

the fourth annual Recupido Run

Saturday, May 19th @ Maple Point Middle School

For 13 years, **Deby Recupido** was a teacher in the Neshaminy School District. Deby taught Social Studies at Maple Point Middle School for 11 years: She was revered by her co-workers and loved by her students. She was a champion of student affairs and very active in school activities. Deby was also active in her community. She taught CCD at Queen of the Universe Parish, coached softball and soccer for the Holy Terrors and soccer for the Langhorne Athletic Association. Deby passed away suddenly in June 2014, leaving a hole in the community and especially at Maple Point MS. This run is in memory of Deby and proceeds will benefit the students at the school that she loved.
