and the community. You can access this document via the web at any time. Changes are made live on the internet so that parents and students who like to plan can keep track of upcoming opportunities. Please bookmark the College & Career Calendar and add it to your favorites to stay up to date regarding these great opportunities.

ASVAB Sign-Up
The ASVAB Test will be held on the MHS campus on 9/15/16. This free test is appropriate for juniors and seniors considering military occupations. This is also an opportunity for students to determine their aptitudes and the career fields that align with their strengths. The ASVAB is a predictor of success in both military occupations as well as many civilian occupations. Students who would like to take the ASVAB need to sign up with Dr. Corner in the Career Center by 9/9/16.

PSAT Sign-Up
The PSAT Test is coming soon. Current sophomores and juniors planning on applying to four-year colleges and universities should sign up to take the PSAT. The cost is $20 in the bookstore, and the deadline to sign up is 9/21/16. The test will be given at Marana High School on 10/19. Students who need a fee waiver due to financial hardship should sign up to see Ms. Kati in the counseling center.

Part-Time Job Opportunity
The Town of Marana is looking for flag football referees. Students familiar with flag football are encouraged to apply to become a flag football referee. You can find out more information at http://www.maranaaz.gov/career-opportunities, or stop by the career center.

Marana Athletic News

Athletes of the Week

Cross Country, from Coach Atkins: Kyle Partin is the XC Athlete of the Week. He had an exceptional summer of training and that hard work over the summer is paying off for him this season. He broke his previous Personal Record by over a minute last Wednesday at the Mountain View XC Meet. Coach Bartz and I are excited to coach this hard working sophomore the rest of the season and see what great accomplishments he will make.

Boys’ Golf, from Coach Moreno: I am nominating Sean Moreno. The past week Sean made the all tournament team at the Fall Preview Invitational at Grand Canyon University golf course by finishing in the top ten. He also led the team to its lowest score of the year by shooting 36 at the Pines in a dual match with Nogales and Rio Rico.

Dance, from Coach Finley: Madison Tweedy has surpassed all expectations being our only freshman on Dance Team this year. Not only is she one of the team's strongest technicians but she is an outstanding student and teammate. Madison is determined to accomplish her goals but stays humble and shares her positive attitude with everyone. The future of MHS Dance Team looks bright with Madison Tweedy's continued contributions on and off the dance floor.

Girls’ Golf, from Coach Corona: Lexi Pico- She has worked very hard to improve her golf game. She is a great example of quiet leadership and has made connections with her teammates. The hard work paid off during her last match when she shot the best score of her season and was the runner-up. Way to go Lexi!

Volleyball, from Coach Ball: Kaylee Moore is a Senior Right side hitter and team captain. She led the team in kills against Tucson High and was instrumental in fighting back for the win on Wednesday night. She has taken great initiative in unifying and building the program. We are looking forward to what she will do for the MHS women's volleyball team this, her senior season.

Football, from Coach Litten: Zach Roberts had 2 touchdowns and 7 tackles in our win. He was the player of the game. He showed great heart and determination and was one of the major reasons why we won the game.

Boys’ Swim, from Coach Condit: Lance Oldham was good at cheering for different swimmers from all around the pool. At the meet, he never left the pool side, unless he was walking for his race or relay.

Girls’ Swim, from Coach Condit: Katrina Hernandez was awesome at cheering on her teammates from the end of the pool as well as helping them out for counting in the longer races. Plus, if our racers would finish, she'd keep cheering on the other teams’ swimmers!

Marana Girls’ Soccer Fundraiser

Everyone is invited to be a part of our 4th Annual Marana High School Girls Soccer Golf Tournament. This year’s event will be held at The Omni Tucson National Resort and Spa. We will be playing the Catalina Course, home of this year’s Conquistador Classic PGA Champions Tour. On September 17th, come out and enjoy a Four Person Scramble with a fajita lunch buffet and awards ceremony to follow. Please visit http://maranagirlssoccer.com/ for more information.

Thank you for supporting Marana High School Girls Soccer,

Coach Tarquin and Coach Gutierrez
At MHS we are very proud to offer a diverse array of CTE/JTED programs. The Integration of these programs throughout our curriculum is just one of the many opportunities for students that our comprehensive high school provides. Throughout the year we will be sharing glimpses into the programs with you.

Take a look at our Aviation Technology program…

It’s based on two curriculums: Aircraft Mechanics and Air Transportation.

- The Aircraft Mechanics curriculum offers the student a basic introduction into the fascinating world of Aircraft Technician (civilian / military), supported by content lessons but also hands-on lab experiences.

- Air Transportation curriculum offers the student a basic introduction into the fascinating world behind the scenes of: an airport, an airline company, support functions, federal aviation careers and what it would be like to become an Aviator. Supported by content lessons but also hands-on lab experiences such as an airline business simulation.

The program offers a wide variety of building blocks geared not only towards post-high school educational pathways but also other career field opportunities. This is based on the fact that the fascinating world of Aviation is connected to many other disciplines. Illustrative of this interconnectivity are some of the following examples:

How airplanes are built connects to ENGINEERING, How airplanes fly connects to SCIENCE, Distance, time and speed airplanes travel connects to MATHEMATICS, Who regulates the industry is connected to the GOVERNMENT, What airplanes cost is connected to ECONOMICS, Where airplanes land is connected to SOCIAL STUDIES, Developments in Aviation is connected to HISTORY and Where airplanes fly to is connected to GEOGRAPHY just to give you a few examples.

PBIS Information

ROCKIN’ the PBIS
At Marana, we try to instill Tiger Pride in all students for their academics, athletics, artistic and technical abilities. But more importantly, we try to nurture and reward inspiring behaviors because each student is an individual while positive behaviors are very specific. Acknowledging the positive in our Tigers for their actions can create life long adjustments. Please help us and support our PBIS initiative by sharing kind words at home, and asking your students, “Tell me one positive thing that happened at school today.”
