1. Transportation is slowly getting better. Thank you for your patience as we work through these adjustments across the district. Please see Dr. Hauswald's email from last week which outlines specific details of the adjustments that we are making. ***If you have any questions or concerns about bus transportation, please contact the Transportation Department at 812-330-7719. You may also email bushelp@mccsc.edu, or you can use the TipLine button on the MCCSC website or mobile app by selecting "transportation."*** Please see the separate email that went out earlier today with directions on how to access various tools on the MCCSC Transportation webpage.
2. If you need to make changes to end of the day dismissal for your child(ren), please contact the school office prior to 2:30 PM. The end of the day is very busy in the office with the administrative assistants taking transportation calls and listening to radios for buses. By calling in prior to 2:30, you will help keep the call volume at a minimum. It is great to email your child's teacher, but it is also a good practice to call the front office as some teachers are not able to check their email at key points during the day.
3. This year, MCCSC schools will continue to send a letter to families if/when there is a positive case in your child's classroom.
4. MCCSC invites interested 6th grade students that want to participate in Elementary Beginning Band to the Bloomington North parking lot on Monday, August 23rd from 4:30-7:30 to test out some instruments. Students in grades 5 and 6 can also learn to play strings (violin, cell, or bass) this year! An email was

sent out over the weekend with registration information. Registration is due by August 25th for Elementary Strings.

5. We will hold our first PTO meeting on Tuesday, August 17th beginning at 6:00 PM. A separate email was sent out earlier today with the agenda and Zoom link.
6. If you need to update your registration, or have a friend that still needs to register, you can do that [here](#). You will also want to go in to make sure your email and phone number is correct to get up to date information.
7. Access the [2021-2022 MCCSC Calendar here](#).
