

Fall 2017 HEY Classes

(Homestead Enrichment for Youth)

The Homestead PTA is offering our students an after school enrichment program beginning September 25, 2017. The classes will run *on either* **Monday** or **Thursday** from **3:45 – 4:45 pm**. There are no classes the week of October 9 and October 30 due to the holidays. The tuition for **each course is \$30**. The class attendance dates are as follows:

Week	1	2	3	4	5	6
Monday	9/25	10/2	10/16	10/23	11/6	11/13
Thursday	9/28	10/5	10/19	10/26	11/9	11/16

Course descriptions are attached.

Please fill out the registration form completely and send it along with your check(s) in an envelope marked “HEY”. Make **checks payable to Homestead PTA**. Send a **SEPARATE check for each child and for each class**. If your child signs up for both days, send a separate check for each day, even though both checks are for the same child.

All registration forms are processed after the deadline. Turning your form in early does NOT guarantee enrollment in a specific class. Making a secondary class choice is strongly recommended due to class size limits. If classes reach capacity or have to be cancelled due to low enrollment, every effort is made to accommodate those not accepted into their second choice. Your check will be returned in the event your child can't be placed in the class of his/her choice.

The registration deadline is September 8, 2017. No late registrations will be accepted. You will receive a confirmation form the week of September 18th so you can schedule accordingly. If you do not receive a notification, you should contact Mia Olaszek, Mia_Olaszek@sbcglobal.net.

We do not provide supervision after 4:45 pm. Therefore, it is important to have your child picked up on time, 4:50 is considered late. An emergency contact person and phone number is **required** to enroll your child in class. This contact person needs to be available should you be delayed. All children will exit through door #3. If your child's dismissal changes from what you indicate on the registration form, then you **MUST SEND A CHANGE OF TRANSPORTATION NOTE WITH YOUR CHILD TO HEY CLASS THAT DAY (a copy will be provided with your confirmation form)**.

Questions?? Please e-mail: Mia Olaszek at Mia_Olaszek@sbcglobal.net
