

A.C.E. Accelerate Career through Education

E N R I C H M E N T C L U B S

ENGINEERING CLUB

Bednarcik Jr. High School 5th through 8th grade only

Tuesday & Thursday 3:30-5:30pm // October 12—November 30 // \$180

- Encourages interest in engineering
- Brings curriculum to life in a club-based setting
- Promotes critical thinking
- Provides real -world learning opportunities that support core subjects
- Hands on exploring and learning each session

DRAMA CLUB

Old Post Elementary School, 2nd through 5th grade only

Monday & Wednesday 4:00-6:00pm // October 11 - November 20 // \$180

- Cognitive Development: Stimulating creativity in problem solving and broaden student's perceptions about their world and themselves
- Social Skills: Learn to use collaboration and teamwork to achieve new and creative results
- Creativity & Imagination: being able to think on your feet, approach tasks from different perspectives and think "outside of the box"

STEM CLUB

Old Post Elementary School, 2nd through 5th grade only

Monday & Wednesday 4:00-6:00pm // October 11 - November 20 // \$180

- STEM Club can provide students with an opportunity to gain practical, teamwork and leadership skills and increase confidence in the STEM subjects, engaging them with further study of STEM subjects and the opportunity to discover STEM related careers.
