

## TACKLE LITTER!

# TRASH CAN ARTWORK CONTEST

Wentzville Middle School students, GREEN Earth Force, and the City of Wentzville are teaming up to Tackle Litter in Wentzville parks by sponsoring a **trash can decorating contest**. The goal of this effort is to raise public awareness to help prevent litter in our local parks and community. The contest will be open to Wentzville students as well as the public. The contest will **run through April 24, 2017**. A total of 11 trash can artwork designs will be selected, and the winning artwork will be placed in local parks by June 2017. One additional trash can will be designed by the Wentzville Middle students that developed the contest. **The contest theme is "Nature."**

Two designs will be featured on each can. Winning designs will be selected from these categories:

- 1st – 8th Grade (Winning entries will be chosen from each grade)
- 9th – 12th Grade (Top eight entries will be chosen)
- General Public (Top six entries will be chosen)

Each winning entries will receive a **\$25 Visa Gift Card** and their art will be displayed in City parks!
